GLASGOW, Governor.

WHEREAS by section one hundred and thirteen of "The Public Works Act, 1894" (hereinafter termed "the said Act"), it is, *inter alia*, enacted that, in any case where the local authority of any district desires to construct a bridge in any position that will, in its opinion, be of advantage and benefit to the whole or any considerable portion of the inhabitants of an adjacent district, as well as to the inhabitants of its own district, and where it is, in the opinion

of such local authority, reasonable that the local authority of such adjacent district should contribute to the cost of constructing or establishing the said bridge, the following provisions in the said section mentioned shall have effect:

And whereas the County Council of Pohangina has made application to the Governor to authorise the construction of the bridge mentioned in the Schedule hereto (hereinafter referred to as "the said bridge"), and to apportion the cost of constructing the said bridge between the said Council and the Kiwitea County Council:

And whereas the said County Councils have agreed that the erection of a bridge over the Oroua River at the Oroua Valley Road is necessary to both districts, and the plans and estimated cost of the said work have likewise been agreed upon, and the relative proportions of cost determined, and no objection made thereto by the Kiwitea County Council:

And whereas the Governor is of opinion that the work should be done:

Now, therefore, I, David, Earl of Glasgow, Governor of the Colony of New Zealand, in pursuance and in exercise of the power and authority vested in me by the said Act, do hereby authorise the County Council of Pohangina to construct the said work; and I do hereby declare that the cost of constructing the said work—namely, one thousand nine hundred and eighty-seven pounds sixteen shillings, less a sum of five hundred pounds contributed by the Government towards the construction of the said work—shall be borne in the following proportions: namely, nine hundred and ninety-one pounds seventeen shillings and fourpence shall be borne by the County Council of Pohangina, and four hundred and ninety-five pounds eighteen shillings and eightpence shall be borne by the County Council of Kiwitea, and such proportion shall be paid by the said local authorities accordingly.

This settlement is situated on part of the Rosebrook Estate, about four miles and a quarter inland from Timaru, and comprises open, flat, and undulating down lands of good quality, the soil being black, resting on a clay subsoil. The area is intersected by valleys. The watercourses are not permanent, but dams have been constructed in places, and facilities are available for the construction of others. There are rocky and steep faces here and there, but, on the whole, not much waste land.

Lots 1, 2, 3, 6, 7, 10, 11, 12, 13, 14, and 15 are nearly all in English grass; Lots 4, 5, and 9 are nearly all in turnips; Lot 8 is in stubble. There are small areas overgrown with gorse, especially on Lots 4, 7, 13, and 14. The plantations on Lots 9 and 10 are included in the areas of those lots, but the trees and shrubs therein may only be cut and removed with the written permission of the Commissioner of Crown Lands. The boundary and numerous subdivisional fences shown upon the sale-plan consist principally of gorse.

The settlement is approached from Timaru on the north and south sides by the Wai-iti and Claremont district roads. The general elevation of the country is about 400ft. above sea-level. The climate is salubrious and healthy, which, combined with the quality of the land and contiguity to the railway and port at Timaru, renders the lots splendidly adapted for occupation by small farmers, gardeners, and other small settlers.

As witness the hand of His Excellency the Governor, this second day of May, one thousand eight hundred and ninety-five.

This settlement is situated on the Bluecliffs Road, about three-quarters of a mile inland from the St. Andrew's Railway-station, and comprises open flat land about 40ft. above sea-level. The soil is generally good and of fair depth, but there are lighter patches of stony land running through the block. Lots 1, 2, 3, 6, and 7 are nearly all in English grass; Lots 4, 5, 8, and 9 are in stubble, the two latter being also sown down with grass. There are small patches of gorse on Lots 8 and 9; Lots 6, 7, 8, and 9 comprise some rougher and poorer land next the Otaio River, Lot 6 being liable in part to flood. All the lots can easily be served by a water-race which runs through the centre of the block.

There is a good three-roomed wooden cottage, roofed with iron, on Lot 8, which must be insured for the sum of £80 in the name of the Queen by the lessee. The gorse boundary and wire subdivision fences, as shown on plan, are in good order.

The access is by the before-mentioned main road, and by the occupation roads, as shown on plan. The general good quality of the land and situation render these lots splendidly adapted for occupation by small farmers, gardeners, and other small settlers.

ORDER IN COUNCIL.—EXTRADITION TREATY WITH GERMANY.

Osborne House, Isle of Wight, 2nd February, 1895.

At the Court at Osborne House, Isle of Wight, the 2nd day of February, 1895.

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY,
LORD PRESIDENT, MARQUESS OF RIPON, LORD CHAMBERLAIN,
LORD KENSINGTON, MR. CECIL RHODES.

WHEREAS by the Extradition Acts, 1870 and 1873, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient; and that, if, by any law made after the passing of the Act of 1870 by the Legislature of any British possession, provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may, by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order, suspend the operation within any such British possession of the said Acts, or of any part thereof, so far as it relates to such foreign State, and so long as such law continues in force there and no longer:

And whereas by an Act of the Parliament of Canada passed in 1886, and entitled "An Act respecting the Extradition of Fugitive Criminals," provision is made for carrying into effect within the Dominion the surrender of fugitive criminals:

And whereas by an Order of Her Majesty the Queen in Council, dated the seventeenth day of November, one thousand eight hundred and eighty-eight, it was directed that the operation of the Extradition Acts, 1870 and 1873, should be suspended within the Dominion of Canada so long as the provision of the said Act of the Parliament of Canada of 1886 should continue in force, and no longer:

And whereas a treaty was concluded on the fifth day of May, one thousand eight hundred and ninety-four, between Her Majesty and His Majesty the German Emperor, King of Prussia, for the mutual extradition of fugitive criminals between the territories of Her Majesty and certain dependencies of Germany, which treaty is in the terms following:—

"Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Majesty the German Emperor, King of Prussia, considering it advisable to regulate by a treaty the extradition of criminals between certain dependencies of Germany and the territories of Her Britannic Majesty, have appointed as their plenipotentiaries for this purpose:

"Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, the Right Honourable John, Earl of Kimberley, Knight of the Most Noble Order of the Garter, &c., &c., Her Britannic Majesty's Secretary of State for Foreign Affairs; and

"His Majesty the German Emperor, King of Prussia, His Minister of State, Paul, Count von Hatzfeldt-Wildenburg, Knight of the Exalted Order of the Black Eagle, &c., &c., Ambassador Extraordinary and Plenipotentiary of His Imperial and Royal Majesty to Her Britannic Majesty;

"Who, after having communicated to each other their respective full powers, which were found to be in good and due form, have agreed to and concluded the following articles:—

Article I.

"The provisions of the extradition treaty signed between Germany and Great Britain on the 14th May, 1872, shall be applicable to the dependencies of Germany specified in the following article, in such manner that persons in any of these dependencies, and within the sphere of the authorities established there, who are accused or who have been convicted of having committed a criminal act in the territories of Her Britannic Majesty, and persons in any of the aforesaid territories of Her Britannic Majesty who are accused or who have been convicted of having committed a criminal act in

any of the dependencies of Germany, shall be mutually extradited in accordance with the provisions of the aforesaid treaty, in so far as they are not modified by the present treaty.

Article II.

"For the purposes of the present treaty, the following are the dependencies of Germany referred to in Article I.: The territories in Africa, in New Guinea, and in the Pacific Ocean which, by agreement between Germany and Great Britain, have been, or shall in future be, reserved to Germany as spheres of influence, protectorates, or possessions.

Article III.

"In place of Article III. of the extradition treaty of the 14th May, 1872, it is hereby provided, with regard to the dependencies of Germany, that there shall be no obligation to grant the extradition from those dependencies of natives or of subjects of the Empire, and that the British authorities shall be under no obligation to grant the extradition of British subjects who have been accused or convicted of a criminal act in those dependencies.

Article IV.

"There shall be no obligation to grant extradition from the dependencies of Germany in cases where, before the extradition has taken place, such an application has been received for the transfer of the person in question to the territory of the German Empire as must, according to law, be complied with. The granting of extradition from a dependency of Germany must always be considered as being on the condition that no such application shall have been received before the extradition is carried out. In case the transfer to Germany takes place, it shall, however, be open to the British Government to apply for the extradition of the person concerned from Germany, in accordance with the terms of the treaty of the 14th May, 1872.

Article V.

"Applications for extradition from dependencies of Germany shall be made through the British Ambassador at Berlin, in accordance with paragraph 1 of Article VIII. of the treaty of the 14th May, 1872; but in the case of persons who are accused or who have been convicted of criminal acts in the colonies or foreign possessions of Her Britannic Majesty, the application for extradition may be made to the chief authority of the dependency of Germany from which the extradition of the persons in question is desired by the chief consular officer of Her Britannic Majesty in the dependency in question, if there be a consular officer therein, or, if there be none, then by the Governor or other chief authority of the colony or foreign possession of Her Britannic Majesty concerned. It shall, however, be open to the chief authority of the dependency of Germany to refer to the German Government in case of doubt whether the application for extradition should be complied with.

"Applications for the extradition of criminals to one of the dependencies of Germany shall be made in the manner provided in Article VIII., paragraph 1, and Article XV. of the treaty of the 14th May, 1872; in case, however, there should be no German consular officer in the colony or foreign possession of Her Britannic Majesty from which the extradition is desired, the application may be made by the Governor or other chief authority of the dependency of Germany which is concerned to the Governor or other chief authority of the colony or possession concerned.

Article VI.

"The present treaty shall be ratified and the ratifications shall be exchanged as soon as possible.

"The treaty shall come into operation two months after the exchange of the ratifications, and shall remain in force as long as the treaty of the 14th May, 1872, remains in force—that is, it shall terminate with the termination of that treaty.

"In witness whereof the respective plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

"Done at London, the fifth day of May, in the year of our Lord one thousand eight hundred and ninety-four.

(L.S.) "KIMBERLEY."
(L.S.) "P. HATZFELDT."

And whereas the ratifications of the said treaty were exchanged at London on the third day of December, one thousand eight hundred and ninety-four:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to her by the said recited Acts, doth order, and it is hereby ordered, that from and after the third day of February, one thousand eight hundred and ninety-five, the said Acts shall apply in the case of the said treaty with His Majesty the German Emperor, King of Prussia, and of the dependencies of Germany referred to therein.

Provided always, and it is hereby further ordered, that the operation of the said Extradition Acts, 1870 and 1873, shall

be suspended within the Dominion of Canada so far as relates to the said dependencies of Germany and to the said treaty, and so long as the provisions of the Canadian Act aforesaid of 1886 continue in force, and no longer.

And whereas the immediate operation of this Order is urgent, this Order shall come into operation on the said third day of February, one thousand eight hundred and ninety-five.

C. L. PEEL.

Application to the Validation Court under "The Native Land (Validation of Titles) Act, 1893."

IN THE VALIDATION COURT,
HOLDEN AT GISBORNE.

In the matter of "The Native Land (Validation of Titles) Act, 1893"; and in the matter of the Rahokapua Block, Cook County.

A. JAMES EAST, of Gisborne, merchant, as trustee in the bankruptcy of Sydney Josias Bromley, of Gisborne, a debtor, applies for the validation of his interests in the above block, containing 691 acres or thereby, situate in the Native Land District of Gisborne.

B. The applicant desires to appear before the Court on Monday, the 10th day of June, 1895, at 10 o'clock in the forenoon, or at the first sitting of the Court thereafter.

C. The nature of the transaction proposed for validation is: A purchase by, and deed of conveyance from five of the six Native owners thereof to, one Peter Cooper, of Poverty Bay, settler—viz., from Eru Pohatu, Wi Kaipuke, Rawinia Apatu, Mere Pohatu, and Karauria te Pei—for a consideration of £58 paid to them, and which conveyance is dated the 10th day of February, 1892. The transaction was inquired into, and the deed certified by the Trust Commissioner of the district, on the 1st day of November, 1886.

D. The interests acquired and intended to be alienated by the said conveyance are estates or interests of the five Native owners above named; and the title of the said alienors was a certificate of title, dated the 8th day of May, 1882, from the Native Land Court to them and one Kaita Pongarau, a non-seller, to the said Rahokapua Block.

E. The applicant seeks to obtain the shares or interests of the said five sellers to Peter Cooper in freehold title, but not the share or interest of the non-seller (Kaita Pongarau), whose share was subdivided out and allocated to her by the Native Land Court on the 27th day of February, 1889, as Rahokapua No. 2, estimated to contain 114 acres.

F. The estate and interest of Peter Cooper in the said land and conveyance was acquired under a conveyance, dated the 27th day of May, 1886, from the Sheriff of Poverty Bay District to the applicant, as the purchaser at a sale by the Sheriff under writ of sale in action No. 232 (Northern Judicial District, Gisborne Office), by the applicant, as trustee aforesaid, against the said Peter Cooper.

G. The address for service of the applicant, as trustee aforesaid, is at the office of William Sievwright, of Gladstone Road, Gisborne, solicitor.

H. The applicant desires that the said five persons who signed the deed of conveyance to Peter Cooper, and also Kaita Pongarau, shall be served with copies of the application, in order that they may appear and object if they see proper; further, that Edward Patrick Joyce, of Gisborne, land agent, shall be served in like manner, in respect that he claims to be entitled to the said Peter Cooper's interests under the conveyance of the 10th day of February, 1882, which is in his possession, but which he declines to deliver up to the applicant. The applicant is not aware of any other Maori or European who may properly claim to be an objector, but he wishes all persons interested, if any, although unknown to him, to be treated as parties to the proceedings herein.

Dated this 27th day of March, 1895.

JAMES EAST,
(By his Agent, W. SIEWWRIGHT,
Solicitor, Gisborne).

Signed by the applicant James East, by his agent, in the presence of—Lincoln Rees, Solicitor, Gisborne.
To the Registrar of the Validation Court,
Gisborne.
