GLASGOW, Governor.

## ORDER IN COUNCIL.

At the Government Buildings, at Wellington, this twentieth day of October, 1892.

Present:

THE HONOURABLE SIR P. A. BUCKLEY PRESIDING IN COUNCIL.

WHEREAS by section sixty-six of "The Coal-mines Act, 1891" (hereinafter termed "the said Act"), it is provided, *inter alia*, that the Governor may from time to time, by Order in Council, make, alter, and revoke regulations for regulating the management and administration of the funds and moneys mentioned or referred to in section sixty-nine of the said Act: And whereas it appears expedient to revoke the regulations made by Order in Council of the twenty-first day of December, one thousand eight hundred and ninety-one, and in lieu thereof to make the regulations hereinafter set forth:

Now, therefore, His Excellency the Right Honourable David, Earl of Glasgow, the Governor of the Colony of

New Zealand, in exercise of the powers conferred by the said Act, and acting by and with the advice and consent of the Executive Council of the said colony, doth hereby revoke the regulations made on the twenty-first day of December, one thousand eight hundred and ninety-one, aforesaid, and in lieu thereof doth hereby make the regulations set forth in the Schedule hereto; and doth hereby further declare that such regulations shall come into force on the day of the publication thereof in the *New Zealand Gazette*.

SCHEDULE  
REGULATIONS.

1. IN these regulations, when not inconsistent with the context,—

“The said Act” means “The Coal-mines Act, 1891:”

“Mining association” means any mining association which is registered under “The Friendly Societies Act, 1892.”

2. No withdrawal of money from the account mentioned in the said Act as “the Sick and Accident Fund,” at any Post Office Savings-bank, shall be permitted until the mining association of the district shall have nominated at least two persons as trustees of the said fund, and shall have given to the Chief Postmaster of the district and to the Minister of Mines written notice of such nomination, and of the acceptance of such trusteeship by the persons so nominated.

3. When any change takes place in the office of trustee, either by death, resignation, removal, or otherwise, similar notices shall at once be given by the association.

4. Whenever any sum of money is withdrawn by the trustees from the Sick and Accident Fund (hereinafter referred to as “the said account”), the trustees shall give to the Inspector of Mines residing nearest to the Post Office Savings-bank where the said account is kept full particulars of the sum or sums so withdrawn.

5. All moneys withdrawn from the said account shall be paid and applied to one or other of the objects hereinafter set forth, namely:—

(a.) When any workman has been off work through an accident for one week or more, he shall receive the sum of 10s. per week, or at the rate of 1s. 8d. for every working-day after the expiration of the first week from the date of the accident; such payments to be made on the certificate of a medical officer, and shall continue so long as such medical officer shall certify that such workman is unable to work, or, in case any workman is permanently disabled, he may be granted a fixed sum, not exceeding £50, in satisfaction of all claims.

(b.) If any workman meets with an accident which proves fatal, the nearest relative of such workman may be granted a sum not exceeding £10 towards defraying the funeral expenses of the deceased workman; and an additional sum, not exceeding £15, may be granted to the widow or other near relative of such deceased workman in full satisfaction of all claims.

(c.) Any workman who meets with an accident which disables him from work shall send, or cause to be sent, within three days of such accident occurring, a notice, in writing, to the Inspector of Mines; and all applications for relief must be made within ten days from the date of the accident, or the claim cannot be entertained.

(d.) No workman shall be entitled to relief from the Sick and Accident Fund for any accident caused by drinking intoxicating liquors, fighting, or any kind of athletic sports or game of amusement, or for any accident caused by the misconduct of such workman.

6. The sums mentioned in the preceding clause shall only be paid on condition that an equal amount is contributed by the Miners' Association from their private fund. In case, however, a fixed amount is granted under clause 5 of these regulations to any workman who is permanently disabled, in full satisfaction of all claims, a sum not exceeding £50 may be paid out of the Sick and Accident Fund without the Mining Association being liable to contribute a moiety.

7. For each quarterly period ending 31st March, 30th June, 30th September, and 31st December in each year, returns shall be furnished by the trustees to the Minister of Mines, showing the several amounts paid into the said account, and the particulars of all withdrawals and disbursements therefrom during such quarter.

Every such return shall be so forwarded within ten days after the expiration of the quarterly period to which it relates, and shall be verified by the statutory declaration of the president or other the chief officer of the association.

8. The trustees shall keep proper books of account showing the various items of receipts and expenditure in relation to the said account, and such books shall at all reasonable times be open to the inspection of any Inspector of Mines, who may take such extracts therefrom as he may require.

9. No sum exceeding £20 in amount shall be withdrawn from the said account without the written authority of an Inspector of Mines.

10. If in any case the trustees or either of them shall fully commit a breach of any of these regulations, or shall mispend or misappropriate any of the moneys standing to the credit of, or withdrawn from, the said account, then it shall be lawful for the Minister of Mines, on proof of the fact, by notice to the Chief Postmaster of the district, to prohibit any further dealing with such account by the said trustees or either of them, and to remove the offending trustee or trustees from office; and any moneys so misappropriated may be recovered in the name of the Minister of Mines as a debt due to Her Majesty the Queen.

In case of removal of the trustees or either of them from office as last aforesaid, the Minister shall, by writing, forthwith request the miners' association of the district to appoint other persons or person to fill the vacancy, and, if such association shall neglect so to do for the space of fourteen days after service of such written request, then the Minister of Mines may appoint a trustee or trustees to fill such vacancy; and such trustee or trustees, when so appointed, shall have and may exercise all the powers of the original trustee or trustees with respect to the said account.

11. In any district where there is no mining association the Minister of Mines and Public Trustee shall apply the moneys deposited to the credit of the Coal-mines Relief Fund, on receipt of a certificate from a duly-qualified medical officer, and also on the certificate from an Inspector of Mines, for any of the objects hereinafter set forth, namely:—

(a.) When any workman has been off work through an accident for one week or more, he shall receive the sum of 10s. per week, or at the rate of 1s. 8d. after the expiration of the first week for every working-day from the date of the accident; and shall continue so long as such medical officer and Inspector of Mines shall certify that such workman is unable to work, or, in cases where any workmen is permanently disabled, he may be granted a fixed sum, not exceeding £50, in satisfaction of all claims.

(b.) If any workman meets with an accident which proves fatal, the nearest relative of such workman may be granted a sum not exceeding £10 towards defraying the funeral expenses of the deceased workman; and an additional sum not exceeding £15 may be granted to the widow or other near relative of such deceased workman, in full satisfaction of all claims.

(c.) Any workman who meets with an accident which disables him from work shall send, or cause to be sent, within seven days of such accident occurring, a notice in writing, to the Inspector of Mines; and all applications for relief must be made within ten days from the date of the accident, or the claim cannot be entertained.

(d.) No workman shall be entitled to relief from the Coal-miners' Relief Fund for any accident caused by drinking intoxicating liquors, fighting, or any kind of athletic sports or game of amusement, or for any accident caused by the misconduct of such workman.

**N**OTICE is hereby given that a bonus of £1 per ton will be paid on the production of the first 500 tons of pig-iron of marketable quality manufactured in the colony after this date from magnetic or titaniferous ironsand or iron-ore, all material, fuel, and fluxes being the produce of New Zealand, on the following conditions, that is to say:—

1. The bonus must be claimed before the 31st March, 1893.

2. The bonus will be payable in instalments of £50 as each lot of 50 tons of iron is manufactured, on the certificate of an officer appointed by the Minister of Mines that the iron is of good marketable quality.

3. In the event of more than one person manufacturing the required quality of pig-iron before the date named, inquiry will be made by the officer above referred to, when, if it is found that each applicant is equally entitled to a bonus, the amount will be divided; but in no case shall the total amount of money paid by way of bonus exceed £500.

4. The iron in respect of which any bonus is claimed and the ironsand or ore from which it is manufactured will be examined by the officer aforesaid, who may require proof that not only the ore, but that the lime, coal, and any other material used in the manufacture, is of genuine New Zealand production, and that sales of pig-iron have been made at fair market prices.

36415	Alford and Spaxton	IV., I.	64	0 6	1 12 0
36416	"	"	208	0 6	5 4 0

These sections are subdivisions of the original Run No. 101 and adjacent Crown lands, situated at Alford Forest, about six miles from Springburn Railway-station, and about ten miles from Methven, and consist of mountainous and high hilly country. The spurs are in places narrow, rocky, and broken, and the gullies deep, with steep faces; in others the ridges and spurs are broad, with easy well-grassed faces. Runs Nos. 36413 and 36414 comprise open grass land, and about 300 acres each of mixed bush of birch, broadleaf, and scrub; the soil is principally of a clayey nature, but there are patches of black soil of a superior quality, carrying grass freely. The two smaller Runs Nos. 36415 and 36416 consist mainly of steep faces covered with birch and scrub. The area in these runs is well watered, and the general elevation varies from 1,500ft. to 3,800ft. on Mount Alford. The upper parts are subject to heavy falls of snow in winter-seasons, By position and character these runs are well adapted for pastoral purposes.

36420 | Alford .. | [V., IX.] 1520 | 1 0 | 76 0 0

This run is situated on the southern side of the south branch of the Ashburton River, about seven miles above Mount Somers Railway-station, and was formerly part of Anama Run. It comprises hilly and flat open land of good average quality, stony in parts, carrying native grasses freely, with English grass and clover in places. There is a considerable area of ploughable land, and the block is well watered. The general elevation is from 1,200ft. to 2000ft. above sea-level. The run is accessible from Mount Somers by a good road to a point across the river, and is well adapted, by quality, situation, and climate, for pastoral purposes.

36421 | Alford and Tripp.. | [V., IX., XII.] 610 | 1 0 | 30 10 0

This run is situated west of Run No. 36420, and adjacent to Mount Possession Homestead, and is similar to the preceding run, save that it is much rougher. There is, however, a flat in the north-west corner across the stream, near the homestead.

**WAIMATE COUNTY.**

Run 68 | Mackenzie and Dalziel | [III., XV., XVI.] 2331 | 0 7 | 67 19 9

This run is situated in the Upper Hakateramea Valley, near the pass into the Mackenzie County, and comprises open hill land, nearly all of which is capable of being ploughed, though the soil is apparently of a cold and somewhat sour character. The vegetation consists of tussock, other native grasses, and snow-grass. The block is well watered by numerous streams, and the general elevation is from 2400ft. to 3340ft. above sea-level. The distance from Sandhurst is about thirty miles, the last mile and a half of road being unformed.

**CONDITIONS OF LEASE.**

1. The term of lease is twenty-one years, with the right of renewal for a further period of twenty-one years, at a rent based on 2½ per cent. of the then value of the fee-simple, the improvements being secured to lessee. Each lessee is required to make the declaration as per form below.
2. No person can lease more than one run.
3. Residence on the run is compulsory, commencing within twelve months from commencement of lease. The Land Board may, however, relax residence-conditions in certain cases.
4. Permanent improvements must be effected equal to one year's rental by the end of the first year, two years' rental by the end of the second year, and four years' rental at the end of the sixth year.
5. One-half year's rent and £1 ls. for the lease to be paid on the fall of the hammer; the rent to be paid half-yearly in advance on the 1st March and the 1st September. The first payment will cover rent payable on the 1st March next.

through which no road can be taken or other public privilege exercised without compensation.

NOTE.—One-fourth of the rent paid during the first fifteen years is returned to the local body, to be spent in improving the access to the land.

One of these scholarships, to be called the senior scholarship, is open to all Maoris under sixteen years of age at the end of the month preceding the date of the examination; the other two scholarships are junior scholarships, and are open to all Maoris under fifteen years of age at the end of the month preceding the date of the examination who have not been pupils at Te Aute or St. Stephen's, and whose attendance at school during the previous year is considered by the Inspector of Native Schools to have been satisfactory.
