*Notice to Imprestees under "The Public Revenues Act, 1878."*

The Treasury,  
Wellington, 19th February, 1890.

As respects disbursements which officers may require to make during the week following the close of the financial year, requisitions for the amount required are to be made in such time as to enable them to reach Wellington not later than the 20th March, so that the requisite funds may be placed at the disposal of the officer on the 1st April.

H. A. ATKINSON,  
Colonial Treasurer.

*Examination of Teachers.*

Education Department,  
Wellington, 24th February, 1890.

THE following lists contain statements of the principal results of the examination held last month. It must be understood that the granting of a certificate depends only in part upon the result of an examination, and that candidates who have not had the experience required by the regulations, or who do not receive the necessary marks from a School Inspector, have no claim to a certificate.

The first list contains the names of the successful candidates at the examination for Classes C, D, and E. The names of candidates who were partially successful in former years, and have now passed in the additional subjects necessary for a certificate, are included in this list. The second list gives the names of candidates who will be allowed to qualify for Classes D and E respectively, by passing at the next examination in those subjects only in which they have this year been unsuccessful. In the case of the candidates who relied partly upon work done at the matriculation examination, the results of that examination have been taken into consideration in preparing these lists. The third list gives the names of the candidates to whom prizes for drawing and for elementary experimental science have been awarded. In a fourth list are given the names of the candidates whose work has been deemed worthy of special mention by the examiners.

Every candidate will receive a private intimation of his success or failure, and those whose names are in the second list will be advised as to the subjects in which they will have to be examined again. There are a few unsuccessful candidates who, in consideration of work done at matriculation, will be exempt from further examination in some subject or subjects required for Class D, and in a few days these candidates will receive precise information as to the exemption accorded to them.

The next examination will take place in January, 1891, beginning about the eighth of the month. Notices must be given so as to be in the office of the Department by the thirty-first of October. Candidates who have obtained "partial pass" must observe this rule equally with other candidates, and must not expect to receive any further intimation of the date at which the notices become due. Forms of application can be obtained at the office of the Department or of any Education Board.

Teachers who have gained promotion at this examination may send in their certificates for indorsement.

EDWIN MITCHELSON,  
 (For the Minister having charge of the  
 Marine Department.)

## MORETON BAY.—ALTERATION OF LEADING LIGHTS, NORTH OF HOWE CHANNEL.

IN pursuance of a Notice to Mariners issued from this office on the 20th November relative to the proposed alteration in the lights for the North Channel, at the entrance to Moreton Bay, consequent upon the growth westward of the East Bank, notice is hereby given that, on and after the 5th February, the position of the light at Tangaluma will be shifted further to the north-east, and vessels entering by that channel will keep the leading lights in line, or slightly open to

the westward, when passing the East Bank, and as soon as it is passed will be careful not to open them to the westward until they have proceeded a distance of one mile, when they can steer for Cowan Cowan as usual.

It is possible that the position of the Yellow Patch Light may not be shifted on the same day, but the range of the red sector will in either case be the same, and the channel in that respect will be navigated as at present.

Description of Land: Light stony land, on the Rangitata Island, adjoining the north branch; liable to be inundated in heavy floods.

A selector may purchase for cash any of the sections, not exceeding 640 acres of first-class land and 2,000 acres of second-class land; or may take up, on deferred payments, 640 acres of land; or, on perpetual lease, 640 acres of first-class land or 2,000 acres of second-class land. If the selector wishes to acquire any section on deferred payments, an addition of one-fourth to the cash price will be made. If the selector wishes to take up a section on perpetual lease, the annual rental will be 5 per cent. on the cash price of the land.

The present runholders have the right of removal or sale during the currency of their present licenses of any fences which are now or shall at the expiration of the said licenses be in or upon their runs.

Applications to be made at the Land Offices, Christchurch and Timaru.

Applications for unsurveyed lands must be accompanied by deposits for survey, which vary from £6 for 30 acres to not less than £66 10s. for 1,000 acres. These deposits form part of the purchase-money. For details of payment see *New Zealand Gazette*, dated 31st January, 1889, page 115.

No applications for additional land will be received from selectors who are in arrear with the payments on their present holdings.

INSTRUCTIONS TO APPLICANTS.

Applications must be made on proper forms, to be obtained at the Crown Lands Offices, Christchurch and Timaru, and must be accompanied by the statutory declaration required by the system under which the application is made; also by a deposit of, with perpetual-lease applications, a half-year's rent and 30s. lease fee; with deferred-payment applications, a half-year's instalment and 21s. license-fee; and, with cash applications, one fifth of the total price.

If an applicant apply for more than one section, it is essential that he should be present at the drawing for priority of choice, either personally or by duly-authorized agent, to avoid confusion in the event of his being successful for two or more sections.

Cheques forwarded as deposits must be marked by the bank on which they are drawn as "Correct for fourteen days."
