*Subsidies to Public Libraries.*

Education Department,  
Wellington, 20th November, 1901.

NOTICE is hereby given that the sum of £3,000 has been voted by Parliament for distribution to public libraries.

The distribution will take place on the 8th February, 1902, and no claim will be entitled to consideration that shall not have been sent in in due form and received by the Secretary for Education, Wellington, on or before the 31st January, 1902.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under the control of an association, society, or club, whose membership is composed of a section of the community only, and if within a borough it must be open to the public free of charge. The receipts for the year from subscriptions and donations must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The net proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. A subsidy will not be given to more than one library in the same town.

2. In the division of the vote, a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £75—that is, in no case will the augmented amount on which distribution is based exceed £100.

3. The whole of the subsidy must be expended in the purchase of books for the library.

4. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and expenditure of the institution for the year ending on the 31st day of December, 1901; and such declaration must be on the form provided for the purpose, which form shall be as follows:—

## DECLARATION.

I, [Name], of [Place of abode], [Occupation], do solemnly and sincerely declare that I am Chairman [or Secretary, or Treasurer] of the [Name of institution]; that during the year ending on the 31st day of December, 1901, the receipts of the aforesaid institution for the maintenance of the library only were as follows: From rates levied by a local governing body under "The Public Libraries Act, 1869," pounds shillings and pence; from the subscriptions of members, pounds shillings and pence; and from voluntary contributions other than members' subscriptions, pounds shillings and pence. And I do solemnly and sincerely declare that the information hereinafter furnished by me in the appendix hereto is correct in every particular; that the abstract of accounts is a true statement of the receipts and expenditure of the institution for the year herein specified; that the whole of the subsidy received during the year was expended in the purchase of books for the library; and that by the rules of the institution admission to the reading-room is open to the public free of charge.

And I make this solemn declaration conscientiously believing the same to be true, and by virtue of an Act of the General Assembly of New Zealand intituled "The Justices of the Peace Act, 1882." (Signature.)  
Declared at \_\_\_\_\_, this \_\_\_\_\_ day of \_\_\_\_\_, 190 \_\_\_\_\_, before me— \_\_\_\_\_, Justice of the Peace [or Solicitor, or Notary Public].

[Here affix and cancel a stamp at 2s. 6d.]

[NOTE.—The words relating to last year's subsidy and to free admission may be struck out if they are not applicable. The words in brackets are not part of the form, but indicate matter to be inserted or substituted.]

Copies of the form of application may be obtained from the Secretary for Education, Wellington, and from the Secretary of any Education Board.

W. C. WALKER.

*Bonus for Treatment of Auriferous Black Sand.*

Mines Department,  
Wellington, N.Z., 14th November, 1901.

NOTICE is hereby given that a bonus of £2,000 will be paid to any person who, before the 1st January, 1904, shall invent such appliances as will successfully save gold from black sands in New Zealand.

The bonus will be paid on compliance with the following conditions:—

2. It shall be readily transportable from place to place, and shall be capable of utilising local water for all its requirements.

3. 4. No bonus to be paid until the invention has been continuously worked for not less than six months, and it shall, during that period, have treated not less than 100,000 cubic yards of material, working three shifts a day.

5. The bonus will be paid on the certificate of an officer that not less than twenty persons other than the applicant for the bonus are successfully working the invention.

6. Any person who receives the bonus shall not be allowed to take out patent rights in New Zealand for his invention.

This run is situated on the slopes of the Station Peak Range, which flanks the eastern side of the Hakateramea Valley, South Canterbury. It lies on the north side of the Meyer's Pass Road, near the source of the South Waihaio River, about twenty-three miles from Waimate and fourteen miles from Hakateramea. It comprises high open hill country, the spurs being intersected by deep rough gullies, making the block difficult of access. The country is of purely pastoral character, the vegetation consisting of native and English grasses, with snow-grass only on the higher altitudes. It is fairly well watered by springs and

streams, but is liable to burn up in a dry summer, and, as the elevation ranges from about 1,500 ft. up to about 3,500 ft. above sea-level, it is liable to heavy falls of snow in winter.

The run is weighted with a valuation of £635 10s. for improvements, consisting of two huts, and boundary and subdivision fencing; this sum must be paid by the successful lessee before being admitted to possession of the run.

Possession of the run will be given on the 1st March, 1902.
