ORDER IN COUNCIL.

At the Government House, at Wellington, this eighth day of July, 1891.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), it is, among other things, enacted that, where the foreshore has been legally vested in any Harbour Board or other local governing body, it may, from time to time, subject to the provisions of the one hundred and fifty-sixth section of "The Harbours Act, 1878," license and permit any part of

the foreshore to be used or occupied, *inter alia*, for the erection and use of any landing-place or wharf: And whereas by the said Act it is also provided that every licensee shall, subject to the provisions of the said Act, have power to make and construct any necessary reclamation for the purpose of erecting on the foreshore comprised in his license, or upon any land below low-water mark immediately contiguous to such foreshore which shall be specified in such license, any building, structure, erection, or other works to enable him to obtain the full benefit of such license: And whereas by the said Act it is further provided that every such license shall be in writing, under the seal of the Board or body granting the same, and may be for any period not exceeding fourteen years from the date thereof, and may prescribe a sum of money to be payable either at stated periods or on or before the granting thereof for the use of the foreshore so granted, and may prescribe any other terms or conditions, general or particular, to be observed or performed by the person to whom the same is granted: And whereas by the said Act it is also enacted that, in any case where there is no Harbour Board, or no Harbour Board empowered to grant any such license as aforesaid, the Governor in Council may in his discretion grant and issue a license for all or any of the purposes hereinbefore mentioned, and all the provisions of the said Act in respect of such licenses shall, *mutatis mutandis*, apply accordingly: And whereas the Turanga Road Board (hereinafter called "the Board") has applied for a license under the said Act to occupy a part of the foreshore and the land below low-water mark immediately contiguous to such foreshore in Turanga Creek, in the County of Manukau, in order to erect and maintain thereon a wharf; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited plans in the office of the Marine Department, at Wellington (marked M.D. 1677), showing the manner in which it is proposed to construct such wharf, the place in the said creek where it is intended to erect the same, and the area of foreshore intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council, without modification or addition: And whereas there is no Harbour Board having jurisdiction in the said harbour, and it is expedient that a license should be granted and issued to the Board under the said Act, for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the Board as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the Board to use and occupy that part of the foreshore on which the wharf is to be erected, in accordance with the said plans marked M.D. 1677 so deposited as aforesaid, for the purpose of constructing or erecting thereon a wharf, such license to be held and enjoyed by the Board upon and subject to the following terms and conditions, that is to say,—

1. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore necessary for the erection of such wharf, in accordance with the plans marked M.D. 1677.
2. That all Her Majesty's subjects shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the wharf, and of ingress and egress thereon.
3. That Her Majesty, or the Governor, and all officers in the Government service, acting in the execution of their duty, shall at all times have free ingress, passage, and egress into, through, and out of the wharf without payment.
4. The Board shall maintain the above-mentioned wharf in good order and repair; and shall at all times exhibit therefrom, and maintain at its own cost, suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.
5. Any person authorised by the Minister may, at all reasonable times, enter upon the said wharf and view the state of repairs thereof; and upon such Minister leaving at or posting to the last known address of the Board a notice in writing of any defect or want of repair in such wharf, requiring it, within a reasonable time, to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.
6. That nothing herein contained shall authorise the Board to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or

with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

7. That the ballast of all vessels loading at the said wharf shall be taken away by the Board and deposited above high-water mark, or at such place as may be approved of by the Minister, or by any person appointed by the Minister for that purpose.

8. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the Board shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

9. That the said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the Board six calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the Board.

10. The Board shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on its part.

11. In case the Board shall—

(1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;

(2.) Cease to use or occupy the said wharf;

then and in either of the said cases this Order in Council, and every right, power, or privilege, may be revoked and determined by the Governor in Council without any notice to the Board or other proceeding whatsoever, and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the Board, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined.

12. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

ALEX. WILLIS,

Despatch.—Readmission to British Nationality.

Colonial Secretary's Office,
Wellington, 30th June, 1891.

THE following despatch, received from Her Majesty's Principal Secretary of State for the Colonies, is published for general information.

P. A. BUCKLEY.

(Circular.) Downing Street, 2nd April, 1891.

MY LORD,—My attention has recently been called to the fact that in some colonies no provision appears to exist for the registration of the oath of allegiance in a case of readmission to British naturalisation.

In all certificates issued in such cases in the United Kingdom the oath forms part of the document, a blank form of it being annexed to the certificate, which, when the oath has been taken and subscribed, is registered at the Home Office.

I enclose, for information, the form of certificate and oath used in this country, with a copy of the instructions to applicants in the United Kingdom for such certificates.

I would suggest that a similar practice should be followed in the colony under your Government.

I have, &c.,
KNUTSFORD.

The Officer Administering the Government
of New Zealand.

(D.)

NATURALISATION ACTS, 1870.—OATH OF ALLEGIANCE.

I, _____, do swear that I will be faithful and bear true allegiance to Her Majesty Queen Victoria, her heirs and successors, according to law. So help me God.

(Signed.)

Sworn and subscribed this _____ day of _____, before me.

(Signed.)

Justice of the Peace [or other official title].

(D.)

NATURALISATION ACTS, 1870.—INSTRUCTIONS TO APPLICANTS IN THE UNITED KINGDOM FOR CERTIFICATES OF RE-ADMISSION TO BRITISH NATIONALITY.

[These instructions apply only to certificates granted in the United Kingdom.]

1. ANY person desirous to obtain a certificate of readmission to British nationality must present to one of Her Majesty's Principal Secretaries of State a memorial praying for the grant of such certificate.

2. The memorial must state—

- (1) The name, address, age, profession, trade, or other occupation of the applicant, his place of birth, and the name and nationality of his parents;
- (2) Whether the applicant is married and has any children under age residing with him, and, if so, to state their names and ages;
- (3) That the applicant was a natural-born British subject by reason of having been born in British territory, or by reason of his or her father or grandfather, by the father's side, having been a British subject;
- (4) That the applicant became the subject or citizen of a foreign State. The name of the foreign State must be specified, and the mode in which the applicant became an alien. If the applicant became an alien by naturalisation, the date of such naturalisation must be mentioned; or, if the applicant be a widow who became an alien by marriage with her late husband, the date and place of such marriage, the name of her husband, and the foreign State of which he was a subject must be mentioned;
- (5) That, during the period of eight years immediately preceding the application, the applicant has for five years resided within the United Kingdom, namely:—

| | | | | |
|------|----|-----|------|------|
| From | to | at* | Yrs. | mos. |
| From | to | at | — | — |
| From | to | at | — | — |

5

[Or] That, during the period of eight years immediately preceding the application, the applicant has been in the service of the Crown (the post in which he has served being specified), namely:—

| | | | | |
|------|----|----|------|------|
| From | to | as | Yrs. | mos. |
| From | to | as | — | — |
| From | to | as | — | — |

5

(6) That he intends to reside in the United Kingdom or to serve under the Crown.

3. The applicant must verify the statements in his memorial by a general declaration made before a Magistrate or other person authorised to receive such declaration in pursuance of the Act passed in the fifth and sixth years of His late Majesty King William IV., chapter 62.

4. The statements in the memorial with respect to the several periods of residence in the United Kingdom making up the full statutory term must be verified specifically, as to both place and time, by a like declaration of some person, who, being a natural-born British subject, and not the agent or solicitor of the memorialist, is able to testify to the fact of such residence from personal knowledge, and not from information only. Should there be no one such person who has personal knowledge of the memorialist having resided the full statutory term, and should, in consequence, the declaration of two or more persons become necessary for the purpose, the declaration may be made either by each separately, or by the declarants jointly, each with respect to

* The exact address and, if in town, the name of street and number of house to be given.

the period as to which he has personal knowledge; and each such declarant must in his declaration state, as to himself, the place of his residence, the fact that he is a natural-born British subject and not the agent or solicitor of the memorialist, and that he makes the declaration not from information merely, but from personal knowledge, and he must specify the circumstances under which such knowledge was acquired.

5. In addition, the statements in the memorial must be further verified generally, and the respectability and loyalty of the applicant vouched for, by a declaration made in like manner by four householders who are natural-born British subjects, and neither of them the agent or solicitor of the memorialist. The declaration may be made by such declarants jointly or by each separately; but each of the declarants must in his declaration state, as to himself, the fact that he is a householder and a natural-born British subject, and not the agent or solicitor of the memorialist, the place of his residence, and the period during which he has personally known the applicant.

6. No declaration will be received which is not duly stamped with the impressed 2s. 6d. stamp of the Board of Inland Revenue.

7. The statements in the memorial and the declarations will be made the subject of independent inquiry directed by the Secretary of State.

8. The Secretary of State, if he thinks fit to grant a certificate to the applicant, will cause him to be furnished with a blank form of the certificate and oath of allegiance.

9. The applicant will then take and subscribe the oath of allegiance.

10. The oath of allegiance may be taken and subscribed—in England and Ireland, in the presence of any Justice of the Peace, or any Commissioner authorised to administer oaths in Chancery; in Scotland, in the presence of any Sheriff, Sheriff-Substitute, or Justice of the Peace.

11. The fee for the administration of the oath is 2s. 6d., payable as follows: In England or Ireland, if the oath is administered by a Justice of the Peace, to the Clerk of such Justice, otherwise to the officer administering the oath; in Scotland, if the oath is administered by a Sheriff or Sheriff-Substitute, to the Sheriff-Clerk or any of his deputies; if by a Justice of the Peace, to the Clerk of the Peace or any of his deputies.

12. The applicant will forward to the Home Office the blank certificate and the oath of allegiance which has been subscribed, together with a fee of £5.

13. The certificate will then be signed by the Secretary of State, and the certificate and oath of allegiance will be duly registered without further payment, and redelivered to the applicant.

Home Office, 24th June, 1880.

N.B.—Care should be taken that the memorial is made an exhibit to the declarations which accompany it, so as to connect together the memorial and declarations.
