There are about 1,500 acres of fairly flat land in the north-west along the Mohaka River. Situated about ten miles from Puketiritiri and about twelve miles in a direct line due west from Tarawera, on the Napier-Taupo Road.

TERMS AND CONDITIONS.

- Every tender shall be enclosed in a sealed envelope addressed to the President, and marked on the outside as follows: "Tender for lease of Run No. , as advertised in the newspaper of the day of , 19" and shall be accompanied by a statutory declaration in the form or to the effect set forth in Form K in the Schedule hereto.
- If any person desires to tender for more than one run, a separate tender for each such run must be made, and separate declarations as required by the last preceding rule. And each such tender must be accompanied by six months' rent and £3 3s., and stamp duty and registration fee.
- All tenders shall be opened simultaneously by the Board on a day appointed for the purpose.
Every tender shall be deemed to be informal and incapable of being accepted where the rental tendered is less than the upset rental fixed as aforesaid.
- The highest tenderer, if his tender shall equal or exceed the upset rental, shall be declared the lessee, and be entitled to possession of the lands so soon as he has duly executed a lease thereof, and has complied with all other conditions lawfully prescribed in that behalf.
- If the rent offered by two or more persons is the same amount, and is higher than that offered by any other tenderers, then the Board shall, after opening all the tenders, decide by lot, in such manner as it shall think fit, which of such two or more persons shall be declared the lessee.
- The deposits and fees paid by the unsuccessful tenderers for any lease shall be returned to them by the Board immediately after any tender for such lease has been accepted.
- When the Board shall declare any person to be the lessee of any block it shall forthwith notify the same to such person by registered letter, addressed to such person at the address given in the tender, and shall in such notice require such person, within thirty days after such notice, to execute the lease in triplicate. If two or more persons jointly tender, the notice shall be posted to each of such persons. Such notice shall be in the Form L in the Regulations under "The Maori Lands Administration Act, 1900," or to the effect thereof.
- If any person who has been declared a lessee shall fail to execute his lease within thirty days after being required by notice so to do, then his deposit and the above-mentioned

sum of £3 3s. shall be absolutely forfeited to the Board, and the right of such person to obtain such lease shall absolutely cease and determine.

Where any lessee shall forfeit his right to a lease as aforesaid, and as often as such a case shall occur from time to time until the land be leased, or until there be a failure of tenderers whose tenders are formal, the Board may, at any time within seven days of such forfeiture, declare the next highest tenderer for the same lease whose tender is not informal to be the lessee, or, if the rent offered by two or more persons is the same amount, and is higher than the rent offered by any other tenderer save the one who has so forfeited his right to a lease as aforesaid, may decide by lot which of such other persons shall be the lessee. Every person declared a lessee under this section shall, upon his paying the deposit and fees as aforesaid, be declared to have become the lessee on the day of the opening of the tenders as if he had been so declared on such day.

9. If no tender shall be received prior to the time fixed for opening the tenders for any of the leases advertised for sale, any person may at any time thereafter apply for any one of such leases, unless the same shall have been withdrawn from sale by the Board, and be declared the lessee thereof at the upset rental fixed, upon complying with the other conditions prescribed as to tenders. If, in any such case, two or more applicants shall lodge their tenders on the same day, the right to the lease shall be decided by lot.

10. The Board may at any time reduce the upset value of land which it has failed to lease for three months, and may again call for tenders for the same at such reduced value.

11. The lease to be granted in pursuance of any tender may be in the Form M in the Regulations under "The Maori Lands Administration Act, 1900," or in such other form as the circumstances may require.

12. No tender shall be accepted or lease granted except the same be in accordance with the provisions of "The Maori Lands Administration Act, 1900" (herein referred to as "the said Act"), and its amendments, and the regulations made thereunder.

13. No lease shall comprise more than 2,000 acres, inclusive of not more than 640 acres of first-class land, except in the case of small grazing-runs and pastoral leases, nor shall any lessee have any right to acquire the freehold of the demised land.

No lessee or person, by himself or by or jointly with any other person on his behalf, shall hold at one time, whether as occupier, lessee, assignee, sub-lessee, or otherwise, more than 2,000 acres, inclusive of not more than 640 acres of first-class land, except in the case of small grazing-runs and pastoral leases. Any occupation license, lease, assignment, sub-lease, or other instrument in contravention of this section shall be illegal and void from the commencement:

Provided always that this section shall not apply to any person who acquires an interest in any lease by bankruptcy, or under an intestacy, or by virtue of a will.

14. The Board shall have power to offer for lease any lands as small grazing-runs which are suitable only for occupation in larger areas than 2,000 acres, and may classify the land into first- or second-class pastoral country. The area of a first-class small grazing-run shall not exceed 5,000 acres, and the area of a second-class small grazing-run shall not exceed 20,000 acres; and the whole of these regulations, and the forms of tender, declaration, &c., with necessary alterations and amendments, shall, *mutatis mutandis*, apply.

15. Any person of the age of seventeen years and upwards may become a lessee hereunder, and if under full age shall be as capable of executing a lease, and shall be bound by the terms thereof, and of the said Act, as if such person was of full age.

16. The term fixed by the lease shall be twenty-one years, with right of renewal for a further term of twenty-one years, to take effect in possession and not in reversion; but such lease may be renewable as provided hereafter.

17. Every lease shall be prepared by the Board, and shall be in such form, and shall contain such covenants, conditions, and agreements, not being inconsistent with the provisions of the said Act or these regulations, as the Board may prescribe by regulations which it is hereby authorised and empowered from time to time to make, and from time to time to alter, amend, or revoke, and which may either be general, or applicable to any particular case or class of cases, and, when not otherwise provided, shall be subject to the stipulations following:—

- (1.) The demise shall reserve unto the lessor all mines, metals, minerals, coal, lignite, slate, or freestone in or upon or under the land, with power to work, win, use, possess, sell, and dispose of the same, or any part thereof respectively, except such as may be required by the lessee for the lessee's own use but not for sale or disposal; with power also to the lessor to make roads through the demised lands, and for such purposes or any

of them to erect or build houses and other convenient buildings thereon, on paying compensation for damage done to the surface only, the amount of such compensation in case of disagreement to be ascertained and determined by arbitration.

- (2.) The lessee shall and will during the term of the lease pay the rent reserved thereby free and clear from all deductions or abatements whatsoever, and shall and will pay all rates, taxes, charges, or assessments now made or hereafter during the said term assessed, charged, or imposed upon the demised premises, or tenant in respect thereof, or upon any buildings or improvements thereon; and in case any of the said rents shall at any time be and continue in arrear and unpaid for fourteen days next after any of the days appointed for payment thereof, the lessee will (if demanded) pay to the lessor interest upon such arrears at the rate of £3 per centum per annum, calculated from the time appointed for the actual payment of such rent to the time of actual payment thereof; and such interest shall for all purposes, whether of distress or otherwise, be deemed to be rent payable under the demise, and be payable and recoverable by distress or otherwise in the same manner as the rent reserved under the demise may or can be.
- (3.) The lessee "will insure in the name of the lessor."
- (4.) The lessee "will fence."
- (5.) The lessee "will paint outside every fourth year."
- (6.) The lessee "will cultivate," and will preserve and keep the demised premises in a clean and husbandlike manner, free from all noxious weeds growing or to grow on the said demised premises, and will not plant on the demised premises, or permit to spread thereon, gorse or furze, and will keep properly cut and trimmed all live hedges and fences on the demised premises.
- (7.) No lessee shall transfer the possession or occupation of the land leased to or occupied by him, or any part thereof, by sale, underlease, or other disposition, except the Board shall sanction the proposed transfer, and until such lessee has been twelve months in possession or occupation of the demised land.
- (8.) When a statutory declaration is required from any lessee, no transferee, and no purchaser of any lease under any power of sale vested in any mortgagee, assignee, or trustee in bankruptcy, shall be admitted into possession or occupation of the land comprised in such lease until he has deposited with the Board a statutory declaration in the same form or to the same effect.
- (9.) Every lawful transferee of any lease, or purchaser as aforesaid of any lease, shall have all the rights and privileges, and be subject to the same obligations, as the original lessee: Provided that the transferor shall be liable for the instalment of rent which shall become due next after such transfer.
- (10.) No transfer of any lease shall be valid unless all the conditions upon which the lease was granted have been complied with as to payment of rent or otherwise up to the date of such transfer.
- (11.) If any lessee or licensee shall fail to fulfil any of the conditions of his lease within sixty days after the day on which the same ought to be fulfilled, his lease shall be liable to be forfeited, and he shall be deemed, upon such forfeiture, to be in illegal occupation of the land comprised in the lease, and the Board may proceed for recovery of possession thereof without prejudice to the right of the lessor to recover any rent then due or payable, or any right of distress, action, or suit that may have arisen prior to such re-entry.

The foregoing conditions as regards leases shall operate and shall be deemed to bind the Board and the lessee as fully and effectually as if they were set forth in every lease.

18. The lessee shall be liable for all rates, taxes, or assessments of every nature or kind whatsoever imposed upon the occupier of the lands included in his lease during the term for which he is lessee.

19. The Board, upon being satisfied that any lease has been lost or accidentally destroyed, may grant a new lease in lieu thereof, upon such terms and conditions and upon payment of such fee in each case as it shall think fit. When any indorsement is required to be made on any lease, and the same is lost or destroyed as aforesaid, the Board may grant a new lease in lieu thereof, and make the required indorsements thereon, or, if it shall so think fit, may incorporate the substance of the indorsements with the terms of the original lease, and insert them together in the new lease.

20. The Board and the lessee shall each execute the lease in triplicate.

21. Every lease, after execution thereof as aforesaid, shall be registered by the Board under "The Land Transfer Act, 1885," or any Act hereafter passed in lieu thereof, in like manner, as nearly as may be, *mutatis mutandis*, as a Crown grant is registered; and the lease which is retained in the office of the District Land Registrar shall form a folium of the register-book in such office, and on it all dealings therewith shall be registered; but no fee shall be payable by way of contribution to the assurance fund on the registration of any such lease.

All dealings with or transmissions of land comprised in such lease shall be made in accordance with the provisions of the last-mentioned Acts, and be in all respects subject thereto.

22. All dealings with or under leases in contravention of the provisions of the said Act as to transfers of leases shall be absolutely void, and the District Land Registrar shall refuse to register any dealing with or under a lease until he is satisfied that the said provisions have been complied with.

23. Every lessee shall, within twelve months of the commencement of his term, and thereafter for a period of six consecutive years, reside on some portion of the lands leased by him.

This condition shall not apply to any person who has acquired an interest in any lease under an intestacy or by virtue of a will.

The Board may dispense with the necessity of such residence, in the case of bush or swamp lands, during the first four years of the term, and altogether as to all lands if the lessee resides on lands contiguous to the lands leased, or with the concurrence of the Minister for any other sufficient reason. Lands shall be deemed to be contiguous to each other if only separated by a road or stream, or by such interval of space* as the Board may in each case determine.

In cases of youths who may become lessees, and who are living within the Maori land district and are residing with their parents or near relatives, the Board may dispense with residence until four years after the commencement of the term.

When any two lessees shall lawfully intermarry, the Board may dispense with residence by either of such lessees on the lands comprised in one of the leases.

24. Every lessee shall bring into cultivation—

- (a.) Within one year from the date of his lease, not less than one-twentieth of the land leased by him;
- (b.) Within two years from the date of his lease, not less than one-tenth of the land leased by him;
- (c.) Within four years from the date of his lease, not less than one-fifth of the land leased by him;

and shall, within six years from the date of his lease, in addition to the cultivation of one-fifth of the land, have put substantial improvements of a permanent character on first-class land to the value of £1 for every acre of such land, and on second-class land to an amount equal to the net price of every acre of such land: Provided that in no case shall the additional improvements required on second-class land be more than 10s. per acre.

The terms "improvements," "substantial improvements," and "substantial improvements of a permanent character," mean and include reclamation from swamps, clearing of bush, gorse, broom, sweetbriar, or scrub, cultivation, planting with trees or live hedges, the laying-out and cultivating of gardens, fencing, draining, making roads, sinking wells or water-tanks, constructing water-races, sheep-dips, making embankments or protective works of any kind, in any way improving the character and fertility of the soil, or the erection of any building.

25. Whenever a lease is to be sold or otherwise disposed of, the valuation of the improvements shall, in all cases where it is not otherwise provided by the said Act, be made as by section eighty-three hereinafter provided; and payment of such valuation shall be made to the Board on or before the day of the commencement of the term of the new lease by the purchaser of such lease.

Whenever a lease is forfeited for breach of conditions, the Board shall cause such valuation to be made on recovering possession of the land.

26. The amount of the valuation of the improvements, when paid by the purchaser of a new lease, shall be paid by the Board to the original lessee, less any arrears of rent or other moneys due in respect of such land by the outgoing tenant; and, in case of forfeiture, less also the amount of expenses incurred in recovering possession of the land and the lease or other disposal thereof.

27. In every case of the forfeiture of a lease for breach of conditions, the payment of the amount of the valuation of improvements, or of any part thereof, shall be absolutely at the discretion of the Board.

* The Board will be prepared to allow the term "interval of space" to apply to residence anywhere outside the Paetawa Block.

28. If payment of any such valuation is not made as aforesaid, the Board may sue for and recover the same in any Court of competent jurisdiction from the person who should make such payment.

29. In any case where a lease is granted with a right of renewal for one further term only, not exceeding twenty-one years, the Board shall, on the expiration of such further term, or on the expiration of the original term, or in the case of a lease where the right of renewal is perpetual, on the expiration of any term, if the right of renewal has in any case been surrendered or otherwise determined, weight the land with the value of the improvements of the outgoing tenant on again offering it for lease; or the Board may in its discretion retransfer the land to the Native owners on payment of the value of the improvements and all other charges to which the land may be lawfully subject. The value of such improvements, or the balance thereof, after deducting any amounts which may be due to the Board by the outgoing lessee, shall, when recovered by the Board, be paid over to him.

30. No outgoing tenant shall have any right or claim against the Maori owners or the Board in respect of the value of any improvements made by him on the lands in his occupation, in case any person shall fail to pay such value to the Board:

Provided that in any such case of failure the Board may retransfer the land to the Native owners on payment of such value and all other charges to which the land may be lawfully subject.

31. All claims for compensation in respect of any matters arising under the said Act, or for value of improvements or other matters, shall, unless otherwise specially provided, be settled in the manner provided in Part III of "The Public Works Act, 1894," for which purpose the said Part III shall be deemed to be incorporated with the said Act.

In every such claim the Board shall be the respondent.

32. Where it is provided or agreed that any matter shall be referred to arbitration, then such reference, unless herein otherwise provided, shall be to one or more arbitrators appointed by the parties on each side respectively, and an umpire to be appointed by such arbitrators.

- (a.) If either party shall fail to appoint an arbitrator within twenty-one days after being requested in writing to do so by the other party, then the arbitrator appointed by the other party shall alone conduct the arbitration, and his decision shall be final and binding on both parties.
- (b.) If the said arbitrators shall fail to agree upon the matter referred to them within twenty-eight days of the same having been so referred, then the matter so referred shall be decided by an umpire to be appointed by the said arbitrators, whose decision shall be final and binding on both parties.
- (c.) Every such arbitration shall be carried on in the manner prescribed by "The Arbitration Act, 1890," and be subject to such last-mentioned Act in the same manner as if the reference to such arbitration had been made by consent of parties under a deed.
- (d.) Each party shall pay his or its costs of such reference, and any costs incidental to the appointment of an umpire shall be paid equally by the parties to the arbitration.
- (e.) Such arbitrators or umpire shall have all the powers vested in Commissioners by "The Commissioners' Powers Act, 1867," as well as all the powers given to them by "The Arbitration Act, 1890."

33. Not sooner than one year and not later than three months before the end of the original or renewed term for which the lease is granted, a valuation shall be made by arbitration, or in some other manner that may be agreed upon between the Board and the lessee, of the then value of the fee-simple of the lands then included in the lease, and also a valuation of all substantial improvements of a permanent character made by the lessee during the term and then in existence on the land then comprised in the lease.

The publishing of the valuations made as aforesaid may be effected by serving a copy of the same on the lessee and another copy on the Board; and thereafter, but not later than two months before the expiry of the term for which the lessee then holds the lands, the lessee shall elect, by notice in writing delivered to the Board, whether he will accept a fresh lease of the said lands for a further term of twenty-one years from the expiration of the then term, at a rental equal to not less than five pounds per centum on the gross value of the lands after deducting therefrom the value of the substantial improvements of a permanent character as fixed respectively by the valuation.

34. If the lessee shall not elect to accept a renewal as above mentioned, or shall refuse or neglect to execute a lease

within seven days after the same is tendered to him for the purpose, a lease of the said lands shall, not later than one month before the end of the term for which the terminating lease was granted, be put up to public competition by public tender for such term of twenty-one years, on the following terms and conditions:—

- (a.) The upset rent shall be such rent as shall be fixed by the Board, not being a greater sum than that at which the lease was offered to the outgoing lessee under the last preceding clause.
- (b.) The amount of such upset rent shall be stated in the advertisements calling for tenders; and it shall be a condition of tender that the tenderer shall, together with his tender, deposit the amount of one half-year's rent, which shall be returned to him if he fails to obtain the lease.
- (c.) If any person other than the outgoing lessee be declared the purchaser, he shall, within seven days after the day fixed for opening the tenders, pay over to the Board the amount of the value of the substantial improvements of a permanent character as fixed in manner provided by the last preceding clause.
- (d.) When the day has arrived on which the terminating lease expires, or thereafter, if the Board shall have satisfied itself that the outgoing lessee has let the new lessee into quiet possession of the lands to be leased, and that none of the improvements on the lands which were thereon when the valuations mentioned in the last preceding clause were made have been destroyed or appreciably damaged, the Board shall pay over to the outgoing lessee the amount received by it from the incoming lessee as aforesaid.
- (e.) If any of the improvements as mentioned in the preceding subclause have been destroyed or appreciably damaged, as in the said subclause referred to, then the value of the improvements so destroyed, or the cost of repairing such damage, shall be decided by the Board or some person appointed by it; and the amount so fixed, with the costs attending such decision, shall be deducted from the amount payable as aforesaid to the outgoing lessee, and, save the amount deducted for costs, shall be returned to the incoming lessee.

35. If such lease shall not be disposed of as above mentioned to some person other than the lessee, or if such person fails to execute the lease in triplicate within thirty days, or to pay the sum offered by him as aforesaid within thirty days, from the day on which the tenders were opened, then the lessee may again, within sixty days after the day fixed for the opening of the tenders, elect in a manner aforesaid whether he will accept a fresh lease as aforesaid; and if he does not elect to accept the same, or refuses or neglects to execute such lease within seven days after the same is tendered to him for the purpose, then he may continue as lessee of the said land from year to year, so long as he shall pay the rent reserved by his lease and observe and perform the covenants and conditions contained in the same or in this Act, or until the Board shall succeed in finding a purchaser of the new lease, unless, prior to the finding of such purchaser by the Board, he shall elect to accept a new lease for the said further period of twenty-one years as aforesaid.

36. The Board, in selling a renewed lease to a purchaser, may make provision that the right to take possession under such new lease shall always commence on the 1st day of January or of July in any year.

37. All the provisions of the foregoing rules and regulations (except the provisions as to cultivation) as regards the tenders for sale, form, and conditions of first leases made under the said Act, and otherwise howsoever as regards such leases, shall, *mutatis mutandis*, apply to the sale, form, and conditions of the new or renewed leases above mentioned, and to the lessees thereunder, and otherwise howsoever, except as herein is otherwise expressly provided.

Rent.—The rent shall commence on the first day of January or July following the date of acceptance of tender by the Board.
