ORDER IN COUNCIL.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by an order of the Native Land Court made the twenty-sixth day of September, one thousand eight hundred and eighty-three, purporting to determine the successors to the share or interest of Arapata Hakiwai, deceased, in the land known as Ngatarawa No. 2, Horiana Taituha was declared to be one of the successors to the said share or interest: And whereas it is alleged that the said order was made in pursuance of an informal will made by the said Arapata Hakiwai, and that on the true interpretation of the said will it was the intention of the said Arapata Hakiwai that the said Horiana Taituha should take an estate for her own life in the said share or interest, with remainder to the children of the said Arapata Hakiwai, and that by some error, mistake, or omission the said order purports to vest in the said Horiana Taituha an estate of inheritance:

And whereas application has been made to His Excellency the Governor in Council to consent to the making of an application to the Chief Judge of the Native Land Court, in pursuance of the provisions of section thirty-nine of "The Native Land Court Act, 1894," to amend the said order for the purpose of rectifying the said alleged error, mistake, or omission:

And whereas on inquiry held in pursuance of the provisions of "The Land Titles Protection Act, 1902," the Governor is satisfied that a *prima facie* case has been established, and that it would be inexpedient to dispose of it by remedial legislation or any other procedure which would obviate litigation:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, in exercise of all powers and authorities in that behalf vested in him by "The Land Titles Protection Act, 1902," and of every other power and authority enabling him in that behalf, and acting by and with the advice and consent of the Executive Council of the said colony, doth hereby consent to the making of an application to the Chief Judge of the said Court in accordance with the provisions of section thirty-nine of "The Native Land Court Act, 1894," for the purpose of rectifying the said alleged error, mistake, or omission, and that the said order of the said Court made the twenty-sixth day of September, one thousand eight hundred and eighty-three, may be the subject of an order of the said Chief Judge under the said section thirty-nine of "The Native Land Court Act, 1894."

CONDITIONS OF SALE.

- The right to cut and remove the timber on each lot will be sold generally in accordance with the provisions of "The Land Act, 1892," the Timber Regulations made thereunder, and the following conditions:—
- The quantities of the various timbers set forth in the above Schedule are approximate only, and are furnished for the general information of intending purchasers, who are expected, previous to the sale, to make their own estimate of the quantity of the timber on each lot.
- One person shall not purchase the right to cut and remove the timber in more than one lot.
- The successful bidder shall purchase the whole of the timber in each lot, and shall, on the fall of the hammer, pay in cash the sum bid for the privilege of cutting, together with a license fee of £1 1s.; and shall also deposit six approved promissory notes payable on demand, each promissory note to be for one-sixth of the above-quoted value of the timber purchased by him. The said promissory notes shall be cancelled and returned from time to time as the value of the timber represented by them has been cut out and paid for by royalty; or should any breach of the conditions occur, such as an undue delay in the payment of the instalments of royalty as they become due from time to time, or for any other breach of the conditions, the Land Board shall have the right to present one or more of the uncanceled promissory notes as it shall think fit.
- The purchaser of each lot shall have the right to cut all timber thereon during a period of six years from the date of sale, and it shall be a condition that his mill shall be in working-order within one year from date of sale; and such mill shall thereafter be kept continuously working at such a rate of speed as shall insure an output of not less than 1,000,000 superficial feet per year.
- The license shall be only for the cutting and removal of the timber, and shall give no right to the use of the land.
- Royalties at the rates quoted in the above Schedule shall be paid quarterly on the output of the mill as disclosed by the mill-books. All books used in connection with the mill and working of the bush shall be subject to inspection and verification at all times by the Crown Lands Ranger, or by any other officer appointed by the Land Board.
- The licensee shall enter in a delivery-book, to be supplied by the Department, each class, sort, and quantity of timber despatched either from the mill or from the yard. Each page of said delivery-book shall be numbered consecutively, and shall consist of not less than three dockets bearing the same number, one of which shall be posted every fortnight to the Commissioner of Crown Lands, Wellington. All timber, including face-cuts, sold for cash or exchanged for other commodities shall be entered in the same delivery-book.
- No totara or matai shall be used in the erection of the mill or other buildings connected with its working, nor in the construction of tramways, bridges, culverts, skids, landings, &c., without permission in writing of the Commissioner of Crown Lands. Separate accounts shall be kept of the timber used in the erection and construction of said buildings and tramways, &c.; and in the event of the licensee disposing of any totara or matai used in any of the above works, or should he sell or otherwise dispose of any of the buildings during or at the end of his license, he shall at once pay the stated royalty on the timber contained therein.
- The licensee shall keep accounts of all sleepers, posts, battens, house-blocks, shingles, &c., split from logs or butt ends, also of each class and quantity of timber remaining in mill-yard at the expiration or sooner determination of his license, upon all of which the stated royalties shall be paid.
- The timber in each lot shall be cut in a face, and the Land Board shall have the power to demand a more systematic and better cleaning-up of the bush, if deemed necessary.

12. The timber on the lots shall not be carted over the public roads except with the consent of the local bodies, or of the Government Roads Department in the case of roads which are not under the control of the local bodies: all such timber shall be removed by tramways to be constructed at the cost of the licensees.

13. It shall be a condition of sale that a right of way shall be temporarily reserved over the existing pack and main walking tracks through the land comprised in each license until such time as the surveyed roads have been formed. The licensee shall not be allowed to block any of these tracks by felling trees or scrub across them, and he shall at once remove any obstruction or any timber that may unavoidably have to be felled across such tracks, and shall leave the track clear for traffic. If fences are erected, he shall provide gateways on said tracks.

14. The Land Board may authorise the laying-down and working of tram-lines through these lots by other persons than the licensee of the particular lot affected.

15. The licensee shall not put, throw, or place, or allow to be put, thrown, or placed, into any river, stream, or watercourse, or into any place where it may be washed into any river, stream, or watercourse, any sawdust or other sawmill refuse.

16. If the timber on any lot is unsold at auction, the right to cut it at the upset bonus and royalties quoted in Schedule above will remain open for application until further notice.

17. Each lot will be sold generally in accordance with the area and boundaries as shown on the sale map at the Crown Lands Office, Wellington.

18. No compensation will be given, nor shall any be claimed, for any error, discrepancy, or misdescription whatever in respect of any lot or in these conditions.

19. The attention of purchasers is directed particularly to Rules 8, 9, 18, 23, 24, 25, 28, 38, 40, and 49 of the Timber Regulations, copies of which may be had on application to the undersigned.
