Special Order made by the Council of the Borough of Hamilton.

The Treasury,

THE following special order, made by the Hamilton Borough Council, is published in accordance with the provisions of "The Local Bodies' Loans Act, 1901."

W. HALL-JONES,
For Colonial Treasurer.

HAMILTON BOROUGH COUNCIL.

Special Order making Special Rate.

WHEREAS the ratepayers of the Borough of Hamilton did by poll taken on the 8th day of February, 1906, carry a proposal to borrow certain sums of money under

"The Local Bodies' Loans Act, 1901," particulars of which sums are as follows:—

- | | |
|--|----------|
| (1.) Purchase of the Hamilton Gasworks, together with all plant, machinery, mains, &c. | £ 12,000 |
| (2.) The erection of a steel traffic-bridge to replace the present timber bridge | 12,000 |
| (3.) Street-formation works and improvements | 13,000 |
| (4.) Sewerage drainage of portion of Hamilton West | 5,000 |
| (7.) Deficiency by overdraft Town Hall loan | 472 |

And whereas by special order of the 6th day of April, 1906, the Hamilton Borough Council, in pursuance of the powers conferred upon it by the said Act, did resolve that, for the purpose of providing interest and other charges on such money so proposed to be borrowed, the said Hamilton Borough Council should make and levy a special rate of 3½d. in the pound on the rateable value of all rateable property in the Borough of Hamilton: And whereas by inadvertence in making such special order the said Hamilton Borough Council did specify therein only the sums numbered 1, 2, 3, and 7 as above, amounting to £37,472, and omitted to specify the item above numbered 4, "Sewerage drainage of portion of Hamilton West, £5,000," which work and loan the said ratepayers by their said poll have duly authorised: And whereas it is expedient to rectify such omission and to make the special order herein set forth for the purpose of making and levying a special rate to meet the interest and other charges upon all such loans as specified above and so authorised as aforesaid, making in all £42,472, instead of £37,472: Now, in pursuance and exercise of the powers vested in it in that behalf by "The Local Bodies' Loans Act, 1901," and the amendments thereof, the Hamilton Borough Council hereby resolves as follows: That, for the purposes of providing the interest and other charges on a loan of £5,000, authorised to be raised by the Hamilton Borough Council, under the above-mentioned Acts, for the following public work—namely, the sewerage and drainage of portion of Hamilton West—the Hamilton Borough Council hereby makes and levies a special rate of 3½d. in the pound (being the same special rate as is made and levied by the special order of the said Council of the 6th day of April, 1906) upon the rateable value of all rateable property of the Borough of Hamilton; and that such special rate shall be an annual-recurring rate during the currency of such loan, and be payable half-yearly on the 1st days of April and October in each and every year during the currency of such loan, being a period of forty-one years from the 1st day of February, 1906, or until the loan is fully paid off.

I hereby certify that the above resolution was passed as a special order at a special meeting of the Hamilton Borough Council held on the 24th day of October, 1906, and was duly confirmed at a special meeting of the said Council held on the 30th day of November, 1906.

LOCALITY AND DESCRIPTION OF RUNS.

Runs 173A and 415A1 (grouped): This run contains 17,600 acres, having a frontage to the Waiau River of about five miles, is situated in Takitimo District, Wallace County, and is distant some fifty miles by good wagon-road from Otautau Railway-station. About half the area is level to undulating, attaining an altitude of 600 ft. to 2,500 ft. above sea-level, and is well covered with white tussock and other grasses; the other half or balance is high, rugged mountain country, attaining an altitude of 5,500 ft. above sea-level, purely summer country, subject to running shingle, and is poorly grassed with snow tussock and other mountain vegetation.

Runs 328, 436A, 424, 436, and Block V, Wakaia (grouped): This run contains 95,784 acres, situated in Wakaia, Gap, Whitecoomb, and Obelisk Survey Districts, Southland and Vincent Counties, and is accessible by good wagon-road, about twenty-five miles from Riversdale Railway-station. The country is, generally speaking, very high and broken, ranging in altitude from 800 ft. to 6,000 ft. above sea-level; large areas of the high country, where flat, are very wet and peaty. The lower areas, about 10,000 acres, which may be considered safe winter country, are fairly well grassed, principally with snow tussock and other mountain growths. The balance, the larger portion, is fairly grassed with snow and blue tussocks and other alpine vegetation, but it is purely summer country and cannot be safely used in any other season.

Run 214A: This run contains 4,850 acres, situated in the Nokomai Survey District, Lake and Southland Counties, and about two miles by fair wagon-road from Athol Railway-station. The run is well grassed, principally with white tussock with a mixture of snow grass; it is good sheep country, well watered, stony, and dry, and ranges from 900 ft. to 3,800 ft. above sea-level.

Runs 187C and 187D (grouped): This run contains 12,300 acres, situated in Wairaki Survey District, Wallace County, and is distant about twelve miles from Nightcaps Railway-station, nine of which are formed, the balance in its natural state; or, say, fifteen miles from Mossburn Railway-station, eleven of which are by good road, the balance unformed. Although high, ranging in altitude from 1,400 ft. to 3,000 ft. above sea-level, it is, comparatively speaking, not rough country, and is well sheltered from the prevailing winds.

Run 423: This run contains 1,300 acres, having a frontage to Waituna Lagoon, and is situated in Oteramika Hundred, Southland County, about six miles by formed road from Kapuka Railway-station. The whole block is level, wet, and peaty, covered with peat-bog grass and large patches of manuka scrub, and is elevated about 15 ft. above sea-level.

Run 415A2: This run contains 4,300 acres, situated in Takitimo Survey District, Wallace County, and is distant from Otautau Railway-station forty-five miles, forty of which is by good wagon-road, the remainder unformed, and could be made available for pack-horses. It is all high, rough, rugged mountain country, ranging in altitude from 4,000 ft. to 5,500 ft. above sea-level, and is poorly grassed with snow tussock and other alpine vegetation.

Possession will be given on the 1st March, 1908.

Valuation for improvements must be paid to the Receiver of Land Revenue, Invercargill, before the purchaser will be let into possession.

The above runs will be sold generally in accordance with Part VI of "The Land Act, 1892."

Purchasers must deposit statutory declaration, as required by section 195 of "The Land Act, 1892," and pay the first half-year's rent, together with the license fee of £1 1s., on the fall of the hammer.

The soil is fairly good, resting on clay-and-sandstone formations, with volcanic rocks on the highest ridges.

Access to the northern portion is from White Cliffs Railway-station by a formed and metalled road, four miles to a good homestead-site; while the southern portion is reached from Glentunnel, about nine miles distant, by a good metalled road.

Run 92: This run varies in altitude from about 1,000 ft. to 2,157 ft., and is well watered.

The greater portion of the area consists of good tussock ridges and easy spurs, with patches of manuka and black-birch.

The north and east slopes of the Mount Misery Ridge, which is of volcanic formation, are poor and rocky, and covered with light manuka; but on the remainder of the

run the soil is fairly good, extending into clay-and-sandstone formations.

Access to the northern portion is from White Cliffs Railway-station, about three miles and a half to homestead-site, by good metalled road; while the southern part is reached from Glentunnel, seven miles distant, by the Wairiri Valley Road. Locality and Description of Te Kuiti Township.

Te Kuiti Township is situated within what is known as the "King-country," on the North Island Main Trunk Railway line, 127 miles from Auckland. It has for some time been a thriving business place, and there is a considerable population there at present. There is a large area of Crown land in the vicinity, a great deal of which is already taken up, and, as settlement progresses, Te Kuiti Township is likely to become a place of considerable importance. There is a daily train service from Auckland. The township is laid out on both sides of Te Kuiti Railway-station site and the railway-line. A portion of the township is on level land, and the remaining portion from undulating to hilly, and very suitable for residence and business sites. The soil is porous and dry, and the facilities for drainage are good.

TERMS AND CONDITIONS OF LEASE.

1. The respective lots shall be offered by public auction on the 13th March, 1907.
2. The bidder of the highest rent shall be declared to be the lessee, and, if any dispute arises as to the last or highest bid at any auction for any lot, the lot in dispute shall be put up again at the last preceding bid.
3. The highest bidder for any lot shall, upon the fall of the hammer, pay to the auctioneer the first half-year's rent in advance by way of deposit, which shall represent the half-year's rent as from the 1st January, 1907, and shall also deposit the sum of £1 for the lease fee.
4. The second half-year's rent shall become payable on the 1st July, 1907, and thenceforth the rent shall be paid half-yearly in advance.
5. As soon as may be after the highest bidder is ascertained, a lease will be prepared. Such lease shall be for the term of twenty-one years, commencing from the 1st January, 1907, and the lessee shall execute the same in triplicate at the office of the Board whenever requested to do so.
6. The lease may provide for renewals from time to time for a period not exceeding twenty-one years at a rent to be fixed by valuation or by arbitration, and it may also provide for payment by the incoming tenant for improvements made by the outgoing tenant, the value of such improvements to be ascertained by arbitration.
7. In cases where any of the allotments are subject to the payment of the value of the improvements by the provisions of an expiring lease or otherwise, the respective amounts thereof shall be specified in the conditions, and such value shall be paid at the same time and in the same manner as the deposit heretofore mentioned, unless some other arrangement is assented to in writing by the outgoing lessee or person interested.
8. Should the highest bidder neglect or fail to comply with any of the conditions, his deposit-money and lease fee shall thereupon be forfeited to the Board, who shall be at full liberty either to enforce the letting or to relet the premises at such time and place and in such manner as it thinks fit, but in no case shall the lessee be relieved from his liability.
9. Every lease shall be in the following form, with such modification as the circumstances may require:—

THIS deed, made the _____ day of _____, one thousand nine hundred and _____, under the provisions of "The Maori Lands Administration Act, 1900," and its amendments, between the _____ District Maori Land Board (hereinafter referred to and included in the expression "the lessor") of the one part, and _____, of _____, in the Land District of _____, in the Colony of New Zealand (who, with his _____ executors, administrators, and permitted assigns, is hereinafter referred to and included in the expression "the lessee"), of the other part, witnesseth that, in consideration of the rent hereinafter reserved, and of the covenants, conditions, and agreements herein contained and implied, and on the part of the lessee to be paid, observed, and performed, the lessor hereby demises and leases unto the lessee all that piece of land, containing by admeasurement _____ acres _____ roods _____ perches, a little more or less, situate in the Native Township of _____, and being allotment numbered _____, Block _____, on the plan of that township, as the same is more particularly delineated and described in the plan drawn hereon, and therein coloured red in outline; together with all ways, rights, easements, and appurtenances to the same belonging: To hold the demised premises unto the lessee for the term of twenty-one years, commencing on the 1st day of _____, one thousand nine hundred and _____; yielding and paying therefor the annual rent of _____, payable half-yearly in advance on the 1st day of January and the 1st day of July in each year during the said term, free from all deductions whatsoever, the first half-yearly payment of such rent having been already made, and the next payment to become due and be made on the 1st day of _____ thereafter.

And the lessee hereby covenants with the lessor as follows, namely:—

(1) The lessee shall not nor will at any time during the said term assign, underlet, or part with the possession of the demised premises, or any part thereof, without the previous consent in writing of the lessor.

(2) The lessee will from time to time during the said term pay unto the lessor the said rent on the days and in manner aforesaid, and also will from time to time pay and discharge all rates, taxes, charges, and assessments whatsoever now or hereafter to become payable upon or in respect of the demised premises or any part thereof.

(3) The lessee will, during the said term, well and sufficiently repair, maintain, and keep the demised premises, and all buildings, fences, and erections from time to time built or erected thereon, in good and substantial repair and condition (reasonable wear-and-tear, and damage by fire, storm, earthquake, or tempest, only excepted). In the erection of any buildings from time to time the lessee will abide by and conform to the alignment of streets and roads, and also to all the by-laws and regulations from time to time in force, or made or passed by the local authority for the time being intrusted with the administration of the local affairs of the said township, by whatever name or designation such local authority may for the time being be called, but hereinafter referred to as "the local authority."

(4) The lessee will from time to time construct, maintain, and keep all such privies, ashpits, and other works of a similar character as may be ordered or directed by the local authority; and, in cutting and laying of drains and channels for the conveyance of water or waste material or refuse of any kind, and in maintaining or providing for the sanitary state and condition of the demised premises, will at all times act in accordance with the direction of the local authority or the requirements of any laws, by-laws, rules, or regulations for the time being in force providing for the sanitary state and condition of the said township.

(5) The lessee will not at any time during the said term, without the previous consent in writing of the local authority, carry on or permit to be carried on upon the said demised premises, or any part thereof, the trade or business of a soap-boiler, tallow-chandler, tanner, slaughterman, meat curer or preserver, or any noisy, noxious, or offensive trade or manufacture of any kind whatever.

(6) The lessee will permit the lessor, or any person on his behalf duly authorised as hereinafter provided, from time to time to enter upon the demised premises at all reasonable times to view the state and condition thereof, and upon notice of any defect or want of repair being given to the lessee, or left for him on the premises, the lessee will, within one month thereafter, make good any such defect or want of repair:

Provided always that whenever the rent hereby reserved, or any part thereof, is in arrear for twenty-one days the same may be levied by distress without any previous demand of payment or notice of any kind: Provided further that, if the lessee makes default for thirty days in the full and punctual payment of any of the said rent, or if he makes default in the faithful performance or observance of any other covenant or condition on his part herein contained or implied, or if the lessor is satisfied that the land comprised in this lease is being held unused and to the hindrance of the trade and progress of the said township, then and in any such case, and without any notice or demand whatsoever, it shall be lawful for the lessor to re-enter upon the demised premises and thereby determine this lease, and that without releasing the lessee from any liability in respect of any rent due or any preceding breach of covenant.

And it is hereby declared and agreed as follows, that is to say,—

(1) The rent hereby reserved may be paid to the President of the Maniapoto-Tuwharetoa District Maori Land Board, or any officer who may be authorised by a notice under the hand and seal of the lessor, and duly published in the *New Zealand Gazette*, to receive the same, and the receipt of the President or such person so appointed shall be a good discharge to the lessee.

(2) Any power which may be exercisable under these presents by or on behalf of the lessor may from time to time be exercised by any person whom he from time to time appoints for that purpose.

(3) Service on the lessee of any notice under this lease may be effected either personally or by posting the same in a registered letter addressed to him either at his last known place of business or abode in the colony or at the demised land.

(4) The lessee, faithfully observing and performing all the covenants, conditions, and agreements on his part herein contained or implied, shall, on the expiration by effluxion of time of the term hereby granted, have the right to a renewal of the lease, or to valuation for all substantial improvements of a permanent character made or owned by him and then existing on the demised land: Provided that such right shall exist only to the extent and subject to the conditions following, that is to say,—

- (1.) Not sooner than nine nor later than six months before the expiration of the said term by effluxion of time two separate valuations shall be made in manner prescribed (*mutatis mutandis*) by sections 79 and 80 of "The Land Act, 1892," of
- (a.) All such improvements as aforesaid; and
- (b.) The annual ground-rent of the land (exclusive of such improvements as aforesaid) for a fresh term of twenty-one years.
- (2.) After the making and publishing of the aforesaid valuations, which shall be effected by serving a copy thereof on the lessee and another copy on the lessor, but not later than one month before the date of such expiration as aforesaid, the lessee shall, by notice in writing served on the lessor, elect whether he will accept a new lease of the demised land (including the aforesaid improvements) for a fresh term of twenty-one years, computed from the date of such expiration as aforesaid, at the annual ground-rent ascertained by valuation as aforesaid, and subject in all other respects to the same covenants and conditions as those of this present lease.
- (3.) If for any reason the lessee does not duly elect in manner aforesaid to accept such new lease, or if, having duly elected, he for any reason does not execute such new lease when requested by the lessor so to do, his right to a new lease shall be and be deemed to be abandoned, and the land shall be disposed of by lease at such time, in such manner, and subject to such conditions, not inconsistent with the said Act and its amendments and the regulations for the time being in force thereunder, as the lessor thinks fit: Provided that it shall be one of the conditions of the new lease that the new lessee pays to the lessor the amount at which the improvements (if then existing) have been valued as aforesaid, or such less amount as the lessor thinks just, having regard to the extent to which such improvements have deteriorated since the date of the said valuation; and all moneys actually received by the lessor in respect of such valuation shall be paid over to the lessee under this present lease as soon as the lessor is satisfied that the new lessee has been admitted into full and quiet possession of the premises: Provided further that in no case shall the lessee under this present lease have any claim against the lessor in respect of any such improvements, or of the value thereof, save to the extent of the moneys which are actually received as aforesaid from the new lessee, and available for payment, and which the lessee under this present lease becomes actually entitled to.

LEASES, PARENGARENGA AND PAKOHU BLOCKS.

Locality and Description.

The leases are situated around Parengarenga Harbour, at the northern extremity of the Auckland Land District, in Parengarenga, Muriwhenua, Hohoura West, and Tarawara Survey Districts. Access from Awanui is by track to the west coast, and along the beach to Hukatere, thence through Hohoura to Parenga (about the middle of the leases), a total distance of about fifty-five miles. There is a fortnightly steamer service from Auckland, 240 miles distant. The altitude of the land is generally from sea-level to 430 ft., but rising to 1,060 ft. in the north. About 19,600 acres consists of bare sandhills, about 1,000 acres of bush, and 250 acres of raupo swamp; the balance is undulating land of inferior clay and sandstone, covered with stunted manuka and fern. With exception of the bush land the whole is gum-bearing, but the ground in Runs E, F, and G has been very little worked for gum. The swamps, when drained, are suitable for agricultural purposes, and the land as a whole is suitable for rough runs.

TERMS AND CONDITIONS OF LEASE.

- The respective sections will be offered by public tender for lease for pastoral purposes, and with a right to work, win, dig, cut, use, possess, sell, and dispose of kauri-gum or flax in or upon or under the said land, or growing or which may grow on the said land.
- Each lease shall be for a term of ten years, commencing from the first day of March, 1907.
- Every tender shall be enclosed in a sealed envelope addressed to the President, Tokerau Maori Land Board, Native Land Court Office, Auckland, and marked on the outside as follows: "Tender for lease of Lot No. , as advertised in the newspaper of the day of , 19, " and shall be accompanied by a statutory declaration in the form or to the effect set forth in Form K in the Schedule hereto.
- If any person desires to tender for more than one lot, a separate tender for each such lot must be made, and separate declarations as required by the last preceding rule. And each such tender must be accompanied by six months' rent and £3 3s., also stamp duty and registration fee.
- Tenders will be received up to 4 p.m. on the 28th day of February, 1907, and all tenders will be opened simultaneously by the Board on the 1st day of March, 1907, at 11 a.m. Every tender shall be deemed to be informal and incapable of being accepted where the rental tendered is less than the upset rental fixed as aforesaid.
- The highest tenderer, if his tender shall equal or exceed the upset rental, shall be declared the lessee, and be entitled to possession of the lands so soon as he has duly executed a lease thereof, and has complied with all other conditions lawfully prescribed in that behalf. But the Board reserves to itself the right to call upon him, if it thinks necessary, to enter into a bond for an amount to be fixed by the Board, and to furnish two sureties, to be approved by the Board, for the due fulfilment of the terms and conditions of the lease.
- If the rent offered by two or more persons is the same amount, and is higher than that offered by any other tenderers, then the Board shall, after opening all the tenders, decide by lot, in such manner as it shall think fit, which of such two or more persons shall be declared the lessee.
- The deposits and fees paid by the unsuccessful tenderers for any lease shall be returned to them by the Board immediately after any tender for such lease has been accepted.
- When the Board shall declare any person to be the lessee of any block it shall forthwith notify the same to such person by registered letter, addressed to such person at the address given in the tender, and shall in such notice require such person, within thirty days after such notice, to execute the lease in triplicate. If two or more persons jointly tender, the notice shall be posted to each of such persons. Such notice shall be in the Form L in the Schedule to the regulations under the Act, or to the effect thereof.
- If any person who has been declared a lessee shall fail to execute his lease within thirty days after being required by notice so to do, then his deposit and the above-mentioned sum of £3 3s. shall be absolutely forfeited to the Board, and the right of such person to obtain such lease shall absolutely cease and determine.

Where any lessee shall forfeit his right to a lease as aforesaid, and as often as such a case shall occur from time to time until the land be leased, or until there be a failure of tenderers whose tenders are formal, the Board may, at any time within seven days from such forfeiture, declare the next highest tenderer for the same lease whose tender is not informal to be the lessee, or, if the rent offered by two or more persons is the same amount, and is higher than the rent offered by any other tenderer save the one who has so forfeited his right to a lease as aforesaid, may decide by lot which of such other persons shall be the lessee. Every person declared a lessee under this section shall, upon his paying the deposit and fees as aforesaid, be declared to have become the lessee on the day of the opening of the tenders as if he had been so declared on such day.

11. If no tender shall be received prior to the time fixed for opening the tenders for any of the leases advertised for sale, any person may at any time thereafter apply for any one of such leases, unless the same shall have been withdrawn from lease by the Board, and be declared the lessee thereof at the upset rental fixed, upon complying with the other conditions prescribed as to tenders. If, in any such case, two or more applicants shall lodge their tenders on the same day, the right to the lease shall be decided by lot.

12. The Board may at any time reduce the upset value of land which it has failed to lease for one year, and may again call for tenders for the same at such reduced value.

13. The lease to be granted in pursuance of any tender may be in the form set out hereunder, or to the effect thereof.

14. No tender shall be accepted or lease granted except the same be in accordance with the provisions of "The Maori Lands Administration Act, 1900," and its amendments, and these regulations.

15. Any person of the age of seventeen years and upwards may become a lessee hereunder, and if under full age shall be as capable of executing a lease, and shall be bound by the terms thereof, and of the said Act, as if such person was of full age.

16. The term fixed by the lease shall be ten years, to take effect in possession and not in reversion; but such lease may be renewable as provided hereafter.

17. Every lease shall be prepared by the Board, and shall be in such form, and shall contain such covenants, conditions, and agreements, not being inconsistent with the provisions of the said Act or these regulations, as the Board may prescribe by regulations which it is hereby authorised and empowered from time to time to make, and from time to time to alter, amend, or revoke, and which may either be general, or applicable to any particular case or class of cases, and shall be subject to the stipulations following:—

(1.) The demise shall reserve unto the lessor all mines, metals, minerals, coal, lignite, slate, or freestone in or upon or under the land, with power to work, win, use, possess, sell, and dispose of the same, or any part thereof respectively, except such as may be required by the lessee for the lessee's own use but not for sale or disposal; with power also to the lessor to make roads through the demised lands, and for such purposes or any of them to erect or build houses and other convenient buildings thereon, on paying compensation for damage done to the surface only, the amount of such compensation in case of disagreement to be ascertained and determined by arbitration.

(2.) The lessee shall and will during the term of the lease pay the rent reserved thereby free and clear from all deductions or abatements whatsoever, and shall and will pay all rates, taxes, charges, or assessments now made or hereafter during the said term assessed, charged, or imposed upon the demised premises, or tenant in respect thereof, or upon any buildings or improvements thereon; and in case any of the said rents shall at any time be and continue in arrear and unpaid for fourteen days next after any of the days appointed for payment thereof, the lessee will (if demanded) pay to the lessor interest upon such arrears at the rate of £8 per centum per annum, calculated from the time appointed for the actual payment of such rent to the time of actual payment thereof; and such interest shall for all purposes, whether of distress or otherwise, be deemed to be rent payable under the demise, and be payable and recoverable by distress or otherwise in the same manner as the rent reserved under the demise may or can be.

(3.) No lessee shall transfer the possession or occupation of the land leased to or occupied by him, or any part thereof, by sale, underlease, or other disposition, except the Board shall sanction the proposed transfer, and until such lessee has been twelve months in possession or occupation of the demised land.

(4.) When a statutory declaration is required from any lessee, no transferee, and no purchaser of any lease under any power of sale vested in any mortgagee, assignee, or trustee in bankruptcy, shall be admitted into possession or occupation of the land comprised in such lease until he has deposited with the Board a statutory declaration in the same form or to the same effect.

(5.) Every lawful transferee of any lease, or purchaser as aforesaid of any lease, shall have all the rights and privileges, and be subject to the same obligations, as the original lessee: Provided that the transferor shall be liable for the instalment of rent which shall become due next after such transfer.

(6.) No transfer of any lease shall be valid unless all the conditions upon which the lease was granted have been complied with as to payment of rent or otherwise up to the date of such transfer.

(7.) If any lessee or licensee shall fail to fulfil any of the conditions of his lease within sixty days after the day on which the same ought to be fulfilled, his lease shall be liable to be forfeited, and he shall be deemed, upon such forfeiture, to be in illegal occupation of the land comprised in the lease, and the Board may proceed for recovery of possession thereof without prejudice to the right of the lessor to recover any rent then due or payable, or any right of distress, action, or suit that may have arisen prior to such re-entry.

The foregoing conditions as regards leases shall operate and shall be deemed to bind the Board and the lessee as fully and effectually as if they were set forth in every lease.

18. The lessee shall be liable for all rates, taxes, or assessments of every nature or kind whatsoever imposed upon the occupier of the lands included in his lease during the term for which he is lessee.

19. The Board, upon being satisfied that any lease has been lost or accidentally destroyed, may grant a new lease in lieu thereof, upon such terms and conditions and upon payment of such fee in each case as it shall think fit. When any indorsement is required to be made on any lease, and the same is lost or destroyed as aforesaid, the Board may grant a new lease in lieu thereof, and make the required indorsements thereon, or, if it shall so think fit, may incorporate the substance of the indorsements with the terms of the original lease, and insert them together in the new lease.

20. The Board and the lessee shall each execute the lease in triplicate.

21. Every lease, after execution thereof as aforesaid, shall be registered by the Board under "The Land Transfer Act, 1885," or any Act hereafter passed in lieu thereof, in like manner, as nearly as may be, *mutatis mutandis*, as a Crown grant is registered; and the lease which is retained in the office of the District Land Registrar shall form a folium of the register-book in such office, and on it all dealings therewith shall be registered; but no fee shall be payable by way of contribution to the assurance fund on the registration of any such lease.

All dealings with or transmissions of land comprised in such lease shall be made in accordance with the provisions of the last-mentioned Acts, and be in all respects subject thereto.

22. All dealings with or under leases in contravention of the provisions of the said Act as to transfers of leases shall be absolutely void, and the District Land Registrar shall refuse to register any dealing with or under a lease until he is satisfied that the said provisions have been complied with.

23. Whenever a lease is to be sold or otherwise disposed of, the valuation of the improvements shall, in all cases where it is not otherwise provided by the said Act, be made as by section eighty-three hereinafter provided; and payment of such valuation shall be made to the Board on or before the day of the commencement of the term of the new lease by the purchaser of such lease.

Whenever a lease is forfeited for breach of conditions, the Board shall cause such valuation to be made on recovering possession of the land.

24. The amount of the valuation of the improvements, when paid by the purchaser of a new lease, shall be paid by the Board to the original lessee, less any arrears of rent or other moneys due in respect of such land by the outgoing tenant; and, in case of forfeiture, less also the amount of expenses incurred in recovering possession of the land and the lease or other disposal thereof.

25. In every case of the forfeiture of a lease for breach of conditions, the payment of the amount of the valuation of improvements, or of any part thereof, shall be absolutely at the discretion of the Board.

26. If payment of any such valuation is not made as aforesaid, the Board may sue for and recover the same in any

Court of competent jurisdiction from the person who should make such payment.

27. No outgoing tenant shall have any right or claim against the Maori owners or the Board in respect of the value of any improvements made by him on the lands in his occupation, in case any person shall fail to pay such value to the Board.

28. All claims for compensation in respect of any matters arising under the said Act, or for value of improvements or other matters, shall, unless otherwise specially provided, be settled in the manner provided in Part III of "The Public Works Act, 1905," for which purpose the said Part III shall be deemed to be incorporated with the said Act.

In every such claim the Board shall be the respondent.

29. Where it is provided or agreed that any matter shall be referred to arbitration, then such reference, unless herein otherwise provided, shall be to one or more arbitrators appointed by the parties on each side respectively, and an umpire to be appointed by such arbitrators.

(a.) If either party shall fail to appoint an arbitrator within twenty-one days after being requested in writing to do so by the other party, then the arbitrator appointed by the other party shall alone conduct the arbitration, and his decision shall be final and binding on both parties.

(b.) If the said arbitrators shall fail to agree upon the matter referred to them within twenty-eight days of the same having been so referred, then the matter so referred shall be decided by an umpire to be appointed by the said arbitrators, whose decision shall be final and binding on both parties.

(c.) Every such arbitration shall be carried on in the manner prescribed by "The Arbitration Act, 1890," and be subject to such last-mentioned Act in the same manner as if the reference to such arbitration had been made by consent of parties under a deed.

(d.) Each party shall pay his or its costs of such reference, and any costs incidental to the appointment of an umpire shall be paid equally by the parties to the arbitration.

(e.) Such arbitrators or umpire shall have all the powers vested in Commissioners by "The Commissioners' Powers Act, 1867," as well as all the powers given to them by "The Arbitration Act, 1890."

30. Before any appraiser enters into the consideration of any matters referred to him under the said Act, he shall, in the presence of a Justice of the Peace, make and subscribe a declaration as in the Form N in the regulations, or to the same effect and meaning.

Renewal of Leases.

31. Not sooner than one year and not later than three months before the end of the term for which the lease is granted, a valuation shall be made by arbitration, or in some other manner that may be agreed upon between the Board and the lessee, of the then value of the fee-simple of the lands then included in the lease, and also a valuation of all substantial improvements of a permanent character made by the lessee during the term and then in existence on the land then comprised in the lease.

The publishing of the valuations made as aforesaid may be effected by serving a copy of the same on the lessee and another copy on the Board; and thereafter, but not later than two months before the expiry of the term for which the lessee then holds the lands, the lessee shall elect, by notice in writing delivered to the Board, whether he will accept a fresh lease of the said lands for a further term of ten years from the expiration of the then term, at a rental equal to not less than five pounds per centum on the gross value of the lands after deducting therefrom the value of the substantial improvements of a permanent character as fixed respectively by the valuation.

32. If the lessee shall not elect to accept a renewal as above mentioned, or shall refuse or neglect to execute a lease within seven days after the same is tendered to him for the purpose, a lease of the said lands shall, not later than one month before the end of the term for which the terminating lease was granted, be put up to public competition by public tender for such term as the Board may consider fit, on the following terms and conditions:—

(a.) The upset rent shall be such rent as shall be fixed by the Board, not being a greater sum than that at which the lease was offered to the outgoing lessee under the last preceding clause.

(b.) The amount of such upset rent shall be stated in the advertisements calling for tenders; and it shall be a condition of tender that the tenderer shall, together with his tender, deposit the amount of one half year's rent, which shall be returned to him if he fails to obtain the lease.

(c.) If any person other than the outgoing lessee be declared the purchaser, he shall, within seven days after the day fixed for opening the tenders, pay over to the Board the amount of the value of the substantial improvements of a permanent character as fixed in manner provided by the last preceding clause.

(d.) When the day has arrived on which the terminating lease expires, or thereafter, if the Board shall have satisfied itself that the outgoing lessee has let the new lessee into quiet possession of the lands to be leased, and that none of the improvements on the lands which were thereon when the valuations mentioned in the last preceding clause were made have been destroyed or appreciably damaged, the Board shall pay over to the outgoing lessee the amount received by it from the incoming lessee as aforesaid.

(e.) If any of the improvements as mentioned in the preceding subclause have been destroyed or appreciably damaged, as in the said subclause referred to, then the value of the improvements so destroyed, or the cost of repairing such damage, shall be decided by the Board or some person appointed by it; and the amount so fixed, with the costs attending such decision, shall be deducted from the amount payable as aforesaid to the outgoing lessee, and, save the amount deducted for costs, shall be returned to the incoming lessee.

33. If such lease shall not be disposed of as above mentioned to some person other than the lessee, or if such person fails to execute the lease in triplicate within thirty days, or to pay the sum offered by him as aforesaid within thirty days, from the day on which the tenders were opened, then the lessee may again, within sixty days after the day fixed for the opening of the tenders, elect in manner aforesaid whether he will accept a fresh lease as aforesaid; and if he does not elect to accept the same, or refuses or neglects to execute such lease within seven days after the same is tendered to him for the purpose, then he may continue as lessee of the said land from year to year, so long as he shall pay the rent reserved by his lease and observe and perform the covenants and conditions contained in the same or in this Act, or until the Board shall succeed in finding a purchaser of the new lease, unless, prior to the finding of such purchaser by the Board, he shall elect to accept a new lease for the said further period of ten years as aforesaid.

34. The Board, in selling a renewed lease to a purchaser, may make provision that the right to take possession under such new lease shall always commence on the 1st day of January or of July in any year.

35. All the provisions of the foregoing rules and regulations (except the provisions as to cultivation) as regards the tenders for sale, form, and conditions of first leases made under the said Act, and otherwise howsoever as regards such leases, shall, *mutatis mutandis*, apply to the sale, form, and conditions of the new or renewed leases above mentioned, and to the lessees thereunder, and otherwise howsoever, except as herein is otherwise expressly provided.

Notwithstanding anything in the foregoing regulations contained, the Board reserves to itself the right to refuse to accept the highest or any tender.
