*Notice of Application to amend Specification.*

Patent Office,  
Wellington, 11th June, 1891.

**A** REQUEST to be allowed to amend the specification relating to the under-mentioned application has been received, and is open to public inspection. Any person may, at any time within one month from the date of this *Gazette*, give me notice in writing, in duplicate, of opposition to the amendment, stating in such notice the particular grounds of his objection. A fee of 10s. is payable with such notice:—

No. 2668.—DONALD DONALD, of Solway, Masterton, Wairarapa, New Zealand. An invention entitled "The Solway Eccentric Wool-press."

The desired amendment consists of filing drawings, and making the following additions and alterations in the written portion of the specification, chiefly by way of explanation of the drawings, and the applicant states as his reasons that he desires the amendment "in order that the specification should be more clearly understood:—"

1. By inserting the words "is constructed in the following manner," immediately after the word "press," in the 1st line.

2. By inserting the letter "A" immediately after the word "rod," in the 2nd line.

3. By inserting the letter "B" immediately after the word "lever," in the 4th line.

The Patent Office Supplement to the *New Zealand Gazette* is published fortnightly, and contains all notices required by law to be gazetted concerning Patents and Trade-marks. It also contains particulars of lapsed applications for Patents and of expired Letters Patent, and other information useful to inventors, manufacturers, and others. This Supplement is issued free to subscribers to the *Gazette*, and to others on payment of a special subscription of 10s. per annum, payable in advance to the Government Printer.

By Authority: G. DIDSBURY, Government Printer, Wellington.
