These lands are liable to selection at any time for cash, on deferred payments, or on perpetual lease, under "The Land Act Amendment Act, 1887," at the prices at which they are now open, or at such prices as may hereafter from time to time be gazetted.

The rent will be payable half-yearly on the first day of March and September in each year, six months' rent being paid at the time of sale; and the rentals will be adjusted at each payment for the lands remaining unselected at the rate paid per acre.

In the event of any of the lands being disposed of at the prices at which they are now open within three months from the date of the previous payment, a proportionate reduction of rent to the area disposed of will be allowed the licensee.

The purchase or removal of any fences existing at the date of sale on the Crown lands offered for lease will be matter of arrangement between the late licensee and the purchaser. No liability is accepted by or on behalf of the Crown in respect of any such fencing.

In the event of the late licensee not becoming the purchaser, a reasonable time will be allowed him for the removal of stock and improvements.

Where fences form the boundary between Crown lands offered for lease and freehold land, the purchaser of such lease will be liable to the provisions of any law now or hereafter in force relating to boundary-fences.

Plans and full particulars can be obtained on application at the Land-Offices, Christchurch and Timaru.
