Letters Patent lapsed.

LETTERS PATENT lapsed through non-payment of renewal-fee, from the 1st April, 1891, to the 29th April, 1891:—

- 1678. C. Wageman, amalgamator.
- 1679. R. Cockerell, harrow.
- 1682. H. Johnson, titanite iron and silicate flux.
- 1687. H. Wheeler, nail.
- 1690. J. Hart, washing-machine.
- 1697. T. Gager, belt.
- 1698. W. R. Turner, churn.
- 1699. J. Hall, rivet for tyres.
- 1700. K. Teutenberg, capsular receptacle.
- 1704. W. S. Clarke, making concrete blocks.
- 1706. K. Teutenberg, choking-machine.

Letters Patent refused.

LETTERS PATENT refused on hearing of objections:—

- 4816. J. Anderson and A. Morrison, ventilator and ejector.
- 4844. I. A. Timmis, supporting bodies of railway vehicles.

COPIES of "The Patents, Designs, and Trade-marks Act, 1889," with Regulations thereunder, and printed forms of application and specification, can be obtained from the Patent Office, the Government Printer, Local Patent Offices, or Money-order Offices.

Local Patent Offices for the reception of applications for Letters Patent have been established at the following places: Auckland, Thames, New Plymouth, Wanganui, Gisborne, Napier, Blenheim, Westport, Greymouth, Hokitika, Christchurch, Ashburton, Timaru, Oamaru, Dunedin, Queenstown, Lawrence, and Invercargill. In every case the office is at the Courthouse.

Specifications of all Patents and Letters of Registration applied for in the colony can be inspected at the Patent Office, and particulars of Patents, &c., granted in England, the United States, Canada, and the Australian Colonies can be seen at the Patent Office Library at the Museum, Wellington.

The following publications of this office can be had from the Government Printer:—

1. Printed Specifications to the end of the year 1879.
2. Annual Lists of Letters Patent and Letters of Registration applied for, and Particulars of Applications, and Patents lapsed, from 1880 to 1888 inclusive.
3. Annual Report of the Registrar, containing list of Letters Patent applied for during 1889; particulars of applications and Patents lapsed from 1889 to 1890; nature of Letters Patent, &c., applied for during the year 1889, &c.

The Patent Office Supplement to the *New Zealand Gazette* is published fortnightly, and contains all notices required by law to be gazetted concerning Patents and Trade-marks. It also contains particulars of lapsed applications for Patents and of expired Letters Patent, and other information useful to inventors, manufacturers, and others. This Supplement is issued free to subscribers to the *Gazette*, and to others on payment of a special subscription of 10s. per annum, payable in advance to the Government Printer.

By Authority: G. DIDSBURY, Government Printer, Wellington.
