Rules for Resident Magistrates' Courts under "Imprisonment for Debt Abolition Act, 1874."

ONSLOW, Governor.

WHEREAS by "The Imprisonment for Debt Abolition Act, 1874" (hereinafter referred to as "the said Act"), it is enacted that in the said Act the term "prescribed" means, as respects Resident Magistrates' Courts and Courts of Petty Sessions and Justices of the Peace acting under "The Resident Magistrates Act, 1867," or any Acts amending the same, prescribed by general rules or orders to be made by the Governor in like manner as he is now authorised under the said Acts to frame and establish general rules for the purposes thereof; and it is also by the said Act provided that general rules and orders may, as respects the said Courts, Petty Sessions, and Justices so acting as aforesaid, be made by the Governor for the purpose of carrying the said Act into effect:

And whereas by "The Resident Magistrates Act, 1867," it is provided that, in all cases not therein specially provided for, the Governor may from time to time frame and establish general rules and orders regulating the practice and forms of all proceedings in Courts under the said last-mentioned Act, and may from time to time revoke or alter the same; and that such rules and orders, and all alterations thereof, shall be published in the *New Zealand Gazette*, and when so published shall have the force of law:

And whereas by warrants bearing date the thirteenth day of October, one thousand eight hundred and seventy-four, and the nineteenth day of July, one thousand eight hundred and seventy-five, the Governor of the Colony of New Zealand did make and prescribe certain rules and forms for Resident Magistrates' Courts, under the authority of the said Acts, and it is expedient that the said rules and forms should be revoked, and that the rules and forms hereinafter mentioned should be made and prescribed, in lieu thereof:

days is prescribed for doing any act, or for any other purpose, the same shall be reckoned exclusive both of the first day and of the last day; the word "person" shall include a body politic or corporate, and every word importing the singular number only shall include the plural number, and words importing the plural number only shall include the singular number, and words importing the masculine gender only shall include females.

"District Court" shall mean any Court constituted under "The District Courts Act, 1858," or the Acts amending the same.

Judgment Summons.

1. No order under section 8 of the Act shall be made unless a summons to appear and be examined on oath hereinafter called a "judgment summons") shall have been personally served upon the judgment debtor.

2. A judgment summons shall be issued only by a Magistrate's Court when the debtor resides or carries on business within its district, unless leave of such Court or of a Resident Magistrate has been first obtained.

3. An application by a judgment creditor for the issue of a judgment summons under the Act shall be in writing, signed by the applicant or his agent, according to the form (1) in the First Schedule hereto, and accompanied by an affidavit in the form (2) in the said Schedule.

4. When a judgment creditor desires to apply for a judgment summons to a Magistrate's Court other than the Magistrate's Court in which the order or judgment was obtained, he shall obtain from the Clerk of the Magistrate's Court in which the order or judgment was obtained a certified copy of the order or judgment in the cause, and file the same with his application.

5. In any case where the judgment debtor resides or carries on business more than five miles from the Court out of which a judgment summons is sought, the application for such summons shall be accompanied by a tender of expenses. The amount to be deposited shall be sufficient, in the opinion of the Clerk of such Court, to enable the judgment debtor to attend and return from the hearing of such summons, and to provide maintenance for the debtor during such attendance. The Clerk of any Court may decline to issue a judgment summons until such expenses are deposited with the application as aforesaid. The amount so deposited shall (unless the Court otherwise orders) form part of the costs of the judgment summons for all purposes.

6. Every judgment summons on an order or judgment of a Magistrate's Court shall be according to the form (3) in the First Schedule, and be issued not less than ten clear days, and be served not less than five clear days, before the day on which the judgment debtor is required to appear, except in the case provided for by rule 9 of these rules.

7. Where a party desires to enforce, by commitment in any Magistrate's Court, a judgment, decree, or order of a District Court or of the Supreme Court, he shall obtain from such District or Supreme Court, as the case may be, a copy of such judgment, decree, or order certified by the Registrar or Clerk of the Court, and shall file such copy, together with an affidavit in the form (2) in the First Schedule hereto, with the Clerk of the Magistrate's Court to which the application for the judgment summons is made.

8. The Clerk of the Magistrate's Court to which the application for a judgment summons is made shall, in such last-mentioned cases, upon delivery to him of the certified copy of the judgment, decree, or order of the Supreme Court or District Court, as the case may be, file the same, and issue thereon a judgment summons in the form (4) in the First Schedule hereto.

9. Where the person applying for the judgment summons shall state to the Clerk of the Magistrate's Court that the judgment debtor is about to remove from his dwelling or place of business, or is keeping out of the way to avoid service, then the judgment summons may be issued and served at any time before the hearing: Provided that the Magistrate's Court shall not act upon a summons issued under this rule unless at the hearing such Court is satisfied, by evidence on oath, that at the time of the application for the judgment summons the judgment debtor was about to remove from his dwelling or place of business, or was keeping out of the way to avoid service, in either of which cases service upon such debtor at any time before the time appointed for his appearance shall be sufficient.

10. The hearing of a judgment summons may be adjourned from time to time.

11. Any witness may be summoned to give evidence upon such hearing, in the same manner as witnesses are summoned to give evidence upon the hearing of a plaint. Every such summons shall be according to the form (5) in the First Schedule hereto.

12. Upon the issue of a judgment summons against a

party upon an order or judgment of a Magistrate's Court issuing the judgment summons, the bailiff of such Court shall return into the Court any warrant of execution against the goods of such party which may have been issued in the cause.

13. Where a judgment summons is heard in a Magistrate's Court other than the Court in which the order or judgment was obtained, and an order is made by the Court in which the judgment summons is heard altering the terms of the order or judgment, all payments under the new order shall be made into, and execution thereupon against the goods shall be issued by, the Court which has so altered the order. Such order shall be in the form (6) in the First Schedule.

14. Where a certified copy of a judgment is obtained from the Clerk of a Magistrate's Court, or District Court, or Registrar of the Supreme Court, such Clerk or Registrar shall make on the minute of the judgment a memorandum of having given such certificate; and no warrant of execution against the goods, or judgment summons upon such judgment, shall issue from such Court unless it be shown to the satisfaction of the Court or to the Clerk or Registrar of such Court that no order has been made against the execution debtor in any other Court.

Order upon a Judgment Summons, Warrant of Committal, &c.

15. An order made under section 8 of the Act on an order or judgment of a Magistrate's Court shall be according to the form (7) in the First Schedule, and an order made under the Act on an order or judgment of a Court other than a Magistrate's Court shall be in the form (8) in the said Schedule; and every such order shall, on whatever day it may be issued from the Clerk's office, bear date on the day on which the order on the judgment summons was made, and shall continue in force for one year from such date and no longer.

16. When an order on a judgment summons has been made, the judgment debtor may, at any time before his body is delivered into the custody of the Gaoler, pay to the bailiff the amount indorsed on the order as that on the payment of which he may be discharged; and on receiving such amount the bailiff shall discharge such debtor, and shall, within twenty-four hours after receiving such amount, pay over the same to the Clerk of the Magistrate's Court of which he is an officer.

17. The sum indorsed upon the order on a judgment summons, or indorsed upon the warrant of committal, as that upon payment of which the prisoner may be discharged may be paid to the Clerk of the Court from which the order or warrant was issued, or to the Gaoler in whose custody the prisoner is. Where it is paid to the Clerk, he shall sign and seal a certificate of such payment, and, upon receiving such certificate, by post or otherwise, the Gaoler in whose custody the prisoner shall then be shall forthwith discharge such prisoner. And where it is paid to the Gaoler, he shall, upon payment to him by post-office order of such amount, together with costs sufficient to pay for transmitting such amount to the Court under the order of which the prisoner was committed, sign a certificate of such payment, and discharge the prisoner, and such costs of transmission shall be part of the prescribed costs.

18. A certificate as to payment by a prisoner shall be according to the form (9) in the First Schedule.

19. Orders upon a judgment summons against the same party may be issued concurrently into more than one district: Provided that the cost of one order only shall be allowed unless the Court shall otherwise direct.

20. The warrant to be issued by the Chief Clerk of a Magistrate's Court under the provisions of section 11 of the Act shall be in the form (10) set out in the First Schedule hereto; and such warrant shall be deemed to be the "warrant in the prescribed form" required to be issued under the said section.

21. No warrant of committal shall be issued against a judgment debtor unless the order made at the hearing of the judgment summons has been drawn up and served upon such debtor: Provided that, where it is shown to the satisfaction of the Court or a Resident Magistrate that the debtor is keeping out of the way to avoid service of such order, service may be dispensed with, and the Court or Resident Magistrate shall direct accordingly.

22. Where a judgment debtor shall, upon the return day of a judgment summons, satisfy the Court that he has been adjudicated a bankrupt, and that the debt was provable in the bankruptcy, or that, in respect of the debt, the provisions of the Bankruptcy Acts for the time being in force have been complied with, no order of commitment shall be made.

23. Where a judgment debtor shall, after the making of an order upon a judgment summons against him, and before its issue, file in the Magistrate's Court in which the order was made an affidavit, according to the form (11) in the First Schedule, stating that he has been adjudicated a bankrupt, that the debt was provable in the bankruptcy, and that, in respect of the judgment debt, the provisions of the Bank-

ruptcy Acts for the time being in force have been complied with, and shall at the same time give notice to the judgment creditor of the filing of the affidavit, no such order shall issue.

24. Where a judgment debtor is arrested he may, according to the tenor of the order or warrant of committal, file in the Magistrate's Court within the district in which he is in custody an affidavit as mentioned in the last foregoing rule, and give the notice to the judgment creditor thereof, as therein required; and thereupon the judgment debtor shall be discharged out of custody upon the certificate of the Clerk of such Court. Such certificate shall be according to the form (12) in the First Schedule hereto.

Costs.

25. The costs which shall be payable by a person imprisoned under the Act shall be the fees specified in the Second Schedule hereto, and such fees shall be deemed to be the prescribed costs referred to in section 13 of the Act.

26. All costs incurred by the plaintiff in endeavouring to enforce an order or judgment shall be deemed to be due in pursuance of such order or judgment, under section 5 of the Act.

Commissions in the British Army.—Amended Regulations.

Defence Office,
Wellington, 2nd July, 1890.

THE following amended regulations, under which commissions in the British Army may be obtained by officers of colonial local military forces, are published for general information.

W. R. RUSSELL.

REGULATIONS UNDER WHICH COMMISSIONS IN THE BRITISH ARMY MAY BE OBTAINED BY OFFICERS OF COLONIAL LOCAL MILITARY FORCES.

1. COMMISSIONS in the cavalry or infantry of the line will be granted to officers (who are *bonâ fide* colonists) of the local military forces of certain colonies, to be specified from time to time, under the conditions hereinafter prescribed as to age, physical and moral fitness, length of service in the colonial forces, literary and military qualifications, and general eligibility for the position of an officer in Her Majesty's regular forces.

2. A candidate will be required to have served at least fifteen months as an officer in the local military force of the colony from which he is nominated, and must have attended two annual trainings, or have seen active service in the field. A certificate to this effect from his commanding officer must be attached to the candidate's papers.

3. The candidate must be within the ages of nineteen and twenty-two on the 1st January of the year in which he is allowed to present himself for the examination hereafter specified. A certificate of birth, or a declaration of his exact age, made by the candidate's parents or guardian before a Magistrate, must be attached to his papers when forwarded to the War Office.

4. He will be required to undergo an inspection by a Medical Board, to be convened by the Governor of the colony or other proper authority, and will not be allowed to

proceed further with his candidature unless certified by such Board to be physically qualified in all respects for a commission in the army.

5. An intending candidate must apply for a nomination to the Governor, through his commanding officer, or such other channel as the Governor may prescribe, in sufficient time to allow of arrangements being made for his undergoing the required examinations before he has exceeded the limit of age specified in paragraph 3.

6. A candidate will not be allowed to enter upon his examination until he has satisfied the Governor of the colony in which he is serving that he is actually a colonist, that he is of good moral character, and in all other respects a fit and proper person to hold a commission in Her Majesty's army. A certificate from the Governor to this effect must be attached to the candidate's papers when they are forwarded to the War Office.

7. Subject to the exceptions stated in paragraph 8, a candidate will be required, before being permitted to present himself for examination in military subjects, to undergo a qualifying literary examination in the following subjects:—

- (1.) Mathematics—viz., (a) arithmetic, including vulgar and decimal fractions, proportion, and simple interest; (b) Euclid, Book I.; (c) algebra, up to and including simple equations.
- (2.) French or German; the examination being limited to translation from the language, and grammatical questions.
- (3.) Writing English correctly, and in a good legible hand, from dictation. English composition, tested by the power of writing an essay, letter, or précis.
- (4.) The elements of geometrical drawing, including the construction of scales, and the use of simple mathematical instruments.*
- (5.) Geography.

Any candidate who has previously passed an examination before the Civil Service Commissioners in three or more of the above subjects will be exempt from further examination in such subjects; but candidates who have to be examined in two or more subjects will be required to qualify in all at the same examination.

In addition to the foregoing, the candidate will be required to select and qualify in two, and not more than two, of the following subjects:—

- (a.) Mathematics—viz., algebra, up to and including the binomial theorem; the theory and use of logarithms; Euclid, Books I. to IV. and VI.; plane trigonometry, up to and including the solution of triangles; and mensuration.
- (b.) Classics (Latin, or Greek).
- (c.) English history (general).
- (d.) Freehand drawing.

The subjects selected should in all cases be stated in the application for papers.

8. The candidate will be exempted from the above examination, except in geometrical drawing, if he can produce a certificate from the proper university authority that he has taken his degree in Arts, or has passed the examination for the degree of B.A. or M.A., at one of the following universities: Oxford, Cambridge, Durham, London, Dublin, Edinburgh, St. Andrews, Glasgow, Aberdeen, the Royal University, Ireland; or that he has passed one of the university examinations specified below:—

- Oxford: "Moderations."
- Cambridge: "The Previous Examination."
- Dublin: "The Final Examination of the Senior Freshman year, or "the Final Examination of the School of Engineering."
- Durham: "The First Year's Examination."
- The Royal University, Ireland: "The Second University Examination in Arts, or the Second Professional Examination in Engineering."
- Scotch Universities: "The Examination for Candidates for the Army."
- London University: The "First Examination" for the degrees of B.A., LL.B., Sc., or M.B.; or if he has passed some other test which is accepted by the university as exempting from the above examinations.

An equivalent examination at one of the chartered universities will likewise be accepted as a sufficient ground for exemption.

9. The literary examination will take place on the second Tuesday in April in each year.

10. An examination in military subjects of such candidates as have previously passed the literary examination will be held in September in each year. The subjects and the maximum marks obtainable in each subject will be as follows:—

	Marks.
1. The elements of field fortification ..	600
2. Military topography ..	600
3. The elements of tactics ..	600
4. Military law ..	600

* Greater importance will be attached to neatness and exactness of drawing than to ability to solve geometrical problems.

In order to qualify for a commission, a candidate will be required to obtain 25 of the marks in each subject, and 5 of the aggregate.

11. The scope will be that embraced by the synopsis of the course of instruction (in the subjects specified in paragraph 10) at the Royal Military College.* There will, however, be no practical out-of-door examination in any subject. The text-books will be those in use at the time at the Royal Military College, Sandhurst, which, for the present, are as follows:—

- (1.) The elements of field fortification: Phillips's Course of Artillery and Fortification.
- (2.) Military topography: Official Text-book of Military Topography.
- (3.) The elements of tactics: Field Exercises. Clery's Minor Tactics.
- (4.) Military law: Army Act. Queen's Regulations. Elements of Military Administration and Law (Boughey).

12. Sets of papers for the examination in both the literary and military subjects will be forwarded in due course, in sealed envelopes, to the Governors of the respective colonies, who will convene Boards the duty of which will be to see that the papers are fairly worked by the candidates. The papers will then be returned without delay to the Director-General of Military Education, War Office, London, for adjudication.

13. The Governor of the colony will notify to the War Office, through the Secretary of State for the Colonies, each year, whether he has any duly-qualified candidates to nominate, and will, at the same time, state how many sets of papers he will require for their examination, and the optional subjects selected by the candidates.

This notification must reach the War Office not later than the 1st February.

14. Until further notice, two army commissions will be allotted to each of the following colonies annually: New South Wales, South Australia, Victoria, Queensland, New Zealand, Cape of Good Hope.

Six will be allotted annually to Canada, and one biennially to Tasmania.

In the event of the number of candidates nominated by the Governor in a colony at any time exceeding the allotted number of commissions, the selection will be decided by competition in the military portion of the prescribed examination.
