This town is situated about fifteen miles from Pahiatua, eleven miles of which is a good formed dray-road, and four miles a horse-road only. The entire distance, however, will shortly be completed throughout for dray-traffic.

All the sections have been cleared. The soil is good, on a limestone formation, and the ground varies from level, or nearly so, to easy slopes. Some of the lower sections are known on special occasions to have been flooded in previous years.

CONDITIONS OF SETTLEMENT.

Term of lease, thirty years; renewable for further periods of twenty-one years.

Rents are payable half-yearly, on the first days of January and July in each year.

No rent need be paid for the first two years. The unpaid rent will, however, be added to the capital value, and rent then paid on such increased value, or the arrears of rent can be paid off at any time.

A fee of 10s. will be charged for registration of lease.

No lease shall be issued until after the payment of the first half-year's rent.

Settlers shall not subdivide or sublet their holdings; but, with the consent of the Commissioner of Crown Lands for the district, they may transfer them, provided that all the conditions of these regulations have been fulfilled to date of application to transfer, and the two years' arrears of rent paid in full.

Each settler or transferee will be required to occupy his selection as his home, and to make substantial improvements.

The erection of a dwelling-house must be completed within six months of the date of selection, and each settler must reside on his section within that time. In bush-lands this may be deferred until one month after the first burn, but no longer.

In bush-lands each settler must begin bush-felling immediately.

Those settlers who may desire an advance of £10 will obtain payment from the Steward, on his certificate that a dwelling-house of at least that value has been erected on the land.

Each settler shall within two years cultivate one acre, and within four years the half of the remainder, of his selection, and make substantial improvements.

Substantial improvements shall mean—

- (1.) Fencing the land with timber or other durable materials, not being a brush-fence; or
- (2.) Breaking up and laying down the same in English or other cultivated grass; or
- (3.) Breaking up and planting or sowing root or other crops therein; and, in case of bush-lands, the felling and clearing of timber and sowing of grass.

Any person who has an interest in any land of more than an acre in extent in the colony is not eligible to select.

No person can hold more than one section.

Married men will have preference as selectors.

No married women are eligible as selectors.

When more applications than one are made on the same day for the same land, the right to occupy the land applied for shall, subject to married men having the preference, be determined by lot amongst the applicants.

Any settler who shall fail to comply with these regulations in any respect shall, upon sufficient proof thereof to the satisfaction of the Commissioner, forfeit his interest in the land selected.

I, _____, of _____, in the _____ Land District and Colony of New Zealand, _____, do solemnly and sincerely declare—
