Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, it may from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of the foreshore to be used or occupied, *inter alia*, for the erection of baths and bath-houses, and any enclosure or fence necessary for the protection or privacy of the same: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is further provided that every such license shall be in writing under the seal of the Board or body granting the same, and may be for any period not exceeding fourteen years from the date thereof, and may prescribe a sum of money to be payable either at stated periods or on or before the granting thereof for the use of the foreshore so granted, and may prescribe any other terms or conditions, general or particular, to be observed or performed by the person to whom the same is granted: And whereas by the said Act it is also enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas by Order in Council dated the eighteenth day of December, one thousand eight hundred and eighty-three, the Borough Council of Caversham was licensed to use and occupy the parts of the foreshore and land below low-water mark immediately contiguous thereto, as shown on plan (marked M.D. 867), for the purpose of constructing or erecting thereon a bath and bath-houses: And whereas the said Borough Council of Caversham (hereinafter called "the said Council") has applied for a license under the said Act to use and occupy a further part of the foreshore and the land below low-water mark immediately contiguous to such foreshore and adjoining the foreshore and tidal land for which the said license was granted, in order to erect and maintain thereon additional baths and bath-houses at Forbury Point, St. Clair, Caversham; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited a plan in the office of the Marine Department, at Wellington (marked M.D. 1528), showing the place where it is intended to erect such baths and bath-houses, and the area of foreshore or land below low-water mark intended to be occupied for such purposes: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plan has, prior to the making of this Order in Council, been approved by the Governor in Council, without modification or addition: And whereas there is no Harbour Board having jurisdiction at Caversham, and it is expedient that a license should be granted and issued to the said Council under the said Act, for the purposes aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby license and permit the said Council to use and occupy those parts of the foreshore and of the land below low-water mark immediately contiguous thereto which are particularly shown and delineated on the plan so deposited as aforesaid, and marked M.D. 1528, for the purpose of constructing or erecting thereon additional baths and bath-houses, such license to be held and enjoyed by the said Council upon and subject to the following terms and conditions, that is to say,—

The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark required for the construction of the baths and bath-houses, and any enclosure or fence necessary for the protection or privacy of the same, as shown and delineated on the said plan (marked M.D. 1528).

2. A portion of the natural rock, of a width not less than twenty feet, shall be left seaward of the baths, and the material removed in the construction of the baths shall be thrown up as a wave-break, and the foreshore and tidal land included in this license shall be used solely for bathing purposes.

3. 4. A printed copy of the by-laws affecting the use of the said baths and bath-houses, and advantages as aforesaid, shall be put up by the said Council in every such bath-house.

5. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the said Council shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

6. That the said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the said Council three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at the office of the said Council.

7. In case the said Council shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them; or
