In this examination, as in the open competition, the merit of the candidates examined will be estimated by marks (which will be subject to deductions in the same way as the marks assigned at the open competition), and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it. The examination will be conducted on paper and *viva voce*, as may be deemed necessary. This examination will be held at the close of the year of probation, and will be called the "final examination."

If any candidate is prevented by sickness or any other adequate cause from attending such examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the final examination to be held in the following year, or at a special examination.

10. The selected candidates will also be tested during their probation as to their proficiency in riding. The examinations in riding will be held as follows :—

- (1.) Shortly after the result of the open competitive examination has been declared, or at such time or times as the Commissioners may appoint during the course of the probationary year.
- (2.) Again, at the time of the final examination, candidates who may fully satisfy the Commissioners of their ability to ride well and to perform journeys on horseback shall receive a certificate which shall entitle them to be credited with 200 or 100 marks, according to the degree of proficiency displayed, to be added to their marks in the final examination.
- (3.) Candidates who fail to obtain this certificate, but who gain a certificate of minimum proficiency in riding, will be allowed to proceed to India, but will be subjected on their arrival to such further tests in riding as may be prescribed by their Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government. A candidate who fails at the end of the year of probation to gain at least the certificate of minimum proficiency in riding will be liable to have his name removed from the list of selected candidates.

(a) Instructions showing the extent of the examination will be issued to the successful candidates as soon as possible after the result of the open competition is declared.

\* The principal vernacular language prescribed for each province to which candidates are assigned is as follows :—  
For the North-western Provinces and Oudh, the Punjab, and the Central Provinces—Hindustani.

For Burma—Burmese.

For Bombay—Marathi.

For Madras—Tamil or Telugu (at the option of the candidate).

For the Lower Provinces of Bengal—Hindustani or Bengali (at the option of the candidate).

In Hindustani the candidate will be required to be acquainted with both the Persian and the Nagari character; and in the case of the last two provinces mentioned above, a candidate whose vernacular language is either of the languages shown against his province must offer the other for examination.

† These subjects may not be offered by any candidate who has offered them at the open competition.

11. The selected candidates who, on examination, shall be found to have a competent knowledge of the subjects specified in Regulation 9, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, character, conduct during the period of probation, and ability to ride, shall be certified by the said Commissioners to be entitled to be appointed to the Civil Service of India, provided they shall comply with the regulations in force at the time for that service.

12. Persons desirous to be admitted as candidates must apply on forms, which may be obtained from "The Secretary, Civil Service Commission, London, S.W.," at any time after the 1st December in the year previous to that in which the examination is to be held. The forms must be returned so as to be received at the office of the Civil Service Commissioners on or before the 1st July (or, if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter on which their office is open) in the year in which the examination is to be held.

The Civil Service Commissioners are authorised by the Secretary of State for India in Council to make the following announcements :—

(1.) Selected candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the public service will rank before every other consideration.

(2.) An allowance amounting to £100 will be given to all candidates who pass their probation at one of the universities or colleges which have been approved by the Secretary of State—viz., the Universities of Oxford, Cambridge, Dublin, Glasgow, Edinburgh, St. Andrew's, and Aberdeen; Victoria University, Manchester; University College, London; and King's College, London: provided such candidates shall have passed the final examination to the satisfaction of the Civil Service Commissioners, and shall in the opinion of the Secretary of State have conducted themselves well, and complied with such rules as may be laid down for the guidance of selected candidates. The whole probation must ordinarily be passed at the same institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

(3.) The allowance of £100 will not be paid to any selected candidate until he has been certified by the Civil Service Commissioners to be entitled to be appointed to the Civil Service of India; and every certificated candidate must, before receiving his allowance, give a written undertaking to refund the amount in the event of his failing to proceed to India.

(4.) All candidates obtaining certificates will be also required to enter into covenants by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force they may be required to make towards their own pensions or for the pensions of their families. The stamps payable on these covenants amount to £1.

(5.) The seniority in the Civil Service of India of the selected candidates will be determined according to the order in which they stand on the list resulting from the combined marks of the open competitive and final examinations.

(6.) Selected candidates will be required to report their arrival in India within such period after the grant of their certificate of qualification as the Secretary of State may in each case direct.

(7.) Candidates rejected at the final examination held in any year will in no case be allowed to present themselves for re-examination.

N.B.—A manual of rules and regulations applicable to members of the covenanted Civil Service of India has been compiled by permission of the Government of India, and may now be procured either from Messrs. A. Constable and Co., 2, Whitehall Gardens, S.W., or from Mr. E. A. Arnold, 37, Bedford Street, Covent Garden. Price, 2s. 6d.

The Commissioners have been requested by the Secretary of State for India to draw the attention of selected candidates to the prefatory note attached to this manual, as it is considered important that it should be clearly understood that this compilation is not to be regarded in any other light than that of a collection, made for facility of reference, of certain information and rules, that it is by no means exhaustive, and that it is liable to such modifications as may from time to time be sanctioned by competent authority.

CIVIL SERVICE OF INDIA; CLERKSHIPS (CLASS I.) IN THE HOME CIVIL SERVICE; AND EASTERN CADETSHIPS.

*Syllabus showing the Extent of the Examination in certain Subjects.*

*English Composition.*—An essay to be written on one of several subjects specified by the Civil Service Commissioners on their examination paper.

*English Language and Literature.*—The examination will be in two parts. In the one the candidates will be expected to show a general acquaintance with the course of English

literature as represented (mainly) by the following writers in verse and prose between the reign of Edward III. and the accession of Queen Victoria:—Verse: Chaucer, Langland, Spenser, Shakespeare, Milton, Dryden, Pope, Gray, Collins, Johnson, Goldsmith, Crabbe, Cowper, Campbell, Wordsworth, Scott, Byron, Coleridge, Shelley, Keats. Prose: Bacon, Sir Thomas Browne, Milton, Cowley, Bunyan, Dryden, Swift, Defoe, Addison, Johnson, Burke, Scott, Macaulay (essays and biographies).

A minute knowledge of the works of these authors will not be looked for in this part of the examination, which will, however, test how far the candidates have studied the chief productions of the greatest English writers in themselves, and are acquainted with the leading characteristics of their thought and style, and with the place which each of them occupies in the history of English literature. Candidates will also be expected to show that they have studied in these authors the history of the English language in respect of its vocabulary, syntax, and prosody.

The other part of the examination will relate to one of the periods named below, which will follow each other year by year in the order indicated.

1. (1902.) A.D. 1700 to A.D. 1800 (Pope to Cowper).
2. (1903.) A.D. 1800 to A.D. 1832 (nineteenth-century writers to the death of Scott).
3. (1904.) A.D. 1360 to A.D. 1600 (Chaucer to Spenser).
4. (1905.) A.D. 1600 to A.D. 1700 (Shakespeare to Dryden).

The examination in this part will require from candidates a more minute acquaintance with the history of the English language and literature, as illustrated in the chief works produced in each period, and will be based to a considerable extent, but by no means exclusively, on certain books specified each year by the Commissioners.\* The names placed under the dates are intended to suggest the general character of the literary development of the period, and, consequently, the natural limits of the examination. All the works of Shakespeare, for example, will be regarded as falling within the period 1600 to 1700; all the works of Swift within the period 1700 to 1800; all the works of Scott and Wordsworth, and all the works of Macaulay, within the period 1800 to 1832.

*German Language and Literature.*—Translation and composition. Critical questions on the German language and literature. Conversation.

*Greek Language and Literature.*—Translation from Greek into English, composition in prose and verse, or (as an alternative for verse-composition) a Greek dialogue or oration. Critical questions on the Greek language (including questions on philology) and literature.

*Sanskrit Language and Literature.*—Translation from Sanskrit into English, and from English into Sanskrit. History of Sanskrit literature (including knowledge of such Indian history as bears upon the subject); Sanskrit grammar; Vedic philology.

From the Third Crusade to the Diet of Worms (A.D. 1193 to A.D. 1521). 3. From the Diet of Worms to the death of Louis XIV. (A.D. 1521 to A.D. 1715). 4. From the accession of Louis XV. to the French Revolution of 1848 (A.D. 1715 to A.D. 1848). Periods 3 and 4 will include Indian history.

*Greek History.*—Questions on the general history of Greece to the death of Alexander; questions on the constitutional history of Greece during the same period.

*Roman History.*—Questions on the general history of Rome to the death of Vespasian; questions on the constitutional history of Rome during the same period.

*Logic and Mental Philosophy (Ancient and Modern).*—Logic will include both deductive and inductive logic. Mental philosophy will include psychology and metaphysics.

*Political Science.*—The examination will not be confined to analytical jurisprudence, early institutions, and theory of legislation, but may embrace comparative politics, the history of political theories, &c. Candidates will be expected to show a knowledge of original authorities.

THE attention of the public is drawn to the opportunity afforded for a limited time—i.e., twelve months from the 8th November, 1901—to persons, or the parents of persons, whose births cannot now be registered under "The Registration of Births and Deaths Act, 1875," of effecting a special registration by application to the Registrar-General.

By section 2 of "The Registration of Births Extension Act, 1901," the provisions of the 2nd section of "The Registration of Births Act Amendment Act, 1882," are re-enacted, subject to modification rendered necessary by "The Registration of Births and Deaths Act, 1892," and extend and apply to the Act which passed on the 8th November, 1901. As changed they now stand:—

"It shall be lawful for the Registrar-General to register the birth of any child born in the colony previous to the period of two years before the date of the passing of this Act, but whose birth has not previously been registered, provided—

(a.) That satisfactory evidence on oath, and such other proof as he may deem necessary, of the fact, place, and time of birth, and of the particulars of the parents, shall be sent to the Registrar-General within twelve months from the date of the coming into operation of this Act;

(b.) That, on application to have such birth registered, a fee of one pound shall be paid to the Registrar-General.

"The particulars of the birth and of the nature of the evidence produced shall be entered by the Registrar-General in a separate book, which shall be kept by him for that purpose. The form in which the particulars are to be registered shall be prescribed by the Registrar-General."

These sections are situated on the western side of Whiteman's Valley Road. The access is from Silverstream, which is about four miles distant *via* the Whiteman's Valley Road, which is formed and metalled. The sections comprise rough, barren, hilly country, with about 15 acres of flat land. The soil is of poor quality, resting on a sandstone-and-clay formation. There are about 5 acres of bush, comprising mostly birch; dead timber through which the fire has run is standing or lying on the remainder of the sections, fern having sprung up wherever the fire has been. The sections are well watered by permanent springs. The elevation ranges from about 1,000 ft. to 1,500 ft. above sea-level.
