

SUPPLEMENT

TO THE

NEW ZEALAND GAZETTE

OF

THURSDAY, AUGUST 18, 1892.

Published by Authority.

WELLINGTON, THURSDAY, AUGUST 18, 1892.

Arrangements between the Colonies of Victoria and New Zealand relating to Patents and Trade-marks.

Patent Office,
Wellington, 18th August, 1892.

THE two following Orders in Council are published for general information.

C. J. A. HASELDEN,
Registrar of Patents, Designs, and Trade-marks.

PROVISIONS OF SECTION 106 OF "THE PATENTS, DESIGNS, AND TRADE-MARKS ACT, 1889," TO APPLY TO THE COLONY OF VICTORIA.

GLASGOW, Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this fifth day of July, 1892.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by the one hundred and seventh section of "The Patents, Designs, and Trade-marks Act, 1889" (hereinafter called "the said Act"), it is, among other things, enacted that where it is made to appear to the Governor in Council that the Legislature of any British possession, other than New Zealand, has made satisfactory provision for the protection of inventions, designs, and trade-marks, or any of them, patented or registered in New Zealand, the Governor may from time to time, by Order in Council, apply all or any of the provisions of the last-preceding section of the said Act relating to the protection of inventions, designs, and trade-marks protected or registered in England, with such variations or additions, if any, as to the Governor in Council may seem fit, to inventions, designs, and trade-marks, or any of them, patented or registered in such British possession; and by the said first-mentioned section it is also provided

that an Order in Council made under the said section shall, from a date to be mentioned for the purpose in the order, take effect as if its provisions had been contained in the said Act; but the Governor in Council may revoke any such Order in Council:

And whereas it has been made to appear to the Governor in Council that the Legislature of the Colony of Victoria has, under and by virtue of the provisions of "The Patents Act, 1890," made satisfactory provision for the protection of inventions for which protection has been applied for in New Zealand, and also has, under and by virtue of the provisions of "The Trade-marks Act, 1890," made like provision for the protection of trade-marks applied for or entitled to protection in New Zealand:

And whereas it is expedient that provision should be made, under the provisions of the hereinbefore-recited section of the said Act, for the application of the provisions of the one hundred and sixth section of such Act to inventions and trade-marks patented or registered in the Colony of Victoria, subject, however, as hereinafter mentioned:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the one hundred and seventh section of the said Act, and by and with the advice and consent of the Executive Council of the said colony, doth hereby order and declare that all the provisions of the one hundred and sixth section of "The Patents, Designs, and Trade-marks Act, 1889," relating to the protection of inventions and trade-marks patented or registered in England shall apply to inventions patented and trade-marks registered in the Colony of Victoria, subject, however, to this variation: that application shall be made in New Zealand in the case of a patent within six months, and in the case of a trade-mark within four months, from the date of application for protection in the Colony of Victoria.

And in further pursuance and exercise of the power and authority aforesaid, and with the like advice and consent at

aforsaid, it is ordered that this present Order in Council shall take effect from and after the first day of August next.

ALEX. WILLIS,
Clerk of the Executive Council.

CERTAIN PROVISIONS OF "THE PATENTS ACT, 1890," AND OF "THE TRADE-MARKS ACT, 1890," TO APPLY TO THE COLONY OF NEW ZEALAND.

At the Executive Council Chamber, Melbourne, the 18th day of July, 1892.

Present:

HIS EXCELLENCY THE GOVERNOR,
MR. SHIELDS, MR. MCLEAN, MR. O'UTTRIM, MR. TURNER,
MR. GAVAN DUFFY.

WHEREAS by the 54th section of "The Patents Act, 1890," it is, amongst other things, enacted that the Governor in Council may make any arrangement with the Government or Governments of any Australian Colony, or with the Government of the Colony of New Zealand, or of the Colony of Fiji, for the mutual protection of inventions, and that the provisions of the now reciting section shall apply only to such of the colonies aforesaid to which the Governor from time to time, by Order in Council, declares them to be applicable:

And whereas by the 31st section of "The Trade-marks Act, 1890," it is enacted, amongst other things, that if the Governor in Council is pleased to make any arrangement with the Government of any British possession for the mutual protection of trade-marks, and that the provisions of the now reciting section shall apply to such of the British possessions with respect to which the Governor from time to time, by Order in Council, declares them to be applicable:

And whereas the Governor in Council has made arrangements with the Government of the Colony of New Zealand for the mutual protection of patents and trade-marks:

Now, therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council, doth hereby order that all the provisions contained in section 54 of "The Patents Act, 1890," shall apply to inventions in respect of which application for protection has been made in the Colony of New Zealand, and that the provisions of section 31 of "The Trade-marks Act, 1890," shall apply to trade-marks in respect of which application has been made in the Colony of New Zealand, or which is entitled to protection in such colony.

And, in further pursuance and exercise of the power and authority aforesaid, and with the like advice and consent as aforesaid, it is ordered that this Order in Council shall take effect from and after the 1st day of August next.

And the Hon. William Shields, Her Majesty's Attorney-General for Victoria, shall give the necessary directions herein accordingly.

G. WILSON BROWN,
Clerk of the Executive Council.

Patents and Trade-marks at the Chicago Exhibition.

Patent Office,
Wellington, 16th August, 1892.

THE following is the text of an Act of the United States Congress, recently passed, to protect foreign exhibitors at the Chicago Exhibition from prosecution for infringing patent and trade-mark rights granted by the United States Patent Office, and is published for general information.

C. J. A. HASELDEN,
Registrar of Patents, Designs, and Trade-marks.

AN ACT to protect Foreign Exhibitors at the World's Columbian Exposition from Prosecution for exhibiting Wares protected by American Patents and Trade-marks.

BE IT ENACTED by the Senate and House of Representatives of the United States of America in Congress assembled, That no citizen of any other country shall be held liable for the infringement of any patent granted by the United States, or of any trade-mark or label registered in the United States, where the act complained of is or shall be performed in connection with the exhibition of any article or thing at the World's Columbian Exposition at Chicago.

Approved, 6th April, 1892.

Notice of Request to amend Specification.

Patent Office,
Wellington, 18th August, 1892.

A REQUEST to be allowed to amend the specification relating to the under-mentioned application for letters patent has been received, and is open to public inspection at this office. Any person may, at any time within one month from the date of this *Gazette*, give me notice, in writing, in duplicate, of opposition to the amendment, stating in such notice the particular grounds of his objection. A fee of 10s. is payable with such notice:—

No. 4920.—GEORGE GETTINGS, of Onelunga, Auckland, New Zealand, Engineer and Ironworker. An invention for an improved heating and annealing furnace by the use of atmospheric gas, with an improved bottom or bed for sheet-furnace, and for combining both operations in one furnace; to be termed "An Atmospheric-gas Combination Heating and Close-annealing Furnace."

The nature of the proposed amendments is as follows, viz:—

1. By striking out all the words in the title, where it occurs, from and including the words "by use of atmospheric gas" to the end.

2. By striking out the words "under door-plate of heating-chamber front," in lines 39 and 40.

3. By striking out the words, &c., "across the mouth of heating-chamber C C, down the flue D, under flue-bridge E, through aperture I in the wall of flue F, Figs. I. and II., up side of heating-chamber," in lines 62 to 66, and inserting,

in place thereof, the words "along the top and down the sides of the Chamber C."

4. By striking out all the words in brackets in lines 69, 70, and 71.

5. By striking out the first two claims, and substituting the following therefor, viz:—

(a.) The general arrangement and construction of the several flues and dampers, and the manner of adopting the same to the operations of sheet-heating or annealing, substantially as described herein and illustrated in the accompanying drawing.

(b.) In a close-annealing and sheet-heating furnace such as described herein the removable flue E and cinder-bed plate G, as and for the purposes substantially as described and illustrated in the accompanying drawing.

The applicant states that "the reasons for the amendment are, of course, the same as before, as this fresh application is in consequence of a clerical error caused by leaving out the matter intended to be inserted."

C. J. A. HASELDEN,
Registrar of Patents, Designs, and Trade-marks.

NOTE.—The above takes the place of "Notice to amend Specification" No. 4320, published in the Supplement to the *New Zealand Gazette* No. 60, of 21st ultimo, page 1097.

Notice of Request to amend Specification.

Patent Office,
Wellington, 18th August, 1892.

A REQUEST to be allowed to amend the specification relating to the under-mentioned application for letters patent has been received, and is open to public inspection at this office. Any person may, at any time within one month from the date of this *Gazette*, give me notice in writing, in duplicate, of opposition to the amendment, stating in such notice the particular grounds of his objection. A fee of 10s. is payable with such notice:—

No. 5634.—ROBERT LATTA, of Catlin's River, Otago, New Zealand, Butcher. An invention for stuffing riding-saddles, to be called "Latta's Air-stuffing for Riding-saddles."

The nature of the proposed amendments is as follows, viz:—

1. By inserting the words "or more" between the words "two" and "air," in lines 13 and 14, and between the words "one" and "on," in line 16.

2. By inserting the words "or part substitution" immediately after the word "substitution," in line 19.

3. By inserting the words "or any part" immediately after the word "seat," in line 22.

4. By inserting the words "or other suitable means may be adopted for this object" immediately after the word "escaping," in line 38.

5. By striking out the word "two," in line 3 of the claim.

6. By adding the words "or other suitable means for the same object," at the end of the claim.

The applicant states as his reasons for the amendments, "I do not require any enlargement, but only more security from piracy."
