*Notice to Mariners, No. 4 of 1895.*

**SHIFTING BEACONS, BULLER RIVER, WESTPORT.**

Marine Department,  
Wellington, N.Z., 28th January, 1895.

THE Westport Harbour Board have notified their intention to shift the beacon gradually during the construction of the inner training-wall on the south-west side of the Buller River, below the lagoon. The river beacons, prior to moving, stood in line S.E.  $\frac{1}{2}$  S. and N.W.  $\frac{1}{2}$  N. magnetic. The front beacon, which now stands on a railway wagon for the sake of portability, has been moved to the north-eastward, changing the bearing of the river beacons to N.W.  $\frac{1}{4}$  W. magnetic, inward; and it is intended to continue this gradual moving of the river beacons until the wall has proceeded a certain distance. Shipmasters working the port will therefore be guided simply by the beacons as formerly, irrespective, however, of any compass-bearings being given. When the wall has been constructed as far as it is intended at present to carry it, the beacons will be set, and their respective compass-bearings given. A further Notice to Mariners on the subject will then be published.

W. P. REEVES,

For Minister of Marine.

The Village of Marshall is situated at Curl's Clearing, in the Otamakapua Block, about thirty-two miles from Feilding and eight miles from the projected Marton-Te Awamutu Railway; the road has been partly formed to within two miles of the village. The area comprises flat and undulating open land of fair quality, well watered by the Kiwitea; ample provision has been made for reserves for public purposes, including school, recreation, public buildings, and cemetery. The elevation of the land is about 1,300ft. above the sea-level. The climate is favourable for agricultural and pastoral pursuits. As the position is central to a large area of country, the sections are suitable for occupation by a working-man or small settler.

West Waitapu Ditto

\* Weighted with £5 10s. for improvements.

The Village of West Waitapu is situated at the junction of Williamson's and Waituna Roads. The sections are nearly all level, a small portion of the area of each being undulating. The soil is good throughout, on different formation, consisting of gravel, sandstone, and clay. The timber consists of tawa, rimu, rata, kotukutuku, karamea, &c., with the usual undergrowth. The village as a whole is fairly well watered by streams running through it. The access is by a formed road, *via* Waituna and Sinclair's Roads, from Feilding, and is distant therefrom about fifteen miles and a half.

Welford

The Village of Welford is situated at the junction of the Tapuae and Paroranga Roads, in the West Waitapu Block, and consists of level and hilly country. The soil is generally good. Portions of all the sections have been cleared. The timber consists of rata, hinau, maire, tawa, rimu, &c., and the usual undergrowth. The access is from Feilding, *via* Makino, Sinclair, and Mackay's Roads, and Waitapu Village, the distance from Feilding being about eighteen miles.

Poukiore

The Village of Poukiore is situated in the Porewa Valley, about five miles and a half from Hunterville, on the Muri-motu Road, the land being either level or easy sloping ground, whilst the soil is good to first class. The bush is of the usual mixed character—tawa, rata, hinau, rimu, &c.

The provisions of section 141, and all other provisions of the said Act in respect of compulsory residence, shall, subject to clause No. 9, apply accordingly to lessees under these regulations.

11. No lessee shall subdivide, sublet, or transfer the land held by him under these regulations, except under and subject to the provisions of Part I. of the said Act.

Mangaweka, formerly known as Three-log Whare, is situated on the Main North Island Inland Road and railway-line, the latter being opened as far as Mangaonoho, distant about twelve miles.

The township itself is situated at the junction of the road now under construction to Pemberton and the special settlements to the eastward, and will eventually be the main outlet to a very large area on the eastern side of the Rangitikei River.

The land is level (with the exception of that near the railway-line), of good quality, and the whole has originally been heavily timbered. Clearings, buildings, and other improvements have, however, been made in both the town and suburbs, and the sections affected are weighted with the values of these. That portion of the township which yet remains to be felled is now being done at the expense of the Government.

The sections being offered form a part only of the township, which it is intended to offer later on. It is situated on the main inland road from Hunterville, near the Hautapu River crossing, in the Awarua Block, and will probably form an important centre when the large areas of Crown and Native lands in the Awarua Block become settled upon. The proposed North Island Railway has been surveyed through the township.

TERMS OF SALE.

One-fifth of the purchase-money, together with the amount with which the section is weighted for improvements (if any), to be paid at the close of the auction, and the balance, together with £1 Crown-grant fee, within thirty days, or the deposit will be forfeited. There are no restrictions or limitations imposed upon purchasers of these sections.

Application to the Validation Court under "The Native Land (Validation of Titles) Act, 1893."

IN THE VALIDATION COURT,  
HOLDEN AT GISBORNE.

In the matter of "The Native Land (Validation of Titles) Act, 1893"; and in the matter of the Nukutaurua Block, and also of the Moutere No. 1 Block.

GEORGE CANNING ORMOND, of Mahia, in the Provincial District of Hawke's Bay and Colony of New Zealand, sheep-farmer, applies under the above-mentioned Act for the validation of the interests hereinafter mentioned in those parcels or blocks of land situated at Te Mahia, in the Provincial District of Hawke's Bay, called or known respectively by the names of the Nukutaurua Block and the Moutere No. 1 Block.

B. The applicant desires to have himself found entitled to relief in respect of the said Nukutaurua Block and the said Moutere No. 1 Block, which are already the subject of an application by the Hon. James Carroll and Wiremu Pere, and desires to appear before the Validation Court on Monday, the 18th day of February, 1895, at the hour of 10.30 o'clock in the forenoon, or at the first sitting of the Court thereafter.

C. The nature of the several transactions proposed for validation are as follows:—

In the matter of the Nukutaurua Block,—

The consideration agreed upon between the said parties was £70, and such further sum as should be found payable by virtue of a certain deed of covenant, bearing date the 23rd day of February, 1889, and made between the said George Canning Ormond of the one part and the said Ihakara Waipakiaka of the other part, whereby the said George Canning Ormond covenanted (*inter alia*) for payment to the said Ihakara Waipakiaka of £1 for every acre over and above 70 acres allotted in respect of the said interest on partition.

- (2.) Deed of conveyance, bearing date the 11th day of March, 1889, and made between Heta Kanu of the one part and the said George Canning Ormond

of the other part. The consideration agreed upon between the said parties was the sum of £40, and such further sum as should be found payable by virtue of a certain deed of covenant, bearing date the said 11th day of March, 1889, and made between the said George Canning Ormond of the one part and the said Heta Kanu of the other part, whereby the said George Canning Ormond covenanted (*inter alia*) for payment to the said Heta Kanu of £1 for every acre over and above 70 acres allotted in respect of the said interest on partition.

In the matter of the Moutere No. 1 Block,—

Deed of conveyance, bearing date the 2nd day of April, 1889, and made between the said Heta Kanu of the one part and the said George Canning Ormond of the other part. The consideration agreed upon between the said parties was £25, and such further sum as should be found payable by virtue of a certain deed of covenant, bearing date the said 2nd day of April, 1889, and made between the said George Canning Ormond of the one part and the said Heta Kanu of the other part, whereby the said George Canning Ormond covenanted (*inter alia*) for payment to the said Heta Kanu of £1 for every acre over and above 70 acres allotted in respect of the said interest on partition.

d. The lands which were intended to be alienated are the interests and shares of the Natives before mentioned in the two blocks of land before mentioned. The areas of the said blocks, and the titles thereto of the respective alienors at the time of the said alienations, were as follows:—

Nukutaurua Block, 3,452 acres. Title, grant from the Crown, bearing date the 4th day of March, 1868.

Moutere No. 1 Block, 389 acres. Title, grant from the Crown, bearing date the 9th day of February, 1871.

e. The estates or interests in the said blocks which the applicant seeks to obtain by the aid of the Court are estates or interests of freehold.

f. The manner in which the applicant came to be invested with the titles he now holds to the lands before mentioned is, in regard to each block, as follows:—

(1.) Proclamation by His Excellency the Governor, dated the 24th day of December, 1886, purporting to remove from the said Nukutaurua Block and the said Moutere No. 1 Block the restrictions against alienation.

(2.) The deeds of conveyance above specified.

g. The address for service of the applicant in the Town of Gisborne, where notices and other documents may be served upon him, by leaving the same at such place for him, is at the office of William Douglas Lysnar, Esq., solicitor, situated in Gisborne.

h. The applicant desires the estates and interests of the two Native persons mentioned in paragraph c of this application, and all persons claiming through them, bound by the decree of the Court, and for that purpose requires that copies of this application should be served on them. The names of the persons upon whom the applicant requires that copies of this application should be served are, the said Heta Kanu and Maraea Kiwi, residing at Whangawehi; Mahia, who appears to be entitled to represent the said Ihakara Waipakiaka (he being now deceased); and the Hon.
