NEW ZEALAND, } In the matter of a Bill intituled "An Act to
TO WIT. } amend 'The New Zealand Bank Act,
1861.'"

NOTICE is hereby given that the Bank of New Zealand intends to present a petition to the General Assembly of New Zealand, at its next session, praying for leave to introduce a Bill to be intituled "An Act to amend 'The New Zealand Bank Act, 1861.'" The objects of the said Bill are,—

(a.) To confirm and validate certain resolutions passed at a special general meeting of the proprietors of the said bank, held on the 11th day of October, 1888, and confirmed at a special general meeting of the said proprietors, held on the 19th day of October, 1888;

(b.) To declare that payments to reinstate shares to their original value, as provided by No. 2 of the said resolutions, should not increase a shareholder's original liability;

(c.) To enable the directors to carry out the objects intended to be effected by resolution No. 3, hereinafter set out, it is intended to vest the following powers in the directors with respect to the assets and accounts mentioned in the said resolution No. 3:—

- (1.) To keep a separate liquidation account of such assets;
- (2.) To empower the Board of Directors to determine what accounts and assets come within the operation of resolution No. 3 hereinafter mentioned;
- (3.) To value and revalue such assets at such intervals as the directors may think fit;
- (4.) In making up balance-sheets for declaring dividends, to estimate the said assets according to the last valuation thereof, or to make up such balance-sheets, if the directors think fit, without reference to the state of the liquidation account;
- (d.) (1.) To buy mortgaged land when sold under power of sale;
- (2.) To acquire mortgaged lands absolutely in cases of bankruptcy;
- (3.) To pay off prior mortgages;
- (4.) To purchase equity of redemption in any such lands from Assignee in Bankruptcy;
- (5.) In cases of mortgages of leasehold or other cases of leasehold, to purchase the freehold if directors think beneficial;
- (e.) To sell, mortgage, charge, or otherwise deal with the said assets in such way as the directors may think fit;
- (f.) To accept fully paid-up shares in any company purchasing the said assets as consideration or part consideration for the sale thereof, and to hold such shares until the directors can conveniently dispose thereof;
- (g.) To make the before-mentioned power and provisions retrospective as from the 11th October last;
- (h.) To empower shareholders from time to time to change the principal place of business of the bank to any part of the Colony of New Zealand or any part of the British dominions;
- (i.) To validate conveyances, assignments, and transfers of properties, including shares in companies, being part of assets to bank in its corporate name, and to enable the bank to hold in its corporate name, and without the intervention of trustees, properties, including shares in companies forming part of said assets;
- (j.) To do all such other things as are incidental or conducive to the attainment of the before-mentioned objects.

The following is a copy of the resolutions above referred to:—

1. "That £3 per share of the present paid-up capital of the bank be and the same is hereby cancelled, such capital having been lost or being unrepresented by available assets; and that henceforth dividends shall be paid on such shares as representing £7 each instead of £10 each, the original amount thereof. But such reduction shall not interfere with or in any way alter the liability of shareholders to contribute a further sum of £10, as provided by the bank's Act and deed of settlement, in the event of the assets of the corporation being insufficient to meet its engagements."
2. "That the directors be empowered, at their option, to receive from shareholders willing to pay the same £3 per share to reinstate their shares to the original amount of £10 per share, and on all shares so reinstated to pay dividends on the original amount of such shares: Provided that such payment to reinstate shares shall not render the shareholder liable to pay any further or larger amount than he would have been liable for if the shares had remained at £10 each, as originally created."
3. "That the several assets and accounts held for realisation, and outside the category of what may be regarded as ordinary and current business, be liquidated by the directors as speedily as may be, having regard to advantageous realisation thereof; and that in the meantime such assets be transferred to, and held and treated *in globo* in, a separate liquidation account, and so as that surplus in realising any one asset may be set against deficiency in realising any other without passing such surplus or deficiencies respectively through the ordinary profit and loss account."
4. "That the words beginning 'and if' in clause 102 of the deed of settlement, to the end of the clause, be and the same are hereby deleted."
5. "That in disposing of the new shares created and authorised to be issued by the resolution of the special general meeting of proprietors, held on the third day of October last, the Board of Directors may make it one of the conditions that payment for such new shares may be made by such instalments as the Board of Directors may think fit."

And notice is hereby further given that copies of the said Bill will be deposited at the office of the Examiner of Standing Orders, at Wellington, at or within fourteen days after the commencement of the session.

Dated this 31st day of May, 1889.

C. E. BUTTON,
