*Result of Poll for Proposed Loan.*

PURSUANT to the provisions of "The Local Bodies' Loans Act, 1901," I hereby give notice that a poll of ratepayers of the Bull's Town District, in respect of all rateable properties

within the said district, was taken on the 16th day of October, 1907, in the matter of the proposal to borrow from the Colonial Treasurer the sum of £600 for two years' expenditure in curbing, metalling, and asphaltting footpaths within the said district, and to provide interest and other charges thereon by a special rate of 2d. in the pound sterling upon the annual value of all rateable properties in the said district for a period of forty-one years, at 4 per cent., and that it is proposed to pay out of the loan the cost of raising the loan and the first year's interest, and the following was the result: Number of valid votes recorded, 30; for the proposal, 30; against the proposal, nil; informal votes, nil.

As the total number of valid votes recorded at the said poll in favour of the said proposal exceeds three-fifths of the total number of valid votes recorded thereat, I therefore declare the said proposal to have been carried.

Mariners are informed that they can trust the Yahgans, Natives of the srm. chans., to conduct them to mission-stations or settlements in the archip., where they can obtain assistance. On the other hand, the Alacalufs, or Natives of the Patagonian Chan., who occasionally cross the strait to the N.-wrn. chans. of Tierra del Fuego, are aggressive and treacherous; but, however great their number, they will not attack a combination of three or four persons, especially if they are aware that these persons possess firearms or implements resembling them. There are in the Fuegian Archip. many inhabited places; amongst those perm. occupied in the ern. isls. are the cattle-stations of Lennox, Neuva, Picton, and Navarino, and in the wrn. part the mining works, which are occupied during part of the year, on the Noir Isls., and at Diego Ramirez and other places.

*Locality and Description.*

Tekapo Village is situated at the southern end of Lake Tekapo, on the eastern side of the Tekapo River. It is distant twenty-six miles from Fairlie Township and Railway-station, and fronts upon the main road from Fairlie to Mount Cook Hermitage, being connected with both places by motor-car service. The position of the village on the shore of Lake Tekapo, which extends for eighteen miles into the midst of the mountains, the high altitude (2,360 ft. above sea-level), the dry and bracing climate, the magnificent view, and the proximity to mountain and glacier scenery, all combine to render the village admirably adapted for a week-end or holiday resort for town residents and others.
