The said rights, powers, and privileges may be at any time resumed by the Governor without payment of any compensation whatever, on giving to the licensees three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the licensees in New Zealand.

10. The licensees shall be liable for any injury which the said boat-shed and slip may cause any vessel or boat to sustain through any default or neglect on their part.

Assistant Secretary and Accountant.

The foregoing accounts have been examined and found correct, subject to the following remarks:—

1. The "Customs," "Railways," and "Territorial Revenue" receipts are not now examined by the Audit Office.
2. The Audit Office is unable satisfactorily to verify the receipts of gold revenue, through the failure of the Mines Department to comply with a requisition for a certified statement of the amounts collectible as such revenue.
3. The "Advances in the hands of officers of the Government" include payments to the amount of £12,751 5s. 4d., though the accounts of the same were received at the Treasury before the close of the year.

J. K. WARBURTON,  
Controller and Auditor-General.

JAMES B. HEYWOOD,  
Secretary to the Treasury.

ROBERT J. COLLINS,  
Assistant Secretary and Accountant.

foregoing accounts have been examined and found correct, subject to the following remarks:—

- (1.) The "Customs," "Railways," and "Territorial Revenue" receipts are not now examined by the Audit Office.
- (2.) The Audit Office is unable satisfactorily to verify the receipts of gold revenue through the failure of the Mines Department to comply with a requisition for a certified statement of the amounts collectible as such revenue.
- (3.) The "advances in the hands of officers of the Government" include payments to the amount of £12,751 5s. 4d., though the accounts of the same were received at the Treasury before the close of the year.

J. K. WARBURTON,  
Controller and Auditor-General.

Locality and Description of Township of Otorohanga.

Otorohanga Township is situated within what is known as the King-country, on the North Island Main Trunk Railway-line, 114 miles from Auckland and fourteen miles from Te Awamutu. It is the oldest of the European settlements in the King-country, but it is only now that Europeans are able to obtain valid titles to the land there. There is a considerable European and Maori population at Otorohanga at the present time, and it has been known for some years past as a thriving business-place. There is a large area of Crown land in the vicinity, a great deal of which has already been taken up, and as settlement progresses Otorohanga will become a place of considerable importance. There is a daily train service to it from Auckland. There is a sawmill in the township employing a number of workmen both in the mill and in the adjacent bush. There is a Board school, a public hall, a temperance hotel, and a Methodist church in the township, and a creamery within a distance of four miles. There is a graded and formed road from Otorohanga leading to Kihikihi, Te Awamutu, and other parts of Waipa and Waikato Counties. Otorohanga is within easy reach of the celebrated Waitomo Caves, and is the nearest place to them at which proper accommodation for tourists can be obtained. The township is laid out in a pretty valley on the west side of the railway-station site and the railway-line. It is bounded on the south and east by the Waipa River, which has been well stocked with trout. The township is partly on flat and partly on rising ground, thus comprising allotments suitable for both business and residence sites.

TERMS AND CONDITIONS OF LEASE.

- The respective lots shall be offered by public auction on the 16th day of June, 1904.
- The bidder of the highest rent shall be declared to be the lessee, and, if any dispute arises as to the last or highest bid at any auction for any lot, the lot in dispute shall be put up again at the last preceding bid.
- The highest bidder for any lot shall, upon the fall of the hammer, pay to the auctioneer the first half-year's rent in advance by way of deposit, which shall represent the half-year's rent as from the 1st July, 1904, and shall cover the period between the date of sale and such 1st July, 1904.
- The second half-year's rent shall become payable on the 1st January, 1905, and thenceforth the rent shall be paid half-yearly in advance.
- As soon as may be after the highest bidder is ascertained, a lease will be prepared, for which there will be a charge of £1, to be paid by the lessee. Such lease shall be for the term of twenty-one years, commencing from the 1st July, 1904, and the lessee shall execute the same in triplicate at the office of the Council whenever requested to do so.
- The lease may provide for renewals from time to time for a period not exceeding twenty-one years at a rent to be fixed by valuation or by arbitration, and it may also provide for payment by the incoming tenant for improvements made by the outgoing tenant, the value of such improvements to be ascertained by arbitration.
- In cases where any of the allotments are subject to the payment of the value of the improvements by the provisions of an expiring lease or otherwise, the respective amounts thereof shall be specified in the conditions, and such value shall be paid at the same time and in the same manner as the deposit heretofore mentioned.
- Should the highest bidder neglect or fail to comply with any of the conditions, his deposit-money shall thereupon be forfeited to the Council, who shall be at full liberty either to enforce the letting or to relet the premises at such time and place and in such manner as it thinks fit, unless some other arrangement is assented to, in writing, by the outgoing lessee or person interested.
- Every lease shall be in the following form, with such modification as the circumstances may require:—

The lessee will not at any time during the said term, without the previous consent in writing of the local authority, carry on or permit to be carried on upon the said demised premises, or any part thereof, the trade or business of a soap-boiler, tallow-chandler, tanner, slaughterman, meat curer or preserver, or any noisy, noxious, or offensive trade or manufacture of any kind whatever.

(6.) The lessee will permit the lessor, or any person on his behalf duly authorised as hereinafter provided, from time to time to enter upon the demised premises at all reasonable times, to view the state and condition thereof, and upon notice of any defect or want of repair being given to the lessee, or left for him on the premises, the lessee will, within one month thereafter, make good any such defect or want of repair:

Provided always that whenever the rent hereby reserved, or any part thereof, is in arrear for twenty-one days the same may be levied by distress without any previous demand of payment or notice of any kind: Provided further that, if the lessee makes default for thirty days in the full and punctual payment of any of the said rent, or if he makes default in the faithful performance or observance of any other covenant or condition on his part herein contained or implied, or if the lessor is satisfied that the land comprised in this lease is being held unused and to the hindrance of the trade and progress of the said township, then and in any such case, and without any notice or demand whatsoever, it shall be lawful for the lessor to re-enter upon the demised premises and thereby determine this lease, and that without releasing the lessee from any liability in respect of any rent due or any preceding breach of covenant.

And it is hereby declared and agreed as follows, that is to say —

(1.) The rent hereby reserved may be paid to the President of the Maniapoto-Tuwharetoa District Maori Land Council, or any officer who may be authorised by a notice under the hand and seal of the lessor, and duly published in the *New Zealand Gazette*, to receive the same, and the receipt of the President or such person so appointed shall be a good discharge to the lessee.

(2.) Any power which may be exercisable under these presents by or on behalf of the lessor may from time to time be exercised by any person whom he from time to time appoints for that purpose.

(3.) Service on the lessee of any notice under this lease may be effected either personally or by posting the same in a registered letter addressed to him either at his last known place of business or abode in the colony or at the demised land.

(4.) The lessee, faithfully observing and performing all the covenants, conditions, and agreements on his part herein contained or implied, shall, on the expiration by effluxion of time of the original and every renewed term, have a recurrent right of renewal of the lease, or to valuation for all substantial improvements of a permanent character made or owned by him and then existing on the demised land: Provided that such right shall exist only to the extent and subject to the conditions following, that is to say:—

(1.) Not sooner than nine nor later than six months before the expiration of any term by effluxion of time two separate valuations shall be made in manner prescribed (*mutatis mutandis*) by sections 79 and 80 of "The Land Act, 1892," of

(a.) All such improvements as aforesaid; and of

(b.) The annual ground-rent of the land (exclusive of such improvements as aforesaid) for a fresh term of twenty-one years.

(2.) After the making and publishing of the aforesaid valuations, which shall be effected by aforesaid a copy thereof on the lessee and another copy on the lessor, but not later than one month before the date of such expiration as aforesaid, the lessee shall, by notice in writing served on the lessor, elect whether he will accept a new lease of the demised land (including the aforesaid improvements) for a fresh term of twenty-one years, computed from the date of such expiration as aforesaid, at the annual ground-rent ascertained by valuation as aforesaid, and subject in all other respects to the same covenants and conditions as those of this present lease.

(3.) If for any reason the lessee does not duly elect in manner aforesaid to accept such new lease, or if, having duly elected, he for any reason does not execute such new lease when requested by the lessor so to do, his right to a new lease shall be and be deemed to be abandoned, and the land shall be disposed of by lease, at such time, in such manner, and subject to such conditions, not inconsistent with the said Act and its amendments, and the regulations for the time being in force thereunder, as the lessor thinks fit: Provided that it shall be one of the conditions of the new lease that the new lessee pays to the lessor the amount at which the improvements (if then existing) have been valued as aforesaid, or such less amount as the lessor thinks just, having regard to the extent to which such improvements have deteriorated since the date of the said valuation; and all moneys actually received by the lessor in respect of such valuation shall be paid over to the lessee under this present lease as soon as the lessor is satisfied that the new lessee has been admitted into full and quiet possession of the premises: Provided further that in no case shall the lessee under this present lease have any claim against the lessor in respect of any such improvements, or of the value thereof, save to the extent of the moneys which are actually received as aforesaid from the new lessee, and available for payment, and which the lessee under this present lease becomes actually entitled to.

(4.) When no valid bid or tender is received for any allotment heretofore or hereafter advertised for disposal under the provisions of the said Act, such allotment may at any time within six months from the date of the auction, or opening of tenders, be taken up, subject to all the other provisions of the said Act and these regulations, at the upset price or rental.

President, Maniapoto-Tuwharetoa District Maori

Parawai Township is situated on the south head of Kawhia Harbour, about 140 miles south of Onehunga, and comprises undulating grass and scrub ground. The greater portion of the flat part of the township is swampy, and requires drainage before being fit for building. There is weekly steamer communication from Onehunga to Kawhia, and coach-road from Pirongia to Oparau, thence by steam-launch to the site of the township.

|         |              |         | Acres. | £                    | Yrs.             |

This run is situate on the western slopes of the Hunters Hills, between the summit and the River Waihao, about twenty-three miles distant from St. Andrew's Railway-station, at an altitude of from 2,000 ft. to 5,000 ft. above sea-level. It comprises high spurs, falling steeply into the creeks, but becoming less rugged as they approach the Waihao River, mostly covered with tussock, snow-grass, and other native grasses. The improvements consist of about twenty-four miles and three-quarters of boundary and subdivisional fencing, and two 12 ft. by 12 ft. wood-and-iron huts. The maximum amount which the incoming tenant will be liable for on account of improvements is £1,277.

TERMS AND CONDITIONS.

1. Possession of the run will be given to the purchaser of the license on the day of sale, subject to payment of the valuation for improvements.

2. No person or company may become the holder of more than one run under Part VI. of "The Land Act, 1892": Provided that the holder of any run under the said Act of a carrying-capacity of less than ten thousand sheep or two thousand head of cattle may become the lessee of an aggregate area sufficient to carry such a number of sheep or cattle. The holder of any small grazing-run under Part V. of "The Land Act, 1892," shall not be the holder of any run under Part VI. of the said Act.

3. The license shall be dated on the 1st March, 1905, and shall be for a term of thirteen years from that date.

4. The license shall be subject to the following conditions, amongst others:—

- (1.) That if the licensee, or any person claiming an interest through or under him, shall make or cause to be made any agreement or contract, or shall give or cause to be given or taken any negotiable security, for the purpose of defeating or evading the provisions of, or shall in any way whatsoever, directly or indirectly, commit or be privy to a fraud upon, "The Land Act, 1892," the license shall be liable to be forfeited and revoked;
- (2.) That the licensee shall prevent the destruction or burning of timber or bush on the land comprised in the license;
- (3.) That the licensee shall prevent the growth or spread of gorse, broom, and sweetbriar on the land comprised in the license, and shall with all reasonable speed remove or cause to be removed all gorse, sweetbriar, broom, or other noxious weeds or plants, as may be directed by the Commissioner;
- (4.) That the licensee shall destroy all rabbits on the land comprised in the license, and shall prevent their increase or spread, to the satisfaction of the Commissioner or an officer appointed by him to inspect the ground; and
- (5.) That during the months of December to June, inclusive, or such other months, not exceeding altogether seven in any one year, as the Commissioner shall from time to time determine, the licensee shall not burn the grass on the land comprised in the license.

5. The licensee shall have the exclusive right of pasturage over the lands specified in his license, but shall have no right to the soil, or timber, or minerals thereon or therein.

6. One half-year's rent and a license fee of £1 ls., shall be paid on the fall of the hammer, and the purchaser shall make a declaration in terms of section 195 of "The Land Act, 1892." The rent shall be paid half-yearly in advance, on the 1st day of March and the 1st day of September in each year during the term of the license, the half-year's rent

paid on the fall of the hammer being for the half-year commencing on the 1st September, 1904. Should the half-yearly rental at any period not be paid within thirty days, a penalty of 10 per cent. in addition will be enforced.

7. No liability is accepted by or on behalf of the Crown in respect of any fencing existing upon the Crown lands offered for license. The runs are sold subject to the rights of the present licensees to valuation for improvements in terms of section 207 of "The Land Act, 1892," and to the other provisions of the Land Acts relating to improvements effected by licensees, but no licensee shall be entitled to valuation for improvements effected upon the forest reserves included in this license. Where fences form the boundary between Crown lands offered for license and freehold lands, the purchaser of such license will be liable to the provisions of any law now or hereafter in force relating to boundary-fences. Valuation for improvements must be paid to the Receiver of Land Revenue, Christchurch, before the licensee will be let into possession.

And whereas, since the making of the said order, the said Rotopounamu No. 1 has been partitioned, and the interest of the deceased has been awarded in Rotopounamu No. 1c: It is hereby further ordered that the name of the said Karepe Tuhaha be substituted for those of the said Karauria Puhikaru and Wiremu Tewi in the order ascertaining the title to Rotopounamu No. 1c so far as relates to the interest of the said Marutuna Tiriti, deceased.
