Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned, Ebenezer Robertson Cardno, of Auckland, timber merchant (hereinafter called "the licensee"), has applied to the Governor in

Council for a license under "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), to occupy a part of the foreshore and the land below low-water mark immediately contiguous to such foreshore, in order to erect and maintain thereon certain booms in the Waima River, near the mouth of the Otautau Creek, Hokianga Harbour, for the purpose of confining floating timber; and, in accordance with the one hundred and fifty-sixth section of "The Harbours Act, 1878," has deposited a plan in the office of the Marine Department at Wellington (marked M.D. 2004), showing the place in the said river where it is intended to erect such booms, and the area of foreshore or land below low-water mark intended to be occupied for such purpose: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plan has, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas it is expedient that a license under the said Act, for the purpose aforesaid, should be granted and issued to the licensee on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the licensee as aforesaid, and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the licensee to use and occupy those parts of the foreshore and of the land below low-water mark immediately contiguous thereto which are particularly shown and delineated on the plan so deposited as aforesaid, for the purpose of constructing or erecting thereon booms for confining any floating timber of any kind or description whatsoever belonging to or under the control of the licensee; such license to be held and enjoyed by the licensee upon and subject to the following terms and conditions, that is to say:—

1. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as defined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the parts of the foreshore and of the land below low-water mark necessary for the construction of booms in the Waima River, near the mouth of the Otautau Creek, Hokianga Harbour, which is shown bounded by red lines and marked "Booms" on the said plan marked M.D. 2004.

3. In consideration of the concessions and privileges granted by this Order in Council, the licensee shall, on being supplied with a copy thereof, pay to the Minister the sum of five pounds, and thereafter an annual sum of five pounds in respect of such booms, such annual payments to date from the first day of September, one thousand eight hundred and ninety-five, and the first of such annual payments to be made to the Minister on a copy of this Order in Council being supplied to the licensee.

4. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the licensee shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

That the said rights, powers, and privileges may be at any time resumed by the Governor, and the licensee may be required to remove the booms from the said river and the bed thereof, at his own cost, without payment of any compensation whatever, on giving to the licensee three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the licensee in New Zealand.

6. The licensee shall be liable for any injury which may be sustained by any vessel or boat in passing the booms or by contact with them, and which may be occasioned by any default or neglect on his part.

mined by the Governor in Council without any notice to the licensee or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the licensee, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined; and upon such revocation the Minister may cause the said booms, and all other erections or buildings thereto belonging, to be removed, and may recover the cost incurred by any such removal from the licensee.

8. The erection of the booms shall be deemed to be an acceptance by the licensee of the conditions of this Order in Council.
