And whereas it is now deemed expedient to extend the system of the parcels post to the Colony of Queensland:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the powers and authorities conferred by the said Acts, and acting by and with the advice and consent of the Executive Council of the said colony, doth for the purposes of such extension hereby make the regulations set forth in the Schedule hereto, and doth declare that such regulations shall come into force on the ninth day of August, one thousand eight hundred and ninety-two, and shall be read and construed subject to the provisions of the said Acts.

SCHEDULE.

REGULATIONS.

INTERPRETATION.

1. "PARCEL" means any package or parcel which may be conveyed, or be intended to be conveyed, by means of the Post Office, under the Acts and Regulations from time to time in force relating to the Post Office; and either posted in New Zealand for transmission to any place in the Colony of Queensland, or posted at any place in the said colony for transmission to a place in New Zealand.

"RECEIVING" AND "DESPATCHING" POST-OFFICES.

2. The chief post-offices at Invercargill, Dunedin, Wellington, and Auckland, in New Zealand, shall, for the time being, be the receiving and despatching post-offices respectively, unless otherwise directed by the Postmaster-General. At the receiving post-offices the received parcels shall be examined for the purpose of assessing the Customs duty.

PREPAYMENT OF CUSTOMS AND OTHER DUTIES.

3. The Customs duty and other charges (if any) must be paid before a parcel shall be delivered.

LIMIT OF WEIGHT AND DIMENSIONS.

4. A parcel for transmission must not exceed 11lb. in weight, 3ft. 6in. in length, or 6ft. in length and girth combined.

WHERE RECEIVED AND DELIVERED.

5. Parcels of the maximum size and weight will only be received at, and delivered from, New Zealand post-offices at places accessible by railway, steamer, or mail-coach.

FURTHER LIMITATION TO CERTAIN PLACES.

6. From and to places in New Zealand not served by railway, steamer, or mail-coach (list published in Postal Guide) only parcels not exceeding 5lb. in weight, and not measuring more than 2ft. in length or 1ft. in breadth or depth, will be accepted.

CUSTOMS DECLARATION.

7. Parcels will be liable to the Customs laws, duties, and regulations of New Zealand and Queensland respectively. The sender of each parcel will be required to make a Customs declaration (on a form to be obtained at parcel post-offices), describing the contents and stating the value thereof, and also giving the name of the place to which the parcel is addressed and the sender's signature and residence. False declaration involves forfeiture of parcel, and renders sender liable to prosecution.

8. On a parcel containing gold, originating in New Zealand, the export duty must be paid before the parcel will be accepted by the Post Office. Such parcels can only be received at money-order offices. At places where there are no customhouses the duty is to be paid to the Postmaster, and at other places paid either at the customhouse or at the post-office.

CERTIFICATE OF POSTING.

14. On payment of a fee of 4d. the sender can at time of posting receive a certificate of posting. The certificate imposes no liability on the department, and is merely intended as evidence of posting.

NON-LIABILITY OF THE POSTMASTER-GENERAL.

15. Parcels are received and forwarded at the owner's risk, and the Postmaster-General is not liable for any loss of or damage to any parcel.

FORBIDDEN ARTICLES.

16. No parcel containing dangerous or offensive articles, perishable articles, articles likely to injure other parcels, liquids (unless securely packed in proper cases), or any contraband articles or substances, or articles the admission of which is not authorised by the Customs or other laws and regulations of the colonies to which such parcels may be addressed, will be accepted.

Parcels found to contain forbidden articles, and parcels the contents of which have been falsely declared, will be dealt with in accordance with the Customs and other laws and regulations. A parcel must not contain a letter, neither must it contain another parcel addressed to different persons at different addresses. If such a parcel be discovered the contents will be sent forward charged with postage at the rates applicable to such contents respectively. HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the one hundred and sixty-seventh section of "The Land Act, 1885," it is enacted that the Governor in Council may fix the terms and conditions upon which the lands comprised in any village settlement shall be disposed of, and the mode of payment for the same:

And whereas His Excellency the Governor of the Colony of New Zealand has, by Proclamation issued under the provisions of section one hundred and sixty-six of the said Act and the fourteenth section of "The Land Acts Amendment Act, 1888," set apart the lands enumerated in the Schedule hereto as a village settlement:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the powers and authorities conferred upon him by the hereinbefore in part recited Acts, and by and with the advice of the Executive Council thereof, doth, by this present order, fix the following as the terms and conditions upon which the village settlement enumerated in the First Schedule hereto shall be disposed of, and the mode of payment for the same, that is to say,—

7. The prices stated in the First Schedule hereto shall be the prices at which the lands shall be open for sale for cash, or for selection on deferred payment, or on perpetual lease.

8. If there should be more than one application for any allotment in the First Schedule the right to occupy the same shall be determined by auction amongst the applicants only.

9. Each applicant for a section for cash will be required to make a statutory declaration that he is applying for the land solely for his own use and benefit, and not for the use and benefit of any other person or persons whomsoever.

10. Each applicant for a deferred-payment section will be required to make the declaration prescribed in the Second Schedule hereto, and shall at the time of application deposit with the Receiver of Land Revenue for the land district one-tenth of the price of the allotment (such payment shall be deemed to be a discharge of the license-fee for the six months due on the next first day of January or July following the date of the license, as the case may be); and, upon fulfilment of the terms and conditions prescribed by the said Act relating to land on deferred payments, will be entitled to the Crown grant, to be issued in the usual way.

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS there being no Harbour Board empowered to grant the license hereinafter mentioned, "The Kauri Timber Company (Limited)" (being a duly-registered company under the provisions of "The Companies Act, 1882," and hereinafter called "the company"), has applied to the Governor in Council for a license under "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), to occupy a part of the foreshore in Hokianga Harbour, in order to erect and maintain thereon saw-mills; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited a plan in the office of the Marine Department, at Wellington (marked M.D. 1719), showing the necessary reclamation to be constructed in order to obtain the full benefit of the license hereby granted, the place where it is intended to erect and construct the same, and the area of foreshore intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed works will not be or tend to the injury of navigation; and the said plan has, prior to the making of this Order in Council, been approved by the Governor in Council, without modification or addition: And whereas it is expedient that a license should be granted and issued to the said company under the said Act for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and by and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the company as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the company to use and occupy that part of the foreshore which is particularly shown and delineated in yellow on the plan so deposited as aforesaid, for the purpose of constructing or making thereon the reclamation shown and delineated in yellow on the said plan, which said reclamation is to be used for the purpose of erecting saw-mills thereon, and which said license shall be held by the company upon and subject to the following terms and conditions, that is to say:—

2. In consideration of the concessions and privileges granted by this Order in Council the company shall, on being supplied with a copy thereof, pay to the Minister the sum of five pounds, and thereafter an annual sum of ten pounds, commencing from the first day of January, one thousand eight hundred and ninety-two, payable half-yearly on the first day of January and the first day of July in each year.

Any person authorised by the Minister may, at all reasonable times, enter upon the said reclamation and view the state of repairs and maintenance thereof; and upon such Minister leaving at or posting to the last known registered office of the company in New Zealand a notice in writing of any defect or want of repair or maintenance in such reclamation, requiring it, within a reasonable time, to be therein prescribed, to repair or maintain the same, it shall with all convenient speed cause such defect to be removed or such repairs or maintenance to be made.

6. Nothing herein contained shall authorise the company to do or cause to be done anything repugnant to or inconsistent with any law for the time being in force relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

10. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the company three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known registered office of the company in New Zealand.

11. The company shall be liable for any injury which the said reclamation may cause any vessel or boat to sustain through any default or neglect on its part.

12. In case the company shall at any time during the continuance of the license hereby granted—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said reclamation for a period of three calendar months;
- (3.) Do, commit, or suffer any act which would entitle any creditor or other person to take any proceedings to have the company wound up in accordance with any law for the time being in force relating to registered companies, or suffer or obtain an order of some Court of competent jurisdiction, or procure or allow to be passed a special or extraordinary resolution for the winding-up of the said company, or suffer a distress or execution to be respectively levied or sued out upon or against the property of the company in New Zealand; or
- (4.) Fail to pay the sums specified in clause 2 of these conditions;

then and in either of the said cases this Order in Council, and every license, right, power, or privilege thereby conferred, may be revoked and determined by the Governor in Council without any notice to the company or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

13. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

Te Makarini Scholarships, held at Te Aute College, Hawke's Bay.

THREE scholarships of the yearly value of £35, tenable for two years, are offered for competition. One of these scholarships, to be called the senior scholarship, is open to all Maoris under sixteen years of age at the end of the month preceding the date of the examination; the other two scholarships are junior scholarships, and are open to all Maoris under fifteen years of age at the end of the month preceding the date of the examination who have not been pupils at Te Aute or St. Stephen's, and whose attendance at school during the previous year is considered by the Inspector of Native Schools to have been satisfactory. The senior scholarship is offered for competition among Maori boys on the conditions laid down in the regulations of the Trustees of the Te Makarini Scholarships Fund, as printed in the Native Schools Code, 1886, and in the supplementary regulations that have been sent out to all teachers. Candidates for the junior scholarships will be examined in the subjects specified for Standard IV. in the Native Schools Code, 1886. The questions set will, however, be more difficult than those given at the standard examinations. The examination will be held at convenient centres on the 19th and 20th December, 1892.

Candidates must, either directly or through their teachers, send notice to the Inspector of Native Schools, Education Department, Wellington, of their intention to present themselves for examination. Such notice must be posted not later than the 31st October next.

Copies of the regulations and forms of notice may be obtained from teachers of Native schools and boarding institutions, the Secretaries to Education Boards, or the Secretary for Education.
