Local Patent Offices for the reception of applications for  
Letters Patent have been re-established at the following places:  
Auckland, Thames, New Plymouth, Wanganui, Gisborne,  
Napier, Blenheim, Westport, Greymouth, Hokitika, Christ-  
church, Ashburton, Timaru, Oamaru, Dunedin, Queenstown,  
Lawrence, and Invercargill. In every case the office is at  
the Courthouse.

Specifications of all Patents and Letters of Registration  
applied for in the colony can be inspected at the Patent  
Office, and particulars of Patents, &c., granted in England,  
the United States, Canada, and the Australian Colonies can  
be seen at the Patent Office Library at the Museum, Wel-  
lington.

The following publications of this office can be had from  
the Government Printer:—

1. Printed Specifications to the end of the year 1879.
2. Annual Lists of Letters Patent and Letters of Registra-  
tion applied for, and Particulars of Applications, and Patents  
lapsed, from 1880 to 1888 inclusive.
3. Annual Report of the Registrar, containing list of  
Letters Patent, nature of Letters Patent, &c., applied for  
during the years 1889 to 1895, inclusive.

The Patent Office Supplement to the *New Zealand Gazette*  
is published fortnightly, and contains all notices required by  
law to be gazetted concerning Patents and Trade-marks. It  
also contains particulars of lapsed applications for Patents  
and of expired Letters Patent, and other information useful  
to inventors, manufacturers, and others. This Supplement  
is issued free to subscribers to the *Gazette*, and to others on  
payment of a special subscription of 10s. per annum, pay-  
able in advance to the Government Printer.
