said Consolidation Act was authorised to borrow for the purpose in the said Consolidation Act specified the sum of £200,000: And whereas the Corporation borrowed upon debentures of £100 each, which mature on the 28th day of February, 1907, the sum of £200,000, pursuant to the provisions of the said Consolidation Act, such debentures, with interest thereon at the rate of 6 per cent. per annum, being secured on the revenues of the City of Wellington as then constituted, and on a rate of 1s. in the pound on the basis of the annual value of all property in the City of Wellington, which was made and levied on the 15th day of February, 1877, under the provisions of the said Consolidation Act: And whereas it is necessary to borrow the sum of £200,000 to pay off the said loan, and it is proposed, in pursuance of the powers given in this behalf, to secure the same in the manner and upon the securities pledged for the present loan as hereinafter declared: And whereas any special rate now and since the 1st day of April, 1902, leviable and collectible in the City of Wellington must be levied and collected under the provisions of "The Rating on Unimproved Value Act, 1896," and its amendments, and a rate of 1½d. in the pound on the basis of the unimproved value is equivalent to a rate of 1s. in the pound on the basis of the annual value, and the authority given to strike a rate on the basis of the annual value is, under the provisions of "The Rating on Unimproved Value Act, 1896," and its amendments, an authority to levy a rate that will not exceed in its producing-capacity the limit of rating-power on the gross value, and since the said 1st day of April, 1902, the rates which have been raised for the purpose of paying interest on the said loan have been raised in accordance with the provisions of "The Rating on Unimproved Value Act, 1896," and its amendments:

Now, therefore, the Wellington City Council doth hereby, in exercise of the powers vested in it in that behalf by the said Consolidation Act, "The Local Bodies' Loans Act, 1901," and "The Municipal Corporations Act, 1900," and their amendments, and in pursuance of all other Acts, and in exercise of all other powers (all which Acts and powers are hereinafter collectively referred to as "the said Acts and powers") enabling it or vested in it in that behalf, resolve by special order, first, to borrow the sum of £200,000, repayable on the 28th day of February, 1932, for the purpose of paying off the above-mentioned existing loan of £200,000 now owing as aforesaid; secondly, that the said loan shall, pursuant to the provisions of the said Consolidation Act, be secured upon the revenues of the said City of Wellington as it was bounded prior to the incorporation of the Borough of Melrose therein, in the same manner and to the same degree and with the same rights, force, and effects as affect the existing loan of £200,000; thirdly, that the rate levied in February, 1877, for the purpose of a security for the payment of the interest on the existing loan of £200,000 is hereby confirmed, so that a special rate of 1½d. in the pound on the basis of the unimproved value of the said City of Wellington as it was bounded prior to the incorporation of the Borough of Melrose therein shall be hereafter leviable; and the Council doth, in pursuance and exercise of the said Acts and powers hereby (by special order) resolve as follows: That, for the purpose of providing the interest, sinking fund, and other charges on a loan of £200,000, authorised to be raised by the Wellington City Council, under the said Acts and powers, for the repayment of a loan of £200,000 raised under the provisions of "The City of Wellington Loans Consolidation Act, 1876," the said Wellington City Council hereby makes and levies (by special order) a special rate of 1½d. in the pound upon the rateable value (on the basis of the unimproved value) on all rateable property in that part of the City of Wellington formerly comprised in the City of Wellington immediately prior to the incorporation therein of the Borough of Melrose, the boundaries of which are set forth in the Schedule to this resolution; and that such special rate shall be an annual-recurring rate, and be payable half-yearly on the 1st day of July and the 1st day of January in each and every year during the currency of such loan, being a period of twenty-five years, or until the loan is fully paid off.
