SCHEDULE.

WELLINGTON LAND DISTRICT.—OROUA COAL CREEK BLOCK.
— UNSURVEYED LANDS. — FIRST- AND SECOND-CLASS LANDS.

BLOCKS XIV. and XV. Apiti, and Blocks II., III., VI., and VII., Pohangina Survey Districts. 12,000 acres. Price: Cash, 10s. to £1 2s. 6d.; deferred payments, 12s. 6d. to £1 8s. 1½d.; and perpetual-lease rental, 6d. to 1s. 1½d. per acre.

Description of Land: This block is situated between the Oroua River and Coal Creek, and extends from the Wanganui Harbour Board Block northwards for six miles, towards the Feilding Special-settlement Block. The area comprises generally broken and undulating hills, intersected by deep gullies which merge into gorges, there being some small flats on the Oroua River and Coal Creek, and easy faces and flat tops along main ridge and the western slopes towards the Oroua. The block is fairly well watered, and is covered with mixed bush and dense underscrub, including rimu, rata, maire, hinau, titoki, and rewarewa, with two known patches of black birch on the Coal Creek and south boundary, and totara and kahikatea occur in places sufficient generally for homestead purposes; the undergrowth includes karamu, kotukutuku, makomako, rangiora, mahoe, kaiwhiria, houhou, tataramoia, and supplejacks. The formation is papa and sandstone, and the soil, with the exception of patches here and there, varies from fair to good. The block is distant from Feilding (*via* the Kimbolton Road and Birmingham) about twenty-two miles, eighteen and a half of which is a dray-road, and three and a half miles a formed bridle-track, and horses can be got up the Oroua River-bed and Coal Creek. The south boundary, *via* the Taonui and Wanganui Harbour Board Block Roads and unformed road-lines, is about twenty-two miles from Feilding. The north end of the block is about three miles distant from the cleared road-lines on the Feilding Special-settlement Block. The country is from 800ft. to 1,800ft. above sea-level, and when brought into cultivation should prove well adapted for pastoral pursuits. The sale-plan represents in full detail the character of country, soil, bush, &c., and the elevation of all parts above sea-level.

Selectors will have the privilege of choosing, subject to reasonable restrictions, the precise locality and area of their future holdings, with the additional advantage of securing good fencing boundaries on ridges and spurs where available.

As witness the hand of His Excellency the Governor, this seventeenth day of February, one thousand eight hundred and ninety.

A selector may purchase for cash any of the sections, not exceeding 640 acres of first-class land and 2,000 acres of second-class land; or may take up, on deferred payments, 640 acres of land; or, on perpetual lease, 640 acres of first-class land or 2,000 acres of second-class land. If the selector wishes to acquire any section on deferred payments, an addition of one-fourth to the cash price will be made. If the selector wishes to take up a section on perpetual lease, the annual rental will be 5 per cent. on the cash price of the land.

The present runholders have the right of removal or sale during the currency of their present licenses of any fences which are now or shall at the expiration of the said licenses be in or upon their runs.

Applications to be made at the Land Offices, Christchurch and Timaru.

Applications for unsurveyed lands must be accompanied by deposits for survey, which vary from £6 for 30 acres to not less than £66 10s. for 1,000 acres. These deposits form part of the purchase-money. For details of payment see *New Zealand Gazette*, dated 31st January, 1889, page 115.

No applications for additional land will be received from selectors who are in arrear with the payments on their present holdings.

INSTRUCTIONS TO APPLICANTS.

Applications must be made on proper forms, to be obtained at the Crown Lands Offices, Christchurch and Timaru, and must be accompanied by the statutory declaration required by the system under which the application is made; also by a deposit of, with perpetual-lease applications, a half-year's rent and 30s. lease fee; with deferred-payment applications, a half-year's instalment and 21s. license-fee; and, with cash applications, one fifth of the total price.

If an applicant apply for more than one section, it is essential that he should be present at the drawing for priority of choice, either personally or by duly-authorized agent, to avoid confusion in the event of his being successful for two or more sections.

Cheques forwarded as deposits must be marked by the bank on which they are drawn as "Correct for fourteen days."
