The lessee shall have no claim against the Crown for compensation either for any improvements that may be placed upon the land, or on account of the aforesaid resumption, or for any other cause: Provided, however, that if at the expiration of the term the land shall be again offered for lease, then such lease shall be weighted with valuation for any fencing then on the land which has been erected by the outgoing lessee during the term of his lease, and such valuation shall be paid by the then incoming tenant before being admitted to possession of the land.

6. The lessee shall have no right to sublet, transfer, or otherwise dispose of the whole or any portion of the land comprised in the lease, except with the written consent of the Commissioner of Crown Lands first had and obtained.

7. The lessee shall destroy all rabbits on the land, and shall prevent their increase or spread, to the satisfaction of the Commissioner of Crown Lands.

8. The lessee shall prevent the growth and spread of gorse, broom, and sweetbriar on the land comprised in the lease, and he shall with all reasonable despatch remove or cause to be removed all gorse, sweetbriar, broom, or other noxious weeds or plants as may be directed by the Commissioner of Crown Lands.

9. The lessee shall once a year during the said term, and at the proper season of the year, properly out and trim all live fences now on the demised land, or which may be planted thereon during the said term.

10. The rent shall be payable half-yearly in advance, free from all deductions whatsoever.

11. The lease shall be liable to forfeiture in case the lessee shall fail to fulfil any of the conditions of the said lease within sixty days after the date on which the same ought to be fulfilled.

12. 13. The lease of Reserve 1839 will contain a provision that the land shall be used for grazing sheep only, but that if the lessee desires to graze cattle or horses upon any portion of the reserve he shall first securely fence off the planted portion of the reserve with a good and sufficient fence, and shall not allow any cattle or horses to enter the plantation so fenced off.

14. The lease of Reserve 3488 will contain provisions that the lessee may break up the portion of the reserve in grass at the commencement of the lease, and may take therefrom one crop and no more either of oats or turnips, with either of which the land must be sown down with grass and clover in a thoroughly satisfactory manner, and then left in pasture for at least three years from the harvesting or feeding off of such crop; at the end of such three years another crop of oats, sown with grass and clover as before, may be taken. The portion of the reserve, about 60 acres, which was in turnips before the commencement of the lease may be treated in the same manner. The portion which was in oats during the season before the commencement of the lease, about 30 acres, shall immediately be sown with grass and clover, with a green crop. All portions laid down in grass must be thoroughly well sown down with an ample quantity of seed of approved quality, and left in pasture for at least three years after the harvesting of the last crop, and the whole of the reserve must be left in good pasture at the end of the term.

The fencing upon the reserve will be valued at the commencement of the term, and at the end of the lease, with a view to the next lease being loaded with any increase of value.

IN THE NATIVE LAND COURT OF NEW ZEALAND.

In the matter of the Kaiwaka Block, and in the matter of the succession to the interest of Tareha Moananui therein.

WHEREAS by a certificate of the Native Land Court, bearing date the 20th day of May, 1885, Te Roera Tareha, Kurupo Tareha, Hineiaia Tareha, Hawekirangi Tareha, Airini Tonore, and Whitiwhiti Hauwaho were determined to be the successors to the interest of the said Tareha Moananui in the said land: And whereas by an Order in Council dated the 22nd day of May, 1905, and published in the *Gazette* and *Kahiti* on the 1st day of June, 1905, His Excellency the Governor, in exercise of the powers in that behalf vested in him by "The Land Titles Protection Act, 1902," consented to the initiation of proceedings under section 39 of "The Native Land Court Act, 1894," for the purpose of rectifying an alleged mistake in the said certificate: And whereas application under the said section 39 was on the 19th day of June, 1905, made by Roera Tareha and others for an amendment of the said certificate:

And whereas upon inquiry held by me, the undersigned, Chief Judge of the Native Land Court, at Hastings, on the 19th day of June, 1905, and upon hearing Mr. T. W.
