MY LORD,—I have the honour to forward for your Excellency's information copies of a Queen's Regulation, which I have issued by direction of the Secretary of State, to restrain the sale and use of firearms in Samoa.

This Regulation is supplementary to Articles 52, 53, and 54 of the Pacific Order in Council, 1893.

I have, &c.,  
H. S. BERKELEY.

His Excellency  
The Right Hon. the Earl of Glasgow, G.C.M.G., &c.,  
Governor of New Zealand, Wellington.

No. 1 of 1895.

VICTORIA, by the grace of God, of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith, Empress of India.

QUEEN'S Regulation (made in the name and on behalf of Her Majesty by Her Majesty's Assistant High Commissioner for the Western Pacific, under the Provisions of the Pacific Order in Council, 1893) to restrain the Sale and Use of Arms and Ammunition in Samoa.

[L.S.] H. S. BERKELEY.

1. THIS regulation shall apply only to the Samoa Islands. The word "Court" means and includes the Court of Her Britannic Majesty's High Commissioner for the Western Pacific. The word "arms" means and includes arms, ammunition, explosives, and implements and materials for the manufacture of the same. The word "President" means and includes the President of the Municipal Council of Apia, or any person acting under his special and written authority.
2. Any British subject directly or indirectly supplying, or aiding, inciting, or abetting any other person to supply, any arms to a Samoan subject or other Pacific-Islander resident in Samoa, shall be deemed guilty of an offence against this regulation.
3. Every British subject owning or having in his possession or charge any arms shall furnish to the President, on his written request, or to the Court, if so directed by the Court, statements showing the quantities of the arms which he shall have on hand or in stock, and shall give such further explanation as the President or the Court may require. A failure to comply with the requirements of this section shall be an offence against this regulation.
4. The Court may, for any reason it may think fit, issue a warrant authorising any person named therein to search for arms on board any British vessel or boat, or on any land, or in any store, warehouse, dwelling-house, or other building occupied by a British subject. In making such order the Court may impose any condition or conditions it may think fit for the proper execution of the order, and may authorise the person named in the warrant to appoint a substitute to act for him. The Commanding Officer of any of Her Majesty's ships shall have the same powers as the Court in issuing warrants to search for arms, provided that such warrants shall in each case be executed by officers or men under the command of such Commanding Officer. Any British subject resisting a search for arms as herein provided shall be deemed guilty of an offence against this regulation.
5. Any British subject owning or having in his possession or charge any arms shall be under an obligation to satisfy the Court, if required, that he came by such arms lawfully. A failure to satisfy the Court of this shall be deemed a breach of this regulation, and all such arms shall be forfeited to the Government of Samoa, together with any ship, boat, cask, case, or other receptacle wholly or partly belonging to the offender, and containing such goods.
6. Any British subject who shall be proved to have had any arms in his possession or charge, or at his disposal, shall be under an obligation to satisfy the Court, if required, that such arms are still in his possession or charge, or at his disposal, or have been lawfully disposed of. A failure to satisfy the Court of this shall be deemed a breach of this regulation.
7. Any British subject guilty of a breach of this regulation shall, upon conviction, be liable to imprisonment not exceeding six months, or to a fine not exceeding one hundred pounds, or to both punishments.
8. This regulation shall come into force one month from the date of publication in the public office of the High Commissioner.

In the matter of "The Native Land (Validation of Titles) Act, 1893"; and in the matter of the Maraetaha No. 2 Block.

A. WE, James Carroll and Wiremu Pere, both of Gisborne, members of the House of Representatives of New Zealand, apply under the above-named Act for the validation of a contract made between the whole of the Native owners of the Maraetaha No. 2 Block (which said block of land is situated in the Native Land Court District of Gisborne, and contains 23,705 acres, more or less) and the New Zealand Native Land Settlement Company (Limited).

b. We desire to appear before the Validation Court on Wednesday, the 28th day of August, 1895, at the hour of 10 o'clock in the forenoon, or so soon thereafter as counsel can be heard in that behalf.

c. The nature of the transaction proposed for validation is a contract made on or about the 17th day of May, 1882, between the whole of the owners of the Maraetaha No. 2 Block and the New Zealand Native Land Settlement Company (Limited) for the transfer to the said company by the whole of the owners of the said land of the said block of land in trust for the Native owners thereof, in accordance with the articles of association of the said company. The

said company on its part carried out the said contract, and expended large sums of money in paying for the surveys of the said land and on account of other matters in connection with the said land.

d. The land which was intended to be alienated by the above-mentioned contract was the block of land, called Maraetaha No. 2, above described, the original title to which is a certificate of title under "The Native Land Court Act, 1880," bearing date the 16th day of May, 1882.

e. The manner in which and the persons through whom the applicants came to be invested with the title to the said land which they now hold is as follows:—

(1.) Contract as above set out between the Native owners of the said Maraetaha No. 2 Block and the New Zealand Native Land Settlement Company (Limited).

(2.) Memorandum of mortgage, dated the 3rd day of July, 1888, by the said New Zealand Native Land Settlement Company (Limited) to the Bank of New Zealand.

(3.) Memorandum of transfer, dated the 5th day of August, 1890, by the said Bank of New Zealand to the Bank of New Zealand Estates Company (Limited).

(4.) Memorandum of transfer, dated the 10th day of July, 1891, by the Registrar of the Supreme Court of New Zealand at Gisborne to the said Bank of New Zealand Estates Company (Limited).

(5.) Memorandum of agreement, dated the 17th day of February, 1892, between the said Bank of New Zealand Estates Company (Limited) of the first part, William Lee Rees, of Gisborne, solicitor, of the second part, and the said applicants of the third part.

f. The estate in the said land which the said applicants seek to obtain is an estate in fee-simple.

g. The address for service of the applicants in the Town of Gisborne is at the office of Messrs. Rees and Day, solicitors, in Gladstone Road.

h. The applicants desire the estates and interests of the whole of the Native owners of the said land, and the estates and interests of all the several parties mentioned in paragraph f of this application, through whom the said applicants claim, bound by the decrees of this Court, and for that purpose require that copies of this application be served on them or their representatives, according to the list herewith; and the applicants desire that all others who may claim to be interested in this matter shall be treated as parties to these proceedings.

\* Lot 104: This section is not yet surveyed, and the area is given approximately. It may be a little more or less.

As soon as possible after the acceptance of tenders for the leases, tenders will be called for felling the bush 1 chain wide and clearing a track in the centre 12ft. wide for a length of about 110 chains on the Ngariki Road to give access to all the sections fronting this road, and for felling the bush 1 chain wide and clearing a track in the centre 12ft. wide for a length of about 378 chains on the Arawhata Road to its junction with the Wiremu Road, and for felling the bush 1 chain wide on the Arawhata Road to Section 25, Ngatitara Block, about 180 chains; and also for felling the bush 1 chain wide and clearing a track 12ft. wide in the centre for a length of about 396 chains on the Opua Road to its junction with the Wiremu Road.

NOTE.—A length of about 270 chains on the Kina Road, which gives access to a number of the sections in the above list, has recently been felled 1 chain wide and a track cleared 12ft. wide in the centre.

The term of years for which the lease will be granted will in each case be twenty-one years, computed from the date when the person tendering is declared the lessee.

Such lease is perpetually renewable every twenty-one years, as provided by the above Act.

The rent is payable by equal half-yearly instalments in advance.

Tenders must be enclosed in a sealed envelope, addressed to the Public Trustee, Wellington, and marked on the outside as follows: "West Coast Settlement Reserves. Tender for lease of Lot No. , as advertised in the newspaper on the day of , 1895."

Envelopes for such purpose and printed forms of tender and declaration can be obtained of the Postmasters at Opunake, Manana, Normanby, Waitotara, Waverley, Stratford, Waitara, Okato, Oakura, Punihū, the agents of the Public Trustee at Hawera, Palmerston North, Wanganui, Napier, and Patea; the office of W. Rennell, Esq., Reserves Agent, New Plymouth; or at the office of the Public Trustee, Wellington.

If any person desires to tender for more than one lot, a separate tender for each lot must be made, and separate declarations, as required by section 50 of the Schedule to the said Act, furnished.

Every tender must be accompanied by six months' rent at the rate tendered, the sum of £3 3s. to pay for the lease and registration thereof, and the amount of stamp duty payable on the lease and counterpart. Marked cheques will be received (which must include bank exchange), or post-office orders.

Successful tenderers will be notified in writing by the Public Trustee of the acceptance of their tenders, and must, within thirty days after notice by registered letter shall have been posted in the General Post Office, Wellington, addressed to the tenderer at the address given in the tender, execute leases in triplicate.

All rates and taxes due in respect of the above lands accruing after the 30th September, 1895, must be paid by the lessee.

Every tender, where the rental tendered is less than the upset rental fixed as aforesaid, will be informal and incapable of being accepted, and no tender will be accepted unless the same is closed up and accompanied by the statutory declaration as provided by section 50 of the above Act, together with such six months' rent and £3 3s. as above mentioned.

The highest tenderer, if his tender equals or exceeds the upset rental, will be declared the lessee, and he is entitled to possession so soon as he has executed the lease thereof in triplicate, and has complied with all other conditions lawfully prescribed in that behalf.

If the rent tendered by two or more persons is of the same amount, and is higher than that offered by other tenderers, the Public Trustee will, after opening all the tenders, decide by lot, in such manner as he thinks fit, which of such persons shall be declared the lessee.

The deposits and fees paid by the unsuccessful tenderers will be returned to them upon application.

If any person declared a lessee fails to execute his lease within thirty days after being required by notice so to do, then his deposit and the above-mentioned sum of £3 3s. will be absolutely forfeited to the Public Trustee, and the right of such person to obtain such lease will absolutely cease and determine.

The lease and the provisions thereof to be executed by the successful tenderer and the Public Trustee are set out in the above-mentioned regulations but the Public Trustee reserves the right to make any modifications therein as he thinks fit.

Persons proposing to tender are referred to the above-mentioned Act and regulations, which are to be deemed part of this notice.

If from any cause whatever the Public Trustee is unable to grant a lease of any of the lands above referred to, the successful tenderer shall have no claim for damages or compensation.

The area of each lot is believed to be correctly described in the foregoing list, but if the area is less than that specified in such list the successful tenderer shall be bound to take a lease of such lesser area without any allowance of compensation.

If the area of any lot is larger than that set out in the said list the Public Trustee reserves the right, by notice in writing to the successful tenderer, to annul the contract, but without payment of any compensation or damages whatever.

This notice is to be deemed part of any contract for the grant of a lease of any of the above-mentioned lands to any successful tenderer.

J. K. WARBURTON,  
Public Trustee.

\* The remaining suburbs do not lie within borough boundaries, and particulars respecting them have not been obtained for the Vital Statistics.

Deaths occurring at hospitals have been omitted, except where deceased had resided before admission in one or other of the above boroughs, in which case the death is counted against the borough of residence.

The total births in the above boroughs amounted to 320, against 365 in May, a decrease of 45. The deaths in June were 153, a decrease of 13 on the number in May. Of the total deaths, males contributed 86, females 67. Forty of the deaths were of children under 5 years of age, being 26.14 per cent. of the whole number; 31 of these were under 1 year of age. There were 23 deaths of persons of 65 years and upwards: Six men of 72, 76, 79, 80, 84, and 85, and four women of 71, 75, 77, and 83, died at Auckland; three men of 66, 79, and 80, and two women of 75 and 78, at Wellington; one woman of 84 at Christchurch; five men of 65, 72 (two), 74, and 75, and two women of 66 and 71, at Dunedin.

THE following Table shows the Causes of the Deaths of Persons of both Sexes under 5 Years of Age and 5 Years and upwards, and the Proportions per Cent. of Deaths from each Cause, in the Boroughs above given registered during the Month of June, 1895.

In the first table are given the deaths and death-rates for each of the four cities, for the suburban boroughs severally, and for each city with its suburban towns. As regards Auckland and Christchurch, the whole of the area usually recognised as suburban has not yet been brought under municipal government, and the vital statistics do not deal with such portions as still remain in road districts. But the omission is not very important, for there are in either case quite enough suburbs included within borough boundaries to give a fair idea of the death-rate of Greater Auckland and Greater Christchurch. As further boroughs are formed the vital statistics will be made to include them.

By including the suburban boroughs the death-rate for last month is lowered at Auckland, Wellington, and Dunedin, but raised at Christchurch. The rates for June are,—

	Death-rate per 1,000 of Population.
Auckland City .. .. .	1.05
" and five suburban boroughs .. .. .	0.96
Wellington City .. .. .	1.08
" and three suburban boroughs .. .. .	1.03
Christchurch City .. .. .	0.57
" and four suburban boroughs .. .. .	0.62
Dunedin City .. .. .	1.35
" and eight suburban boroughs .. .. .	0.94

Including suburbs, the rate at Wellington is the highest and that of Christchurch the lowest.

*Specific Febrile and Zymotic Diseases.*—The deaths in June at the four chief towns and suburbs numbered 18: 6 at Auckland, 5 at Wellington, 4 at Christchurch, and 3 at Dunedin. Influenza was the most fatal disease in this class, accounting for 3 deaths at Auckland, 1 at Wellington, 2 at Christchurch, and 1 at Dunedin. Diphtheria caused 5 deaths: 3 at Auckland, 1 at Wellington, and 1 at Christchurch. There was only 1 death from typhoid fever (at Christchurch), and 1 from diarrhoea (at Dunedin). Syphilis contributed 2 deaths, erysipelas and puerperal peritonitis, 1 each.

*Constitutional Diseases.*—The deaths fell from 42 in May to 33 in June. Of these, 23 were attributed to tubercular diseases (phthisis 18), and 8 to cancer. Diabetes caused 2 deaths.

*Local Diseases.*—Of 73 deaths at the four centres, 15 were from diseases of the nervous system (apoplexy 5, paralysis 4); 13 from diseases of the circulatory system (all diseases of the heart); 24 from diseases of the respiratory system (bronchitis, pneumonia, &c.); 13 from diseases of the digestive system; 5 from diseases of the urinary system (all Bright's disease); and 3 from diseases of the reproductive system.

*Violence.*—There were 8 deaths by accident in June. A letter-carrier was killed by tumbling down a recess at a post-office; a driver by falling from his tram-car; a butcher, a girl of 11, and a boy of 3 years were accidentally burnt; a mariner lost his life from renal lead-poisoning; an infant was suffocated by bedclothes; and a farmer, 76 years old, died from shock after being knocked down by a dray. The suicides were two, both cases of temporary insanity: A woman drowned herself in a well, and a night-porter hanged himself.

The subjoined table shows the mortality for the last two months at each of the four centres from six principal specific febrile or zymotic diseases, and also the deaths from certain inflammatory diseases of the lungs. These causes of death have been distinguished from the others of the classes to which they belong as being the most important special diseases which give rise to sudden increases in the death-rates of towns, and the prevalence of which is closely connected with sanitary condition and climatic influence of the season on health.

**THE OURAWERA GOLD-MINING COMPANY (LIMITED), ROUND HILL.**

The directors have pleasure in placing before shareholders the first half-yearly report, together with balance-sheet to 30th June, 1895.

As this company was only registered on the 23rd May last the report is necessarily brief.

A hydraulic elevating plant has been ordered, the water-races are being made and repaired, the pipe-line cleared, and every preparation made for laying the pipes when they arrive.

An adequate water-supply has been secured for a term of years, and sluicing operations should begin within three months from this date.

In terms of the rules all the directors retire from office, but are eligible and offer themselves for re-election.

For the directors.

J. FORSYTH,  
 Chairman.
