Rent to be paid half-yearly in advance, the first payment to be made on day of sale, being for the period from the 1st March, 1890, to the 31st August, 1890.

A pasturage license shall entitle the holder thereof to the exclusive right of pasturage over the lands specified therein, but shall give no right to the soil, or timber, or minerals, and shall immediately determine over any land which may be proclaimed a hundred, or which may be licensed, leased, purchased, granted, or reserved under this or any other Act.

Twelve months before the expiration of the term of license (if it shall be determined to again let the land for depasturing purposes) the run shall be put up to public auction, subject to a valuation for improvements; such valuation in no case to exceed three times the amount of the average annual rental of the run. In the case where the run is not again offered for lease, the licensee will be allowed to remove buildings, fencing, enclosures, or other improvements made by him while lessee, at any time within three months after the expiration of his license.

Runs may be divided, with the sanction of the Land Board, and upon payment of £1 1s. for each subdivision.

No person can take up more than one run. No person who owns freehold land or land held under lease or license from the Crown which in all would exceed 21,000 acres, or who is incapable of making the declaration prescribed by section 200 of "The Land Act, 1885," can become a lessee.

Every lessee will have to reside on the land he leases within twelve months of the commencement of his lease, and thereafter for a period of six consecutive years. But the Land Board may relax this condition in the case of any lessee who is actually residing on any freehold or leasehold land of his own which is situated within ten miles of the land leased by him.

For a period of fourteen years from the date of the lease one-fourth of the rents will be handed over to the County Council or Road Board of the district, to be expended in the maintenance or construction of the roads leading to and opening up the land.

Intending purchasers must be prepared to hand to the auctioneer, on the fall of the hammer, a declaration signed and witnessed by a Justice of the Peace, as required by section 200 of "The Land Act, 1885." In the event of any purchaser failing to produce the required declaration, the lot will be put up again and resold.

The first half-year's rent, from the 1st March, 1890, to the 31st August, 1890, together with £1 11s. for the lease, must be paid at the sale.

For further particulars apply at the Crown Lands Offices, Napier and Gisborne.
