#### Notice of Application to amend Specification.

Patent Office,  
Wellington, 12th November, 1891.

A REQUEST to be allowed to amend the specification relating to the under-mentioned application has been received, and is open to public inspection at this office. Any person may, at any time within one month from the date of this *Gazette*, give me notice in writing, in duplicate, of opposition to the amendment, stating in such notice the particular grounds of objection. A fee of 10s. is payable with such notice:—

No. 4541.—JOHN CAMERON FRASER, of Coromandel, Auckland, New Zealand, Saw-mill Proprietor. An invention entitled "Ore-grinding and Amalgamating Pan."

The proposed amendment consists in inserting the following words, viz.: "is of any length, and may even continue completely around the pan," between the words "iron" and "and" in line 19 of page 3 of the specification.

The reason given for seeking to make this amendment is "that not inserting the words was a defect in the original specification, and that no fresh claim is made."

C. J. A. HASELDEN,  
Registrar of Patents, Designs, and Trade-marks.
