ONSLOW, Governor.
ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-fifth day of November, 1890.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the seventy-fourth section of "The Regulation of Elections Act, 1881," it is enacted that, when any accidental or unavoidable impediment, misfeasance, or omission happens, the Governor in Council may take all such measures as may be necessary for removing or rectifying the same:

And whereas by the Governor's warrant appointing polling-places for the various electoral districts within the colony, which was dated the fifth day of November, one thousand eight hundred and ninety, and published in the *New Zealand Gazette* of the same date, the Schoolhouse, Woodside, was appointed amongst the polling-places thereby fixed for the Franklin Electoral District: And whereas a vacant house near the school, Woodside, is the place which should have been so appointed, instead of the said schoolhouse: And whereas it is expedient that such appointment should now be properly made:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, by and with the advice and consent of the Executive Council of the said colony, in pursuance of the powers and authorities conferred upon him by the said above-recited section, and of all other powers and authorities in anywise enabling him in that behalf, doth hereby order and declare that a vacant house near the school, Woodside, shall be a polling-place for the Franklin Electoral District, in lieu of the Schoolhouse, Woodside.

Licensing the Hobson County Council to use and occupy a Part of the Foreshore of Kaipara Harbour.

ONSLOW, Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-fifth day of November, 1890.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, it may from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of the foreshore to be used or occupied, *inter alia*, for the erection and use of any landing-place or wharf: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is further provided that every such license shall be in writing, under the seal of the Board or body granting the same, and may be for any period not exceeding fourteen years from the date thereof, and may prescribe a sum of money to be payable either at stated periods or on or before the granting thereof for the use of the foreshore so granted, and may prescribe any other terms or conditions, general or particular, to be observed or performed by the person to whom the same is granted: And whereas by the said Act it is also enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas the Hobson County Council (hereinafter called "the

Council") has applied for a license under the said Act to occupy a part of the foreshore and the land below low-water mark immediately contiguous to such foreshore at Tikinui, Wairoa River, Kaipara Harbour, in order to erect and maintain thereon a wharf; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited plans in the office of the Marine Department, at Wellington (marked M.D. 1609 and 1609A), showing the manner in which it is proposed to construct such wharf, the place in the said harbour where it is intended to erect the same, and the area of foreshore or land below low-water mark intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council, without modification or addition: And whereas there is no Harbour Board having jurisdiction in the said harbour, and it is expedient that a license should be granted and issued to the Council under the said Act, for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the Council as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the Council to use and occupy that part of the foreshore and of the land below low-water mark immediately contiguous thereto which is particularly shown and delineated on the plan marked M.D. 1609A so deposited as aforesaid, for the purpose of constructing or erecting thereon a wharf, such license to be held and enjoyed by the Council upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark necessary for the erection of such wharf, which are shown on the plan marked M.D. 1609A.

2. That all Her Majesty's subjects shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the wharf, and of ingress and egress thereon.

3. That Her Majesty, or the Governor, and all officers in the Government service, acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the wharf without payment.

4. The Council shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit therefrom, and maintain at its own cost, suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

5. Any person authorised by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repairs thereof; and that upon such Minister leaving at or posting to the last known address of the Council a notice in writing of any defect or want of repair in such wharf, requiring it, within a reasonable time, to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

6. That nothing herein contained shall authorise the Council to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

7. That the ballast of all vessels loading at the said wharf shall be taken away by the Council and deposited above high-water mark, or at such place as may be approved of by the Minister, by the Harbourmaster for Kaipara, or by any person appointed by the Minister for that purpose.

8. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the Council shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

9. That the said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the Council six calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the Council.

10. The Council shall be liable for any injury which the

said wharf may cause any vessel or boat to sustain through any default or neglect on its part.

11. In case the Council shall—

(1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;

(2.) Cease to use or occupy the said wharf;

then and in either of the said cases this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the Council or other proceeding whatsoever, and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the Council, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined.

12. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

THE following Notices to Mariners, received from the Marine Board, Sydney, New South Wales, and the Marine Board, Hobart, Tasmania, are published for general information.

FRED. WHITAKER,

WHITE PILE LIGHT, PORT JACKSON.

ON and after the night of Monday, the 17th November, a fixed white light will be exhibited from the platform erected in 22ft. of water on the N.E. extremity of the shoal extending from Shark Island.

This light will be visible from the fairway of the harbour between Shark Point to the N.E. and Point Piper to the S.W., and will be so bright as to be easily distinguished from ordinary lights.

Vessels bound down the harbour are recommended to pass south of Fort Denison, and keep this light on the port bow until Bradley's Head bears abeam. A course can then be steered for passing through the eastern channel to sea.

Vessels bound up the harbour should give the light a good berth, and round Bradley's Head reasonably close.

By order. GEO. S. LINDEMAN, R.N.,

The tower is 42ft. in height from base to top of the lantern, and is painted white.

The light will be first order, dioptric group, flashing white light, visible all round the horizon as far as the land will allow, giving a quick double flash at intervals of thirty seconds.

The light will be elevated 350ft. above the mean sea-level, and, allowing 10ft. for the height of the eye, will be seen at a distance of twenty-five miles in clear weather, and at a lesser distance according to the state of the atmosphere.
