12. Shippers and consignees of all goods landed on or shipped from the said wharf shall, before landing or shipping such goods, deliver to the Wharfinger or his deputy a full and true account of all such goods, stating the respective weights or measurements of the same according as freight is payable thereon. E. J. VON DADELSZEN,
Deputy Registrar-General.

* It is not unlikely that in some instances the places given under the heading "Residence" are not the present places of abode of the respective persons. They have been copied, however, as they stand in the General Register; and if they are inaccurate in any case it is because the changes of residence have not been officially notified to the Registrar-General, as it is obviously desirable that all such changes should be.—E.
