The sections are fairly well watered by springs and streams. The elevation of the country ranges from 1,900ft. to about 4,300ft. above sea-level, and it is subject to heavy falls of snow, which lie on the higher lands during the winter. The access is by the main road connecting Burke's Pass with Albury, the distances therefrom to the nearest points on the sections being respectively about four miles and fourteen miles. The Duck Stream and other branch roads are unformed. The sections, except for the drawback of being subject to falls of snow, are by quality of soil and situation well adapted for pastoral pursuits. These sections are disposed of subject to the right of the Crown to amend boundaries and areas, and to take all necessary roads.

CONDITIONS OF LEASE.

1. The term of lease is twenty-one years, with the option of renewal for a further period of twenty-one years, at a rent to be fixed by valuation, and improvements being secured to lessee as provided by "The Land Act, 1892," section 182. Each lessee is required to make the declaration as per form printed below.

2. No person can lease more than one run.

6. The lessee has no right to purchase any part of the land; but he can select 150 acres around the homestead through which no road can be taken or other public privilege exercised without compensation.

NOTE.—One-fourth of the rent paid during the first fifteen years is returned to the local body, to be spent in improving the access to the land.
