REGULATIONS.

1. For the purpose of carrying out these regulations five persons shall be elected at a public meeting of the holders of licenses to depasture cattle or stock upon the said islands (hereinafter termed "licensed holders"), at Awamoko, on Friday, the 27th day of January, 1899; and the names of such persons, when so elected, shall be submitted to the Governor for approval, and, if so approved, shall be a Committee for the care, management, and protection of the said islands, and shall be known as the Papakaio (Waitaki Islands) Committee (hereinafter referred to as "the Committee"). Three of such Committee shall retire by ballot in December in each year, but they shall be eligible for reappointment as hereinafter provided.

2. On the first Wednesday in January in each year an election shall take place from among the "licensed holders," for the purpose of electing three members of the Committee instead of the three retiring members; and the names of such persons, when so elected, shall be submitted to the Governor for approval, and if so approved they shall take the place of the three retiring members.

3. The Committee shall meet for the transaction of business on the first Wednesday in each month, at 2 o'clock p.m., at Awamoko, or at such other time or place as may from time to time be fixed by the Committee. The first meeting shall be held on Wednesday, the 1st day of February, 1899.

4. Special meetings may be convened by the Chairman or by any two members of the Committee, provided that two days' notice of such meeting be given to each member, specifying the business to be transacted at such special meeting, and no other business than that so specified shall be transacted at such meeting.

5. Any three of the said Committee shall form a quorum. Any meeting may be adjourned from time to time.

6. The members of the Committee shall, at their first meeting, and thereafter at an annual meeting to be held on the first Wednesday in January in every succeeding year thereafter, elect one of themselves to be Chairman, who may join in the discussion, and shall have an original as well as a casting vote. The Chairman shall hold office until the election of his successor. At such meeting a Secretary shall also be appointed by the Committee.

7. If at any meeting the Chairman is not present at the time appointed for holding the same, the members present shall choose some one of their number to be chairman of such meeting.

8. If, by retirement, resignation, death, or incapacity, or otherwise, the office of Chairman shall be or become vacant, the members may at any monthly or special meeting appoint a Chairman.

9. All questions shall be determined by the majority of votes of the members of the Committee present at a meeting.

10. The words "great cattle" shall be construed to mean and include cattle, horses, mules, and asses, male or female, and their offspring above six months of age; and the words "small cattle" shall be construed to mean sheep, male and female, and their offspring above the age of six months.

11. License-holders may run great or small cattle upon the lands described in the First Schedule upon the conditions mentioned in the depasturing license, to be obtained as hereinafter provided.

12. Persons desirous of obtaining a depasturing license must lodge with the Receiver of Land Revenue at Dunedin an application in writing, in the form or to the effect contained in the Second Schedule hereto, and deposit therewith the license-fee payable hereunder. If such application be refused the fee shall be refunded to the applicant.

13. The Committee shall have power to refuse to grant any license, also to limit the number of cattle which may be depastured under any license. They shall also have power to specify the kind of cattle which may be depastured under any license.

14. The number of cattle to be depastured shall be mentioned in the license, and the rent to be paid in respect of such license shall be calculated upon the following scale, that is to say,—For every head of great cattle mentioned in the license, 4s. per annum; for every head of small cattle, 1s. per annum. Every such license shall be in the form or to the effect contained in the Second Schedule hereto, and shall expire on the 31st day of December in every year, when such license may be renewed in accordance with the foregoing provisions. Every license shall be granted subject to the conditions herein set forth, and shall be signed by the Chairman of the Committee.

15. The revenue derived from license-fees, or otherwise from the said islands, shall stand first charged with the cost of the destruction and prevention of the spreading of rabbits upon such islands, such cost to be ascertained in such manner as may be fixed and determined by the Chief Inspector of Stock.

16. All cattle depastured must be branded, and the brand and a description of the cattle must be registered with the Ranger. The Ranger shall issue a certificate of registration in such form as he thinks fit, and the fee for every such certificate shall be 1s. But if the brand is registered with the application, no further registration shall be necessary.

17. No great cattle suffering from any disease shall be depastured upon, nor shall any pigs or goats be allowed to trespass or be at large upon or within, the lands described in the First Schedule. No bull, ram, or stallion shall be depastured without the express permission in writing of the Chairman of the Committee. Any person or persons committing a breach of this provision shall be liable, on the information of such Chairman, as for trespass of cattle on Crown lands; and the Chairman of Committee for the time being is hereby empowered to lay any such information.

18. If any licensee shall at any time commit or suffer a breach of the conditions or terms upon which the license is granted, as the same are herein set forth, the Chairman of the Committee may, on such evidence as he thinks fit, cancel and determine the license held by such licensee, and he shall have no claim to any refund or allowance in respect thereof.

19. No person shall remove beyond the boundary of the land described in the First Schedule any cattle other than those belonging to him, or for the removal of which he shall have authority from the Ranger, under a penalty not exceeding £5.

20. If any person, not being licensed as aforesaid, shall depasture any great cattle or small cattle upon the lands described in the First Schedule, or a greater number of such cattle than shall have been apportioned to him, every such person shall be liable, on the information of the Chairman of Committee, as for trespass of cattle on Crown lands, and also to any penalty or disability imposed in respect of unlawful occupation of Crown land.

21. Nothing herein contained shall be deemed to interfere with the powers or duties of the Commissioner of Crown Lands of the district in which the lands described in the First Schedule are situated, whether under "The Land Act, 1892," or under any other law or statute for the time being in force; and the said lands described in the First Schedule hereto shall, subject to the special provisions hereinbefore made, remain and be Crown lands for the purpose of the said Act, and subject thereto.

Merchandise Marks Act.

Department of Trade and Customs,
Wellington, 4th January, 1899.

THE accompanying despatch, transmitting a circular issued by the Board of Customs, has been received from Her Majesty's Principal Secretary of State for the Colonies, and is published for general information.

W. HALL-JONES,
For Commissioner of Trade and Customs.

(Circular.) Downing Street, 9th November, 1898.
SIR,—I have the honour to transmit to you, for the consideration of your Government, a circular issued by the Board of Customs setting forth the modified practice now obtaining in the United Kingdom in regard to the treatment of goods passing through this country in transit for re-exportation, consequent upon the recent report of the Select Committee of the House of Commons on the Merchandise Marks Acts.

It will be observed that the suggestion is made that the colonial authorities should satisfy themselves that goods bearing marks indicating British origin which arrive in a vessel which has cleared from a British port are really of British production or manufacture, and are not foreign goods which have merely passed through the United Kingdom.

I have, &c.,
J. CHAMBERLAIN.

The Officer administering the Government
of New Zealand.

NOTE FOR COMMUNICATION TO THE GOVERNMENT OF INDIA AND TO COLONIAL GOVERNMENTS.

It is thought that it may be advisable, in connection with the subject of merchandise marks, to invite the attention of the Government of India, and of the Governments of those colonies which have legislated for the protection of industrial marks, to the following extract from the forty-second annual report of the Commissioners of Her Majesty's Customs, being that for the financial year 1897-98:—

"The Select Committee* further recommended that goods in transit should be exempted from the operation of the Merchandise Marks Acts. To give full effect to this recommendation, an alteration of the law would be required. But, acting in the spirit of the recommendation, we have, with your Lordships' concurrence, adopted the principle that no examination of goods in transit is to be made specially for the purpose of scrutinising marks. Accordingly we now take notice of marks on such goods only if we meet with them in the course of examination of the goods for revenue purposes; and, as we are revising our transit regulations with a view to reducing to a minimum the opening and examination of packages in transit, the occasions on which, in future, marks will come under observation will be rare. As further recommended by the Committee, steps are being taken to ascertain what precautions may be necessary to prevent the Customs authorities in India and the colonies from being misled as to the origin of goods that have passed through the United Kingdom in transit."

Goods of foreign manufacture may pass through the ports of the United Kingdom for places abroad in several ways. They may be imported into the United Kingdom, may remain there for some time, and then be re-exported. In that case the goods, on their arrival in the United Kingdom, are treated as though they were for home-consumption, and are subjected to full examination by the Customs. To goods of this class this memorandum has no reference. It refers only to goods that pass through the United Kingdom, avowedly in transit, and such goods may be of two kinds. They may form part of a cargo loaded abroad, remaining undisturbed in a vessel that completes her loading in a British port; or they may be transhipped in the United Kingdom, and form part of the cargo placed on board in this country. In the former case they are not, and never have been, subjected to inspection by the British Customs; but in the latter case they have, until recently, undergone a certain amount of examination, and occasional detentions have been made of goods in transit that violated the provisions of the Merchandise Marks Acts. In future, as will be gathered from the above extract, goods entered for transshipment will very seldom be examined by the British Customs, and it seems right that the Customs authorities in India and the colonies should be made aware of this, in order that they may not assume that goods arriving in vessels that have cleared from a port in the United Kingdom must have been passed by the Customs in this country as satisfactory in respect of marks.

It will thus be necessary for the Indian and colonial authorities to satisfy themselves that goods bearing marks suggestive of British origin, arriving in a vessel that has

* The Select Committee of the House of Commons on Merchandise Marks, session of 1897.

cleared from a British port, are really of British production or manufacture, and are not foreign goods that have merely passed through the United Kingdom. As some guide on this point it may be well to remark that, according to the regulations of this country, when goods are reported and entered as in transit for a British possession, a transshipment certificate (in form annexed, usually printed on pink paper) is made out by the exporter or his agent, and, when signed by the proper Customs officer, is attached to the "clearance" of the ship. Thus a ship's papers contain evidence as to what portion of her cargo has been brought from abroad and put on board after transshipment; and it would be open to the Customs officers in India and the colonies to inspect such evidence if they thought fit. The evidence would not apply to goods loaded abroad, and carried forward to their destination in the same vessel; in regard to these it would remain necessary, in cases of suspicion, to find other means of ascertaining the circumstances under which they had been placed on board a vessel arriving from the United Kingdom.

CONDITIONS.

1. Possession of the runs will be given to the purchasers of the licenses on the 1st March, 1900.

2. No person or company may become the holder of more than one run under Part VI. of "The Land Act, 1892": Provided that the holder of any run under the said Act of a carrying-capacity of less than ten thousand sheep or two thousand head of cattle may become the lessee of an aggregate area sufficient to carry such a number of sheep or cattle. The holder of any small grazing-run under Part V. of "The Land Act, 1892," shall not be the holder of any run under Part VI. of the said Act.

3. The licenses shall be dated on the 1st March, 1900, and shall in each case be for the years specified above, from that date.

4. The license shall be subject to the following conditions amongst others:—

- (1.) That if the licensee, or any person claiming an interest through or under him, shall make or cause to be made any agreement or contract, or shall give or cause to be given or taken any negotiable security, for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon, "The Land Act, 1892," the license shall be liable to be forfeited and revoked;
- (2.) That the licensee shall prevent the destruction or burning of timber or bush on the land comprised in the license;
- (3.) That the licensee shall prevent the growth or spread of gorse, broom, and sweetbriar on the land comprised in the license, and shall with all reasonable speed remove or cause to be removed all gorse, sweetbriar, broom, or other noxious weeds or plants, as may be directed by the Commissioner;
- (4.) That the licensee shall destroy all rabbits on the land comprised in the license, and shall prevent their increase or spread, to the satisfaction of the Commissioner or an officer appointed by him to inspect the ground; and
- (5.) That during the months of December to June, inclusive, or such other months, not exceeding altogether seven in any one year, as the Commissioner shall from time to time determine, the licensee shall not burn the grass on the land comprised in the license.

5. The licensee shall have the exclusive right of pasturage over the lands specified in his license, but shall have no right to the soil, or timber or minerals thereon or therein.

6. One half-year's rent and a license-fee of £1 ls. shall be paid on the fall of the hammer, and the purchaser shall make a declaration in terms of section 195 of "The Land Act, 1892." The rent shall be paid half-yearly in advance, on the 1st day of March and the 1st day of September in each year during the term of the license, the half-year's rent paid on the fall of the hammer being for the half-year commencing on the 1st March, 1900. Should the half-yearly rental at any period not be paid within thirty days, a penalty of 10 per cent. in addition will be enforced.

7. No liability is accepted by or on behalf of the Crown in respect of any fencing existing upon the Crown lands offered for license. The runs are sold subject to the rights of the present licensees to valuation for improvements in terms of section 207 of "The Land Act, 1892," and to the other provisions of the Land Acts relating to improvements effected by licensees. Where fences form the boundary between Crown lands offered for license and freehold lands, the purchaser of such license will be liable to the provisions of any law now or hereafter in force relating to boundary-fences.

8. The Crown reserves a right, at any time, on notice to the purchaser, to resume possession of any run, either in whole or part, which may be selected by the New Zealand Midland Railway Company (Limited), in virtue of any right which the said company, or any person or body lawfully claiming through or under it, may have to or in respect of any unsatisfied land claim. The effect of any such resumption shall be to determine the lease or license, wholly or in part, as the case requires: if the resumption be only as to part, then the rent in future shall be reduced in proportion to the area resumed.

No compensation will be paid or payable by or on behalf of the Crown by reason of the exercise of the power hereby reserved. Provisions to the purport of this condition, and necessary to give effect to the same, will be inserted in each lease or license granted to a purchaser.

These runs are situated on the slopes of the Station Peak Range, which extends from the junction of the Hakateramea and Waitaki Rivers to the north branch of the Waihao River. The country is throughout of purely pastoral character, the vegetation consisting of native and English grasses, with snow-grass only on the higher altitudes; it is fairly well watered by springs and streams, but is liable to burn up in a dry season, and, as the elevation ranges from about 1,000 ft. up to 3,500 ft. above sea-level, it is liable to heavy falls of snow in winter.

Section 36206 faces the Waitaki River, about eight miles south-easterly from the Hakateramea Railway-station. Section 36395 lies southward from the Meyer's Pass Road, the distances from Waimate being about twenty-three to twenty-six miles, and from Hakateramea about fourteen to fifteen miles.

The sections are weighted with valuations for improvements as follows: Section 36206, £458 for good six-roomed dwellinghouse, yards, boundary and subdivision fencing, and surface-sowing; Section 36395, £431 for hut, boundary and subdivision fencing, and sowing.

Possession of the lands will be given to the successful applicants as soon as their applications are approved by the Land Board.

Tokaanu Township is situated near the centre of the North Island, and about half-way between Wellington and Auckland, on the main coach-road connecting with the railways running from these two cities. The land on which the township is laid out is nearly all flat, running down to the shores of Lake Taupo, the elevation of which is about 1,200 ft. above sea-level. It is proposed to build a light pier at the end of the street to facilitate the despatch of the steamer which runs during the summer to and from the north end of the lake. At the south is Maunganamu, a high hill, reserved for a park in the future. The large number of hot springs on the western part of the township has rendered this place famous, and, when facilities for baths are greater, it is sure to become one of the great sanatoria of the country, more especially of the southern part of the North Island. There are hot springs, solfataras, and salses of various kinds and degrees of heat, with many healing waters. Pure mountain-water can be readily brought into the township from streams which rise in the high range to the south of the township. Directly across the lake, and not more than two miles from the centre of the township, are the falls of Waihi, celebrated for their beauty, whilst the abrupt shores of Taupo, running thence northwards, offer to the visitor much pretty scenery, which in the Western Bay becomes grand. The lake has been stocked with trout, which are gradually spreading up the many streams that fall into it; and the great central group of mountains—Ruapehu and Tongariro—will shortly, it is hoped, be stocked with the red deer. Tokaanu is the most convenient place from which to accomplish the ascent of the mountains, which are fast becoming a resort of visitors.

The northern and eastern portions of the township comprise low-lying lands and swamps partly drainable, the latter covered with manuka scrub, and with grass in places; the soil is fairly good, and in parts is suitable for garden purposes. The south-western portion is situated on sloping ground commanding a beautiful view of Lake Taupo; the soil is light, but the sections are well adapted for occupation

as healthy residence-sites. The township is sheltered from the south and south-west winds by the high range connecting Pihanga and Kakaramea, which, being forest-clad, adds much to the beauty of the country and site.

The central position of Tokaanu, on the main line of communication between Auckland and Wellington, with the noble Lake Taupo and fine thermal springs on its borders, and being within easy distance of the magnificent Ruapehu, Ngauruhoe, and Tongariro Mountains, Lake Roto-a-ira, and numerous other beautiful scenes, together with the advantages of a salubrious climate, should render the sections now under offer attractive and desirable investments.

TERMS AND CONDITIONS OF SALE.

1. The respective sections shall be offered by auction at Wellington.
2. The bidder of the highest rent shall be declared to be the lessee, and, if any dispute arises as to the last or highest bidding for any section, the section in dispute shall be put up again at the last-preceding bidding.
3. The highest bidder for each section shall, upon the fall of the hammer, pay to the auctioneer the half-year's rent in advance by way of deposit, which shall represent the half-year's rent due in advance on the 1st July next. The value of the improvements shall be paid by the incoming tenant to the Receiver of Land Revenue at Wellington, on behalf of the outgoing tenant, within one month, and before possession is given to the new tenant.
4. The second half-year's rent shall become payable on the 1st January, 1899, and thenceforth shall be paid half-yearly in advance.
5. As soon as may be after the highest bidder is ascertained, a lease will be prepared, for which there will be a charge of £1, to be paid by the lessee. Such lease shall be for the term of twenty-one years, commencing from the 1st day of July next, and the lessee shall execute the same in triplicate at the office of the Commissioner whenever requested so to do.
6. Should the highest bidder neglect or fail to comply with any of the conditions, his deposit-money shall thereupon be forfeited to the Commissioner, who shall be at full liberty either to enforce the letting or to relet the premises at such time and place and in such manner as he thinks fit.
7. Every lease shall be in the following form, with such modification as the circumstances may require:—

THIS deed, made the _____ day of _____, one thousand eight hundred and ninety-_____, under the provisions of "The Native Townships Act, 1895," between Her Majesty Queen Victoria (who, with her heirs and successors, is hereinafter referred to and included in the expression "the lessor") of the one part, and _____, of _____, in the Land District of _____, in the Colony of New Zealand (who, with his _____ executors, administrators, and permitted assigns, is hereinafter referred to and included in the expression "the lessee"), of the other part, witnesseth that, in consideration of the rent hereinafter reserved, and of the covenants, conditions, and agreements herein contained and implied, and on the part of the lessee to be paid, observed, and performed, the lessor hereby demises and leases unto the lessee all that piece of land, containing by admeasurement _____ acres _____ roods _____ perches, a little more or less, situate in the Native Township of _____, and being allotment numbered _____, Block _____, on the plan of that township, as the same is more particularly delineated and described in the plan drawn hereon, and therein coloured red in outline; together with all ways, rights, easements, and appurtenances to the same belonging: To hold the demised premises unto the lessee for the term of twenty-one years, commencing on the 1st day of _____, one thousand _____; yielding and paying therefor the annual rent of _____, payable half-yearly in advance on the 1st day of January and the 1st day of July in each year during the said term, free from all deductions whatsoever, the first half-yearly payment of such rent having been already made, and the next payment to become due and be made on the 1st day of _____ thereafter.

- And the lessee hereby covenants with the lessor as follows, namely:—
- (1.) The lessee shall not nor will at any time during the said term assign, underlet, or part with the possession of the demised premises, or any part thereof, without the previous consent in writing of the Commissioner of Crown Lands for the time being of the Land District of Wellington, hereinafter called "the Commissioner."
 - (2.) The lessee will from time to time during the said term pay unto the lessor the said rent on the days and in manner aforesaid, and also will from time to time pay and discharge all rates, taxes, charges, and assessments whatsoever now or hereafter to become payable upon or in respect of the demised premises or any part thereof.
 - (3.) The lessee will, during the said term, well and sufficiently repair, maintain, and keep the demised premises and

all buildings, fences, and erections from time to time built or erected thereon in good and substantial repair and condition (reasonable wear-and-tear, and damage by fire, storm, earthquake, or tempest only excepted). In the erection of any buildings from time to time the lessee will abide by and conform to the alignment of streets and roads, and also to all the by-laws and regulations from time to time in force, or made or passed by the local authority for the time being intrusted, under "The Native Townships Act, 1895," with the administration of the local affairs of the said township, by whatever name or designation such local authority may for the time being be called, but hereinafter referred to as "the local authority."

(4.) The lessee will from time to time construct, maintain, and keep all such privies, ashpits, and other works of a similar character as may be ordered or directed by the local authority; and, in cutting and laying of drains and channels for the conveyance of water or waste material or refuse of any kind, and in maintaining or providing for the sanitary state and condition of the demised premises, will at all times act in accordance with the direction of the local authority or the requirements of any laws, by-laws, rules, or regulations for the time being in force providing for the sanitary state and condition of the said township.

(5.) The lessee will not at any time during the said term, without the previous consent in writing of the local authority, carry on or permit to be carried on upon the said land or any part thereof the trade or business of a soap-boiler, tallow-chandler, tanner, slaughterman, meat curer or preserver, or any noisy, noxious, or offensive trade or manufacture of any kind whatever.

(6.) The lessee will permit the lessor, or any person on her behalf duly authorised as hereinafter provided, from time to time to enter upon the demised premises at all reasonable times to view the state and condition thereof, and upon notice of any defect or want of repair being given to the lessee, or left for him on the premises, the lessee will, within one month thereafter, make good any such defect or want of repair:

Provided always that whenever the rent hereby reserved or any part thereof is in arrear for twenty-one days the same may be levied by distress without any previous demand of payment or notice of any kind: Provided further that, if the lessee makes default for thirty days in the full and punctual payment of any of the said rent, or if he makes default in the faithful performance or observance of any other covenant or condition on his part herein contained or implied, or if the Commissioner is satisfied that the land comprised in this lease is being held unused and to the hindrance of the trade and progress of the said township, then and in any such case, and without any notice or demand whatsoever, it shall be lawful for the lessor to re-enter upon the demised premises and thereby determine this lease, and that without releasing the lessee from any liability in respect of any rent due or of any preceding breach of covenant.

And it is hereby declared and agreed as follows, that is to say,—

(1.) The rent hereby reserved may be paid to the Receiver of Land Revenue for the time being of the Land District of Wellington, on behalf of the lessor, and the receipt of such Receiver shall be a good discharge to the lessee.

(2.) Any power which may be exercisable under these presents by or on behalf of the lessor may from time to time be exercised by the Commissioner, or by any person whom he from time to time appoints for that purpose.

(3.) Service on the lessee of any notice under this lease may be effected either personally or by posting the same in a registered letter addressed to him, either at his last-known place of business or abode in the colony or at the demised land.

(4.) The lessee, faithfully observing and performing all the covenants, conditions, and agreements on his part herein contained or implied, shall, on the expiration by effluxion of time of the term hereby granted, or of any renewal thereof, have the right to a renewal of the lease, or to valuation for all substantial improvements of a permanent character made or owned by him and then existing on the demised land: Provided that such right shall exist only to the extent and subject to the conditions following, that is to say:—

(1.) Not sooner than nine nor later than six months before the expiration of the said term by effluxion of time two separate valuations shall be made in manner prescribed (*mutatis mutandis*) by sections 79 and 80 of "The Land Act, 1892," of

- (a.) All such improvements as aforesaid; and of
- (b.) The annual ground-rent of the land (exclusive of such improvements as aforesaid) for a fresh term of twenty-one years.

(2.) After the making and publishing of the aforesaid valuations, which shall be effected by serving a copy thereof on the lessee and another copy on the Commissioner, but not later than one month before the date of such expiration as aforesaid, the lessee shall, by notice in writing served on the

Commissioner, elect whether he will accept a new lease of the demised land (including the aforesaid improvements) for a fresh term of twenty-one years, computed from the date of such expiration as aforesaid, at the annual ground-rent ascertained by valuation as aforesaid, and subject in all other respects to the same covenants and conditions as those of this present lease.

- (3.) If for any reason the lessee does not duly elect in manner aforesaid to accept such new lease, or if, having duly elected, he for any reason does not execute such new lease when requested by the Commissioner so to do, his right to a new lease shall be and be deemed to be abandoned, and the land shall be disposed of by lease at such time, in such manner, and subject to such conditions not inconsistent with the said Act and the regulations for the time being in force thereunder as the Commissioner thinks fit: Provided that it shall be one of the conditions of the new lease that the new lessee pays to the Commissioner the amount at which the improvements (if then existing) have been valued as aforesaid, or such less amount as the Commissioner thinks just, having regard to the extent to which such improvements have deteriorated since the date of the original valuation; and all moneys actually received by the Commissioner in respect of such valuation shall be paid over to the lessee under this present lease, or a renewal thereof, as soon as the Commissioner is satisfied that the new lessee has been admitted into full and quiet possession of the premises: Provided further that in no case shall the lessee have any claim against the Crown or the Commissioner in respect of any such improvements, or of the value thereof, save to the extent of the moneys which are actually received as aforesaid from the new lessee, and available for payment, and which the lessee under this present lease becomes actually entitled to.

In witness whereof these presents have been executed by or on behalf of the parties hereto, the day and year first above written.

Signed on behalf of Her Majesty the Queen, by A.B., the Commissioner, pursuant to the power in this behalf conferred upon him by "The Native Townships Act, 1895," in the presence of—

Signed by the said _____, in the presence of—

Rough broken country, ranging in altitude from 800 ft. to 1,900 ft., with a little flat and undulating land in places. Nearly all well sheltered and watered, and well adapted for pastoral purposes. Good soil, papa formation, with limestone outcrop. Accessible by road from Dannevirke, distant from thirteen miles and a half to fifteen miles.

* Second-class land.

General Description of Land.

The above-mentioned sections form portion of the Ngapaeruru Block, which is situate to the eastward of the Town of Dannevirke, and comprise all the forest country between the Waikopiro Settlement and the well-known Mangatoro Estate. The nearest section is distant eight miles and a half from Dannevirke, and most of the sections about fourteen miles. Of the latter distance, nine miles is along the main Dannevirke-Weber coach-road, which is metalled and in good repair. The areas of the sections range from 130 acres to 913 acres. Speaking generally, the land is undulating, and varies in altitude from 600 ft. to 1,950 ft. above sea-level, but a great proportion of it is under 1,200 ft. The flats are heavily timbered with rimu and kahikatea, which are the principal timbers on the Ngapaeruru Block. Matai also is common, but totara is only seen occasionally. Bush-fires have, unfortunately, destroyed large quantities of the timber. The soil is of good quality, and very suitable for dairying and pastoral purposes. Papa formation obtains throughout, with limestone outcrop on most of the high ranges and spurs. This land is well watered. Besides the Manawatu and Mangatoro Rivers, there are several large streams which will probably supply permanent water to most of the sections. A sum of money is now being expended in making roads throughout the block, and the bush has already been felled 1 chain wide on all the roads in the portion to be opened.

Locality and Description of Land.

This land adjoins the settled districts contiguous to Waverley and Patea. The sections in Block XII., Opaku, are about twenty-two and twenty miles from Waverley and Momohaki Railway-stations, thirteen miles of which are by dray-road. Those in Block XVI., Opaku, are from eleven to eighteen miles from Waverley *via* Motoroa and Okotuku Roads; also *via* Okahutiria Road, thirteen miles dray- and five miles bridle-road. Those in Blocks IX., X., and XIII., Kapara, are from sixteen to twenty-two miles distant from Momohaki Railway-station *via* Weraweraonga Road, eleven miles of which are dray-road and the remainder bridle-track; also *via* Ridge and Mangawhio Roads, eighteen miles being a dray-road. Section 1, Block XIII., Kapara, has also a frontage to Omahire Road, distant about thirteen miles from Waverley, ten miles being a dray-road. The block, generally speaking, is very rough, but of fair quality of soil, and, owing to the difficulty of getting homestead-sites, it is only suitable for settlement in large areas. The valleys near the south end of the block are about 1,000 ft. below the ridges. Throughout the block the slopes are steep and the gullies generally gorgy; the formation is papa; the timber consists mostly of rata, tawa, hinau, with birch on the ridges, and the usual undergrowth.
