HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), it is, among other things, enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as in the said Act mentioned, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes therein mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas there being no Harbour Board empowered to grant the license hereinafter mentioned, the Mokihinui Coal Company (Limited) has applied to the Governor for a license under the said Act to occupy a part of the foreshore and the land

below low-water mark immediately contiguous to such foreshore on Mokihinui River, in order to erect and maintain thereon a wharf; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," the said company has deposited plans in the office of the Marine Department, at Wellington, marked M.D. 1388, 1389, and 1397, showing the manner in which it is proposed to construct such wharf, the place where it is intended to erect the same, and the area of foreshore or land below low-water mark intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council, without modification or addition: And whereas it appears expedient that a license under the said Act should be granted and issued to the said company for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and by and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the company as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the Mokihinui Coal Company (Limited) (hereinafter referred to as "the company") to use and occupy such part of the foreshore and of the land below low-water mark immediately contiguous thereto as may be necessary for the erection of the wharf at the site shown on plan marked M.D. 1397, so deposited as aforesaid, for the purpose of constructing or erecting thereon a wharf in accordance with plans marked M.D. 1388 and 1389, so deposited as aforesaid, such license to be held and enjoyed by the company upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark necessary for the erection of such wharf, at the site shown on the plan marked M.D. 1397, and deposited in the office of the Marine Department as aforesaid.

2. All Her Majesty's subjects shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the wharf and foreshore, and all rights of ingress and egress thereon and therefrom.

3. The Governor in Council may from time to time fix such payments as he shall deem reasonable to be paid to the company by any private persons for the use of such wharf, and all lines of railway, cranes, or other appliances that may be on such wharf or foreshore.

4. The Governor, his staff and servants, and all officers in the Government service or employ, acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the wharf without payment.

5. The company shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit therefrom, and maintain at its own cost, suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

6. Any person authorised by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the company a notice in writing of any defect or want of repair in such wharf, requiring the company within a reasonable time, to be therein prescribed, to repair the same, the company shall with all convenient speed cause such defect to be removed or such repairs to be made.

7. Nothing herein contained shall authorise the company to do or cause to be done anything repugnant to or inconsistent with any law or regulation relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

8. The ballast of all vessels loading at the said wharf shall be taken away by the company and deposited above high-water mark, or at such place as may be approved of by the Minister or by any person appointed by the Minister for that purpose.

9. The rights, powers, and privileges conferred by or under this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the company shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

10. The said rights, powers, and privileges may be at any time resumed by the Governor on giving to the company three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister and delivered at or posted to the last known address of the company.

11. In the case of such resumption the company shall be entitled to compensation, to be ascertained by a Compensation Court in the like manner as is done in the case of lands taken for public purposes. The basis of the compensation shall be the then actual value of the materials on the wharf fixed in position; but no compensation shall be paid for any goodwill or other interest in the wharf, or the privilege of erecting the same. Possession of the wharf shall be given to the Minister at the expiration of the three months' notice before mentioned, although the amount of the compensation may not then have been paid. All compensation shall be payable out of moneys to be appropriated by Parliament, and until such appropriation the licensees shall have no claim in respect of the same or its non-payment under these conditions.

12. The company shall be liable for any injury which the said wharf may cause through any default or neglect on the part of the company.

13. In case the company shall—

(1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;

(2.) Cease to use or occupy the said wharf;

(3.) Be in any manner wound up or dissolved,

then and in any of the said cases this Order in Council and every license, right, power, or privilege may be revoked and determined by the Governor in Council without any notice to the company or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that the license, rights, and privileges hereby granted to the company have been revoked and determined.

14. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

CHINESE.—Arrivals, nil; departures, nil.

The total loss of population by excess of emigration over immigration, for the six months ended the 30th June, was 3,041 persons.

* The departures for Australia are given subject to revision, as the Customs emigration returns do not include all passengers who go on board without booking. The numbers may eventually be increased somewhat after receipt of returns from the shipping companies.

† It is important to mention that, in the returns from which this table is made up, immigrants to the colony are all counted at the first port of arrival, and emigrants at the final port of departure.
