Rough pastoral land, partly covered with bush, some of it having been felled and laid down in grass between the years 1895 and 1898, these sections being originally part of the Whangamomona Improved-farm Settlement. The bush is light, principally tawa, and in some parts manuka scrub, with a little rimu, matai, and totara, with the usual undergrowth. The formation is papa. The Mangare Road is formed as a rough bridle-track; the Prospect Road is also open for horse traffic; while the Ohura Road is formed as a dray-road throughout the settlement. The distance from Stratford Railway-station is from forty to fifty-two miles, part of which is metalled, the Ohura Road being the future main road to connect with the main trunk railway.

As witness the hand of His Excellency the Governor, this twenty-seventh day of December, one thousand eight hundred and ninety-nine.

JOHN McKENZIE,
Minister of Lands.

Bonuses for Encouragement of New Zealand Hemp (Phormium tenax) Industry.—Notice No. 535.

Department of Agriculture,
Wellington, 13th February, 1899.

BONUS No. 1.

A BONUS of £1,750 is offered for a machine or process for dressing New Zealand hemp (*Phormium tenax*) which shall be an improvement on the machines or processes now in use, and which shall, after trial, be found to materially reduce the cost of production, improve the product, or increase the quantity of dressed fibre.

The following are the conditions:—

1. All applications for the bonus must be sent addressed to the Hon. the Minister for Agriculture, Wellington, and must reach him not later than the 31st March, 1900. Each application must be accompanied by a description of the machine or process, particularly stating improvements on present machines or processes, and also the cost at which the machine or process can be supplied.

2. The applicants must be prepared to submit their machines or processes to examination at such time and place as the Government may direct.

3. The Government shall appoint a committee of three or more experts, to whom all applications shall be submitted. Such committee shall, after perusal, state what machines or

processes they deem worthy of consideration, and may inspect the same at any place within the colony; and, having so inspected the whole or any of them, may direct that the whole or any of them be brought for further trial to such place as they may think fit.

The cost of bringing the machines or appliances on to the ground, from within the colony, supplying the necessary shafting, motive-power, and buildings, to be defrayed by the Government. If any machine sent from beyond the colony is awarded the bonus or part thereof, then the cost of bringing such machine shall be borne by the Government.

The following shall be the basis of the test:—

The committee shall supply a sufficient and equal quantity of green hemp to each machine or process as a test.

The committee shall take into consideration—

The time occupied by each machine or process in the operation;

The cost of labour and time required after the fibre has left the machine or process before it is ready for baling;

The percentage of dressed fibre and tow produced by each machine or process;

The cost of producing the same;

The cost of the machine, and the simplicity and durability of the working parts.

On completion of the tests the committee shall furnish a report to the Minister on all the machines or processes which they have examined or tested, and shall state,—

- (1.) The machine or process which they consider on the whole the most efficient and economic.
- (2.) Whether they consider that any machine or process tested so materially reduces the cost of production, or improves the product, as to be worthy of the whole bonus or of a part only.
- (3.) Whether, in the event of no one machine or process being entitled to the whole bonus, they deem any machine or process worthy of a part of the bonus, and, if so, how much.

BONUS No. 2.

A bonus of £250 is offered for a process of utilising the waste products of the hemp.

The first three conditions of Bonus No. 1 to apply to this also.

The committee shall supply a sufficient and equal quantity of the waste products to each process as a test.

On completion of the tests the committee shall report to the Minister, and shall give the following particulars of each process: (a.) The nature of the article made. (b.) The quantity produced, and the cost of production. (c.) The value of the product. (d.) Whether any of the processes are of sufficient importance to warrant the Minister in giving (1) the whole, or (2) any part, of the bonus; (3) if a part only, how much.

There are a number of springs in the township, some of which flow into the small lake south-east of Ratahi, some into Ratahi Lake, and some into Makarika Stream. There is a low hill to the southward of each group of thermal springs. These hills, with the rocks on the one to the eastward and some native bush on the one to the westward, make Te Puia picturesque, especially with the lakes and the undulating country.

The soil is fairly good on some parts of the township, the roughest portion being on the north-west side. Here the soil is not so good, and the land consists of low fern hills with a small portion of flat. The sections north of Lake Ratahi have good soil, but they do not face the sun, and there is some swamp at the north-east corner of the lake. The soil on both sides of the Waipiro Road is good, both north-east of Lake Ratahi and on the southern portion

of the township. The country to the eastward is poor flat land with small manuka, fern, &c., and swampy in places.

There is a nice sweet stream of cold water close to the hot spring in the centre of the Waipiro Road; there is also good water near the Maori whare, north-east corner of the township.

The distance from the township to Waipiro Bay is about three miles, and to Tokomaru Bay about six miles.

Native Land Court Notices.

"The Native Land Court Act, 1894."

IN THE NATIVE LAND COURT OF NEW ZEALAND.

In the matter of Sections 1 and 5, Block III., Huiroa; Section 41, Block XV., Kaupokonui; Sections 64 and 65, Block III., and Sections 132 and 133, Block IV., Waimate; and of an application of Titokowaru Taukawa under Section 39 of "The Native Land Court Act, 1894."

WHEREAS on the 19th day of January, 1888, the Native Land Court made orders appointing Hinekamihi and Parekawhia to succeed to the interest of their mother Hana Tamihana, deceased, in the above blocks: And whereas the said orders were made for the purpose of giving effect to the will of the said Hana Tamihana, whereby she devised the said lands to the said Hinekamihi and Parekawhia: And whereas it appears that the said lands were, at the date of the making of the said will and of the death of the said Hana Tamihana inalienable, and that no estate therein passed by the said will: And whereas in making the said orders the Court wrongly decided a point of law:

Now, therefore, for the purpose of rectifying the said error, and in exercise of the powers in that behalf vested in me as Chief Judge of the Native Land Court by Section 39 aforesaid, I hereby order that the said several orders of the Native Land Court be, and the same hereby are, annulled, and in lieu thereof I order and direct that the like orders be issued in the names of the four children of the said Hana Tamihana—namely, Hinekamihi, Parekawhia, Titokowaru Taukawa, and Tungehe—in equal shares.

I direct that this order be notified in the *Gazette* and *Kahiti*.
 As witness my hand, this 29th day of December, 1899.

GEO. B. DAVY, Chief Judge.

"The Native Land Court Act, 1894."

IN THE NATIVE LAND COURT OF NEW ZEALAND.

In the matter of Whakarewarewa No. 1, Section 2, and No. 3, Section 1, and of Rotomahana Parekarangi No. 4; and of an application on behalf of the Minister of Lands under section 39 of "The Native Land Court Act, 1894."

WHEREAS the Native Land Court, by three several orders dated the 7th day of December, 1895, appointed Te Wirihana Heraani to succeed to the interest of Hera Ani Hinetaapu Taetou, deceased, in the above-mentioned blocks: And whereas the Court made its orders as aforesaid in the belief that Te Wirihana Heraani was the only child of the said Hera Ani Hinetaapu Taetou: And whereas it appears that the said Hera Ani Hinetaapu Taetou had no child of that name, but that the said Hera Ani left three children her surviving—viz., Mihi Hera Ani, Paraone Hera Ani, and Pumipi Hera Ani, who are the proper persons to succeed to her interest in the said lands:

Now, therefore, for the purpose of rectifying the said error, and in exercise of the power in that behalf vested in me as Chief Judge of the Native Land Court by section 39 aforesaid, I hereby annul the orders appointing Wirihana Heraani to succeed as aforesaid, and in lieu thereof I order that the said three children of the said Hera Ani Hinetaapu Tasoitu be appointed to succeed to her interest in the said several blocks, and that the Native Land Court do issue its order accordingly.

I direct that this order be notified in the *Gazette* and *Kahiti*.
As witness my hand, this 30th day of December, 1899.

GEO. B. DAVY, Chief Judge.

Taruheru, Tahoka, and Makauri.—Rehearing.

[Gisborne, 99-63.]

In the matter of the decisions given by the Court while acting under the special jurisdiction conferred upon it by the provisions of "The Poututu Jurisdiction Act, 1889," and being judgments Nos. 6 to 10, inclusive, of the Poututu inquiry, and affecting the Taruheru, Taboka, and Makauri Blocks, or certain estates, shares, and interests therein; and in the matter of an application for a rehearing of the said decisions made to this Court in writing within three months of the same being given.

WHEREAS upon inquiry held in open Court by the Chief Judge of the said Court, assisted by an assessor, it was ordered that a rehearing upon such decisions be had: And whereas a sitting of the Court was held at Gisborne, on the 8th April, 1895, to rehear the cases in which the decisions were appealed against: And whereas the Court heard the said cases, and continued from day to day, but finally rose before delivering judgment upon proceedings taken in the Validation Court of New Zealand, which would, when heard, have decided the matters in dispute in this Court: And whereas the Court is now directed by a Court of competent jurisdiction to continue in the matter of the said rehearing and to determine the same:

Notice is hereby given that a sitting of the Court will be held at Gisborne, on the 15th January, 1900, to continue and determine the said rehearing.
