Small Grazing-runs to be sold by Auction.

District Land and Survey Office,
Christchurch, 1st November, 1892.

NOTICE is hereby given that leases of the under-mentioned small grazing-runs will be open for application, at this office, on Wednesday, the 14th December, 1892, at the annual rental noted opposite each run:—

Section.	Survey District.	Block.	Area.	Rental per Acre.	Annual Rental.
ASHBURTON COUNTY.					
36413	Alford and Spaxton	IV., I.	1043	0 9	39 2 3
36414	Alford	IV.	945	0 9	35 8 9
36415	Alford and Spaxton	IV., I.	64	0 6	1 12 0
36416	" "	"	208	0 6	5 4 0

These sections are subdivisions of the original Run No. 101 and adjacent Crown lands, situated at Alford Forest, about six miles from Springburn Railway-station, and about ten miles from Methven, and consist of mountainous and high hilly country. The spurs are in places narrow, rocky, and broken, and the gullies deep, with steep faces; in others the ridges and spurs are broad, with easy well-grassed faces. Runs Nos. 36413 and 36414 comprise open grass land, and about 300 acres each of mixed bush of birch, broadleaf, and scrub; the soil is principally of a clayey nature, but there are patches of black soil of a superior quality, carrying grass freely. The two smaller Runs Nos. 36415 and 36416 consist mainly of steep faces covered with birch and scrub. The area in these runs is well watered, and the general elevation varies from 1,500ft. to 3,800ft. on Mount Alford. The upper parts are subject to heavy falls of snow in winter-seasons. By position and character these runs are well adapted for pastoral purposes.

36420 | Alford [V., IX.] 1520 | 1 0 | 76 0 0

This run is situated on the southern side of the south branch of the Ashburton River, about seven miles above Mount Somers Railway-station, and was formerly part of Anama Run. It comprises hilly and flat open land of good average quality, stony in parts, carrying native grasses freely, with English grass and clover in places. There is a considerable area of ploughable land, and the block is well watered. The general elevation is from 1,200ft. to 2,000ft. above sea-level. The run is accessible from Mount Somers by a good road to a point across the river, and is well adapted, by quality, situation, and climate, for pastoral purposes.

36421 | Alford and Tripp.. [V., IX., XII.] 610 | 1 0 | 30 10 0

This run is situated west of Run No. 36420, and adjacent to Mount Possession Homestead, and is similar to the preceding run, save that it is much rougher. There is, however, a flat in the north-west corner across the stream, near the homestead.

WAIMATE COUNTY.

Run 63 | Mackenzie and Dalziel | [III., XV., XVI.] 2331 | 0 7 | 67 19 9

This run is situated in the Upper Hakateramea Valley, near the pass into the Mackenzie County, and comprises open hill land, nearly all of which is capable of being ploughed, though the soil is apparently of a cold and somewhat sour character. The vegetation consists of tussock, other native grasses, and snow-grass. The block is well watered by numerous streams, and the general elevation is from 2400ft. to 3340ft. above sea-level. The distance from Sandhurst is about thirty miles, the last mile and a half of road being unformed.

CONDITIONS OF LEASE.

1. The term of lease is twenty-one years, with the right of renewal for a further period of twenty-one years, at a rent based on 2½ per cent. of the then value of the fee-simple, the improvements being secured to lessee. Each lessee is required to make the declaration as per form below.
 2. No person can lease more than one run.
 3. Residence on the run is compulsory, commencing within twelve months from commencement of lease. The Land Board may, however, relax residence-conditions in certain cases.
 4. Permanent improvements must be effected equal to one year's rental by the end of the first year, two years' rental by the end of the second year, and four years' rental at the end of the sixth year.
 5. One-half year's rent and £1 1s. for the lease to be paid on the fall of the hammer; the rent to be paid half-yearly in advance on the 1st March and the 1st September. The first payment will cover rent payable on the 1st March next.
 6. The lessee has no right to purchase any part of the land; but he can select 150 acres around the homestead, through which no road can be taken or other public privilege exercised without compensation.
- NOTE.—One-fourth of the rent paid during the first fifteen years is returned to the local body, to be spent in improving the access to the land.

Notice of Rehearing.—Mangaohane Block.

Native Land Court Office,
Wellington, 1st November, 1892.

IN the matter of a decision of the Native Land Court made on the 10th day of March, 1885, upon the investigation of the title to the Native land known as Mangaohane, and of the application of Ema Retimana and others for a rehearing of such investigation, made within three months after the said decision:

Whereas upon inquiry in open Court before Hugh Garden Seth-Smith, Esquire, Chief Judge of the Native Land Court, it was ordered, on the 4th day of April, 1892, that a rehearing be had on the application of Ema Retimana and others, as amended on the application of Rena Maikuku, for the purpose of determining whether Rena Maikuku and any other persons who may allege that they are interested therein under the same ancestral and occupational claims as are put forward by the said Rena Maikuku ought to be declared entitled according to Native custom (in addition to the persons who have already been declared to be so entitled) to a share or interest in that part of the said Mangaohane Block named Mangaohane or Mangaohane No. 2, that is to say, that part of the land originally called Mangaohane which is bounded on or towards the north by the parts of the said block which has been named by the Court Mangaohane No. 1, and on or towards the south by the line which was laid down by the Court on the 10th day of March, 1885, as the southern boundary of the portion then adjudicated upon: And whereas the conditions upon which the rehearing was ordered as aforesaid have been complied with:

Now notice is hereby given that a sitting of the Native Land Court will be held at Hastings, on the 1st day of December, 1892, to rehear and determine in respect of the several matters before mentioned.

THREE scholarships of the yearly value of £35, tenable for two years, are offered for competition. One of these scholarships, to be called the senior scholarship, is open to all Maoris under sixteen years of age at the end of the month preceding the date of the examination; the other two scholarships are junior scholarships, and are open to all Maoris under fifteen years of age at the end of the month preceding the date of the examination who have not been pupils at Te Aute or St. Stephen's, and whose attendance at school during the previous year is considered by the Inspector of Native Schools to have been satisfactory. The senior scholarship is offered for competition among Maori boys on the conditions laid down in the regulations of the Trustees of the Te Makarini Scholarships Fund, as printed in the Native Schools Code, 1886, and in the supplementary regulations that have been sent out to all teachers. Candidates for the junior scholarships will be examined in the subjects specified for Standard IV, in the Native Schools Code, 1886. The questions set will, however, be more difficult than those given at the standard examinations. The examination will be held at convenient centres on the 19th and 20th December, 1892.

Candidates must, either directly or through their teachers, send notice to the Inspector of Native Schools, Education Department, Wellington, of their intention to present themselves for examination. Such notice must be posted not later than the 31st October next.

Copies of the regulations and forms of notice may be obtained from teachers of Native schools and boarding institutions, the Secretaries to Education Boards, or the Secretary for Education.

OTHER BUSINESS.

Whereas by a Crown grant dated the first day of November, one thousand eight hundred and seventy-six, the piece or parcel of land known as Kaipo, Section eighty, Waitotara Block (hereinafter called "the said land"), was granted to Rio and Piripi, aboriginal natives: And whereas it is alleged that the said grant was made in pursuance of an arrangement in that behalf, and with the intention that the said Rio and Piripi should hold the said land as trustees for the benefit of themselves and other members of the Ngarauru Tribe, but no reference to such alleged trust was made in the said grant: And whereas the said Rio and Piripi are now dead, and successors to their estate and interest in the said land have been appointed, namely, Haata Rio, Matatiria Rio, and Tupuhi Rio as successors to the estate and interest of the said Rio, and Piripi te Rangirunga, Kirimangu, and Te Amo te Kehu as successors to the estate and interest of the said Piripi: And whereas it is expedient that the other persons, if any, who are or ought to be beneficially entitled to the said lands under and by virtue of the said alleged trust should be ascertained, and provision made for more effectually securing to them the benefit of the said alleged trust: And whereas by an Act of the General Assembly of New Zealand in Parliament assembled, entitled "The Kaipo Reserve Act, 1892 (No. 2)," it was enacted that the Native Land Court should have jurisdiction to inquire and determine, and by its order declare, whether any, and, if any, what, persons, being members of the said Ngarauru Tribe, are entitled to an interest in the said land under and by virtue of the said alleged trust, and in what relative proportions:

Now notice is hereby given that a sitting of the Native Land Court will be held at Waitotara, on the 11th November, 1892, or as soon thereafter as the business of the Court will allow, to make inquiry in terms of the aforesaid Act.
