RANFURLY, Governor.

A PROCLAMATION.

WHEREAS by section two hundred and fifty of "The Land Act, 1892" (hereinafter termed "the said Act"), it is enacted that whenever the Governor is satisfied that any Native lands acquired by the Crown in any way, or purchased out of any sums authorised or to be authorised to be issued and expended in the purchase of lands in the North Island of New Zealand, are free from Native claims and all difficulties in connection therewith, he shall, by Proclamation, declare such lands to be Crown lands, subject to be sold and dealt with as in the said Act is more particularly mentioned: And whereas the lands hereinafter mentioned have been purchased out of sums so authorised to be issued and expended as aforesaid:

Now, therefore, I, Uchter John Mark, Earl of Ranfurly, the Governor of the Colony of New Zealand, being satisfied that the lands enumerated in the Schedule hereto are free from Native claims, and all difficulties in connection therewith, do hereby, in pursuance and exercise of the power and authority vested in me by the said Act, proclaim and declare the lands so enumerated as aforesaid to be Crown lands, subject to be sold and dealt with according to the provisions of the laws regulating the sale and disposal of Crown lands in force in the land districts in which they are respectively situated.

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned, the Kauri Timber Company (Limited) (hereinafter called "the company") has applied to the Governor in Council for a license under "The Harbours Act Amendment Act, 1883" (hereinafter called "the said Act"), to occupy a part of the foreshore and land below low-water mark in order to erect and maintain certain booms across the Waiwawa River, Mercury Bay, for the purpose of securing timber and logs; and, in accordance with the one-hundred-and-fifty-sixth section of "The Harbours Act, 1878," has deposited plans in the office of the Marine Department at Wellington (marked M.D. 632, 648, and 649) showing the place in the said river where it is intended to erect such booms, and the area of foreshore and land below low-water mark intended to be occupied for such purpose, and the manner in which it is proposed to construct such booms: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation; and the said plans have, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas it is expedient that a license, under the said Act, for the purpose aforesaid, should be granted and issued to the company on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and with the advice and consent of the Executive Council of the said colony, doth hereby approve of the purpose or object for which the said license is required by the company as aforesaid; and in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the company to use and occupy that part of the foreshore and land below low-water mark which is particularly shown and delineated on the plan so marked M.D. 632, deposited as aforesaid, for the purpose of constructing or erecting thereon booms in accordance with plans marked M.D. 648 and 649, for securing timber and logs of any kind or description whatsoever belonging to or under the control of the company, such license to be held and enjoyed by the company upon and subject to the following terms and conditions, that is to say:—

1. In these conditions the term "Minister" means the Minister having charge of the Marine Department, as de-

fined by "The Shipping and Seamen's Act, 1877," and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore and land below low-water mark necessary for the construction of booms in the Waiwawa River, Mercury Bay, which is shown on the said plan marked M.D. 632.

3. In consideration of the concessions and privileges granted by this Order in Council, the company shall, on being supplied with a copy thereof, pay to the Minister the sum of five pounds, and thereafter an annual sum of five pounds in respect of such booms, such annual payments to date from the first day of August, one thousand nine hundred and one, and the first of such annual payments to be made to the Minister on a copy of this Order in Council being supplied to the company.

4. That the rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the company shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

5. The Minister may at any time, by notice in writing, require the company to provide a suitable and sufficient opening for the passage of vessels or boats through the booms; and if such opening is not provided by the company within the time specified in such notice, the Minister may make such opening, and may recover the cost of doing so from the company.

6. That the said rights, powers, and privileges may be at any time resumed by the Governor, and the company may be required to remove the booms from the said river and the bed thereof at its own cost, without payment of any compensation whatever, on giving to the company two calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the company in New Zealand.

7. The company shall be liable for any injury which may be sustained by any vessel or boat in passing the booms, or by contact with them, and which may be occasioned by any default or neglect on its part.

8. In case the company shall—

- (1.) Commit or suffer a breach of the conditions herein before set forth, or any of them;
- (2.) Cease to use or occupy the said booms for a period of thirty days;
- (3.) Fail to pay the sums specified in clause three of these conditions; or
- (4.) Be in any manner wound up or dissolved,—

then and in any of the said cases this Order in Council, and every right, power or privilege, may be revoked and determined by the Governor in Council without any notice to the company or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the company, and to all persons concerned or interested, that this Order in Council, and the rights and privileges thereby conferred, have been revoked and determined; and upon such revocation the Minister may cause the said booms, and all other erections or buildings thereto belonging, to be removed, and may recover the cost incurred by any such removal from the company.

9. The erection of the booms shall be deemed to be an acceptance by the company of the conditions of this Order in Council.

Clerk of the Executive Council.

Regulations under "The Manual and Technical Instruction Act, 1900."

RANFURLY, Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this twenty-second day of August, 1901.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

IN exercise of the powers and authorities conferred upon him by "The Manual and Technical Instruction Act, 1900," and of all other powers and authorities him enabling in this behalf, His Excellency the Governor of the Colony of New Zealand, acting by and with the advice and consent of the Executive Council of the said colony, doth hereby make the following regulations for the purposes of the said Act.

REGULATIONS.

1. CLAUSE V. of the regulations of 17th January, 1901, containing regulations for the appointment of managers of associated classes, is hereby revoked, and the following substituted in lieu thereof:—

V.—Regulations for the Appointment of Managers of Associated Classes.

For the Auckland Technical Classes, the "Elam" School of Art, the Masterton Technical School, the Christchurch School of Domestic Instruction, the Dunedin Technical Classes, the Invercargill Technical Classes, being the associated classes specified in Part II. of the Second Schedule of the Act, there shall be in each case five managers, who shall be elected by the subscribers or trustees, or subscribers and trustees, as the case may be, yearly, in the month of January or February, at a meeting specially called for the purpose, notice in every case of not less than ten clear days being given of such special meeting, in accordance with the rules of the institution. The chairman of the meeting at which the election is held shall, within fourteen days after the election, forward to the Minister a notification of the names of the managers, and the managers shall forward to the Minister the names of one or more persons authorised to pay and to receive moneys on their behalf.

For all other associated classes the number of managers shall be not less than five nor more than nine, as the Minister may determine in respect of each class. The actual number shall in each case be fixed by the Minister, subject to these regulations and to the terms of section 7 of "The Manual and Technical Instruction Act, 1900." In estimating the cost of maintenance there shall be included all rents and benefits derived from buildings, endowments, or otherwise, used or employed for the maintenance or accommodation of such classes. The managers shall be elected at specially convened meetings of the several bodies concerned during the month of January or February in each year. The controlling authority shall, within fourteen days after the completion of the election, forward to the Minister a notification of the names of the managers, with the names of one or more persons authorised to pay and to receive moneys on their behalf.

In the case of any local authority contributing for the purpose of encouraging the formation or increasing the efficiency of associated classes, such local authority shall be entitled to exercise a power of appointment similar to that possessed by any contributing public association in proportion to the value of the contribution made by such local authority.

In any case in which an election of managers as hereinbefore provided has not been held, the Minister, if he is satisfied that the failure to elect is not due to any default on the part of any controlling authority, or the subscribers or trustees as the case may be, may fix a time and place for the election of managers.

2. Clause II. of the aforesaid regulations is hereby amended by adding, after the words "not exceed a total of 15s. per annum," at the end of the said clause, the following words: "Notwithstanding, until the end of the year 1902 a payment of 15s. per annum may be made on account of each pupil in a class for woodwork, or cookery, or dairy-work who satisfies the conditions specified in these regulations for such class, if it can be shown that there is no one on the staff of the school qualified and able to instruct such class."

Clerk of the Executive Council.
