*Notice to Mariners No. 75 of 1902.*

REFERRING to Notice to Mariners No. 51 of 1902, issued by this Department on the 25th July last, the following notice, received from the Department of Ports and Harbours, Melbourne, Victoria, is published for general information.

WM. HALL-JONES.

VICTORIA.—CAPE OTWAY LIGHT.

REFERRING to Notice to Mariners No. 30, dated 4th July, 1902, it is hereby notified that the Cape Otway white flashing light has been screened or cut, so that the characteristic three flashes in quick succession every minute are only visible from seaward between the bearings S. 79° E. and S. 84° W.

Shoreward of such bearings, however, the light will still be seen, but the flashes diminish gradually from three to two, then from two to one, and finally the single flash is lost at about a distance of 15 degrees inside of the above bearings.

Mariners seeing the light as a single or double flash will therefore know they are shoreward of the bearings defining the limits of the full three-flash cuttings.

It is intended on and after the 13th of February, 1903, to show red sectors of the light between the bearings above mentioned and the shore to eastward and westward of the light-house.

[For the Information of Candidates.]

1. APPOINTMENTS to naval cadetships will be made by limited competition, with the undermentioned exceptions:—

Six cadetships given annually to sons of gentlemen in the colonies, on the recommendation of the Secretary of State for the Colonies.

Service cadetships, the total number of which is not to exceed seven in any one year. Service cadets will be selected by the Board of Admiralty from (a) sons of officers of the army, navy, or marines who have been killed in action, or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury; (b) sons of officers of the navy or Royal marines who have performed long or distinguished service, and who hold or have held rank or relative rank on the active list not lower than that of commander. Not more than three service cadets will be nominated annually under clause (b).

Applications for service cadetships should be addressed to the Military Secretary, Horse Guards, if the candidate is the son of an officer of the army; to the Secretary of the Admiralty if the candidate is the son of an officer of the navy or marines; and to the Military Secretary, India Office, if the candidate is the son of an officer of the Indian Army.

Application for colonial cadetships should be made to the Secretary of State for the Colonies, through the Governor of the colony with which the applicant is connected.

Colonial and service cadets will be entered on qualifying as specified in paragraph 10, and will in all other respects be subjected to these regulations.

Candidates must be of pure European descent, and the sons either of natural-born British subjects or of parents naturalised in the United Kingdom.

If any doubt arises upon this question, the burden of clear proof that he is qualified will rest upon the candidate himself.

The educational examination of all candidates will be conducted by the Civil Service Commissioners (address, Burlington Gardens, S.W.), who will deal with all questions connected with such examination, and will announce the results. A fee of £1 will be required from each candidate.

2. Except in special circumstances, not more than one-third of the number of candidates actually presenting themselves before the Civil Service Commissioners will be entered.

3. All nominations of candidates for naval cadetships are made by the First Lord\*, with the exception of a limited number which are at the disposal of individual members of the Board, and of the Secretaries to the Board of Admiralty.

A flag officer or a commodore first-class appointed to the chief command of a station, or to a separate command, and a captain on first appointment as such to the command of a ship, will be allowed to nominate one candidate, provided the privilege is exercised within six months of appointment, and that the candidate is not less than thirteen years of age when nominated. The examination of candidates will not take place until they are eligible by age under clause 6.

No captain will be entitled to nominate more than one candidate during the time he holds the rank of captain, but a flag officer or a commodore first-class may claim the privilege each time he is appointed to a command as above.

In the event of a candidate's nomination being cancelled before he has commenced the examination, the officer who nominated him will be allowed to select another candidate for the same or following examination.

4. The nomination will be made three times a year, as soon as convenient after the report of the last examination has been received from the Civil Service Commissioners.

5. The examinations will be held in London and at Portsmouth, in March, July, and November, about six weeks before the commencement of each term, and the appointments will date from the 15th May, 15th September, 15th January following respectively, and the terms will commence as shown in Regulation 15.

6. A candidate will not be eligible for the examination in March who is less than 14½ or more than 15½ years of age on the 15th May following, nor for the examination in July or November who is not within those limits of age on the 15th September or 15th January following respectively.

7. Every candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age. Before being examined by the Civil Service Commissioners he will be required to pass the medical examination according to the prescribed regulations, and must have been found physically fit for the navy; rejection at such examination will finally exclude him from the navy.

8. The candidate will be required to produce (1) a Registrar's certificate of the date of his birth, or a declaration thereof made before a Magistrate (*a certificate of baptism will not be accepted*); (2) a certificate of good conduct from the masters of the school or schools at which he may have been educated during the two previous years, or, if educated at home, from his tutor, or the clergyman of the parish in which he resides; and (3) proofs of good health.

9. Candidates will be examined in the following subjects grouped in Class I. In order to qualify for admission as naval cadets, candidates must obtain such an aggregate of the marks in arithmetic, algebra, and geometry combined, and also in the subjects of Class I. as a whole, as shall satisfy the Civil Service Commissioners.

A candidate who fails to qualify will not be entitled to another trial, but will be allowed to compete at the next examination if he receives a fresh nomination and is still within the limits of age.

12. A candidate who, owing to illness, fails to appear at the examination for which he has obtained his nomination may receive another nomination, provided he is still within the limits of age.

13. For all cadets entered under these regulations the payment will be at the rate of £75 per annum for the period in the "Britannia," to be paid every term in advance to the cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the cadets entered at each examination a number, not to exceed six, being sons of officers of the navy, army, or marines, or of civil officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the cadet.

Applications for the reduced scale must be received at the Admiralty not later than the 1st January, 1st May, and 1st September.

Parents or guardians are further required to make a private allowance of £50 per annum to cadets from the expiration of their period of training in the "Britannia" until they reach the rank of acting sub-lieutenant.

14. In addition to the annual payments mentioned in the foregoing paragraph, the parent or guardian will be charged with the personal expenses incurred by the cadet for washing, repairing boots and clothes, hair-cutting, pocket-money, &c.

15. The period of training on board the "Britannia" will be four terms. There will be three terms in each year. The first term of each year will be approximately from the 14th January to the 14th April, the second from the 5th May to the 5th August, and the third from the 16th September to the 16th December.

The vacations will be four weeks at Christmas, three weeks at Easter, and six weeks at midsummer.

16. (a.) Reports of progress in seamanship, mathematics, navigation, and technical subjects will be made to the Admiralty at the end of each term, and an intermediate examination will be held at the end of the second term.

(b.) Cadets who are reported at the end of any term as having made unsatisfactory progress, through idleness or want of attention, will be "warned," and in the event of a second report to the same effect being received they will be liable to be discharged.

(c.) Cadets who fail at the final examination to obtain 45 per cent. of the maxima marks in the mathematical subjects, including the theory of navigation and nautical astronomy, or in seamanship, and 40 per cent. in charts, instruments, French, steam and drawing combined, will be ordered to be withdrawn.

(d.) Reports of conduct will be made to the Admiralty at the end of each term, or at any time during the period of training on board, if considered desirable. Cadets who are reported to the Admiralty at any time for unsatisfactory conduct will be "warned," and should they again be reported they will be liable to be discharged. Any cadet, however, who is reported for unsatisfactory conduct during his final term will be liable to be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

(e.) Any cadet who shall at any time appear to their Lordships to be unfit for the naval service, for any reason whatever, will be removed from the "Britannia"; and it must be understood that this rule will apply to those who are considered unfit from insufficient physical development or weakness of constitution, although no actual organic disease may have been developed.

17. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the parent or guardian of every cadet will be required to sign a declaration (on the admission of the cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the navy.

18. Cadets will, on passing out of the "Britannia," rank according to the amount of sea-time they obtain at their final examination, and those who obtain equal amounts of sea-time will rank in the order of merit in which they pass out of the "Britannia."

Sea-time will be awarded according to the following scale:—

	Mathematics and Navigation.	Extra Subjects.	Seamanship.	Conduct.
1st Class ..	1 month ..	1 month	1 month	Very good. 1 month.
2nd Class ..	$\frac{1}{2}$ month ..	$\frac{1}{2}$ month	$\frac{1}{2}$ month	Good. $\frac{1}{2}$ month.

19. The parent or guardian of every cadet will be required to provide outfit under the regulations in force.

20. No pay will be allowed by Government to cadets in the "Britannia." The pocket-money allowed to cadets will be charged to the parents.

21. As only cadets who are able to swim are permitted to use the boats belonging to H.M.S. "Britannia," the Lords Commissioners of the Admiralty desire to impress upon parents and guardians the importance of cadets being taught to swim before they join the training-ship, so as to enable them to obtain the full benefits of use of the boats.

The age on entry having been raised, it is hoped that boys who are members of the Church of England will, if possible, be confirmed before joining the "Britannia." The demands made upon the time of cadets, owing to the shortened period of training, will render it difficult to prepare such a large number for confirmation with the necessary care.

By command of their Lordships.

EVAN MACGREGOR,

Admiralty, May, 1902.

NOTICE is hereby given that the undermentioned land will be open for selection on lease in perpetuity, at this office, on Tuesday, 4th November, 1902, under the provisions of "The Land for Settlements Consolidation Act, 1900," and amendments.

If more than one application is received for the section on the same day, priority of selection shall be decided by ballot.

SCHEDULE.

WELLINGTON LAND DISTRICT.—CASTLEPOINT COUNTY.—REWA SURVEY DISTRICT.—LANGDALE SETTLEMENT.

*First-class Land.*

Section.	Block.	Area.	Lease in Perpetuity : Rent, 5 per Cent.	
			Rent per Acre per Annum.	Half-yearly Rent.
11	III.	A. R. P. 34 2 0	s. d. 5 0	£ s. d. 4 6 3

This section is comprised of 15½ acres of flat, 5 acres of swamps and lagoons, balance, 14½ acres, easy sloping hills. The altitude of the flat is 55 ft. and the highest point of the hills 100 ft. above sea-level. The land is under English and native grasses and vegetation, including a good deal of rushes. The soil is of a clayey nature, which cakes in summer. This fault will be lessened when the land is properly drained and cultivated. The only permanent water is the Whareama River, on the other side of the reserve along the river-bank. Water is obtainable, probably, by sinking wells. The section is fenced along the southern boundary and Langdale Road. The improvements (which go with the land) are: Half-value of 40 chains of fencing adjoining Blairlogie (four plain and one barbed wire, posts 8 ft. apart); 2 chains along Langdale Road (seven plain wires, posts 8 ft. apart); and 28½ acres grazing: the whole valued at £37. Access is by the Langdale Road, a quarter of a mile to the junction with the Blairlogie Road, thence twenty-five miles and three-quarters to Masterton; to Te Nui, nine miles by the Langdale and Masterton-Te Nui Roads.

JOHN STRAUCHON,  
Commissioner of Crown Lands.
