1. In these conditions the term "Minister" means the Minister of Marine, as defined by "The Shipping and Seamen Act, 1903," and includes any officer, person, or authority acting by or under the direction of such Minister.

2. The concessions and privileges conferred by this Order in Council shall extend and apply only to the part of the foreshore and land below low-water mark at Waiomo shown on the said plan marked M.D. 3121.

3. In consideration of the concessions and privileges granted by this Order in Council, the company shall, on being supplied with a copy thereof, pay to the Minister the sum of two pounds ten shillings, and thereafter an annual sum of one pound in advance, such annual payments to date from the date hereof, the first of such annual payments to be made on the company being supplied with a copy of this Order in Council.

4. All persons shall at all reasonable times, upon payment of the proper dues, have free and full liberty to use the said wharf, and all rights of ingress and egress thereon and therefrom.

5. His Majesty, or the Governor, and all officers in the Government service acting in the execution of their duty, shall at all times have full ingress, passage, and egress into, through, and out of the said wharf without payment.

6. The rights, powers, and privileges conferred by this Order in Council shall continue in force for fourteen years, computed from the date of this Order in Council, unless in the meantime such rights, powers, and privileges shall be altered, modified, or revoked by competent authority; and the company shall not assign, charge, or part with any such right, power, or privilege without the previous written consent of the Minister first obtained.

10. Nothing herein contained shall authorise the company to do or cause to be done anything repugnant to or inconsistent with any law relating to the Customs, or any regulation of the Commissioner of Trade and Customs, or with any provisions of "The Harbours Act, 1878," or its amendments, or any regulations made thereunder, and that are now or may hereafter be in force.

11. In case the company shall—

Wellington, 6th November, 1907.

NOTICE is hereby given that the sum of £3,000 has been voted by Parliament for distribution to public libraries.

The distribution will take place on the 4th February, 1908, and no claim will be entitled to consideration that shall not have been sent in in due form and received by the Secretary for Education, Wellington, on or before the 27th January, 1908.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under the control of an association, society, or club whose membership is composed of a section of the community only, and if within a borough it must be open to the public free of charge. The receipts for the year from subscriptions and donations must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The net proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. A subsidy will not be given to more than one library in the same town.

2. In the division of the vote a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £75—that is, in no case will the augmented amount on which distribution is based exceed £100.

3. The whole of the subsidy must be expended without delay in the purchase of books for the library.

4. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and expenditure of the institution for the year ending on the 31st day of December, 1907; and such declaration must be on the form provided for the purpose, which form shall be as follows:—

DECLARATION.

I, [Name], of [Place of abode], [Occupation], do solemnly and sincerely declare that I am Chairman [or Secretary, or Treasurer] of the [Name of institution]; that during the year ending on the 31st day of December, 1907, the receipts of the aforesaid institution for the maintenance of the library only were as follows: From rates levied by a local governing body under "The Public Libraries Act, 1869," or "The Municipal Corporations Act, 1900," _____ pounds shillings and _____ pence; from the subscriptions of members, _____ pounds shillings and _____ pence; and from voluntary contributions other than members' subscriptions, _____ pounds shillings and _____ pence. And I do solemnly and sincerely declare that the information hereinafter furnished by me in the appendix hereto is correct in every particular; that the abstract of accounts is a true statement of the receipts and expenditure of the institution for the year herein specified; that the whole of the subsidy received during the year was expended in the purchase of books for the library; and that by the rules of the library it is open to the public free of charge.

And I make this solemn declaration conscientiously believing the same to be true, and by virtue of an Act of the General Assembly of New Zealand intitled "The Justices of the Peace Act, 1882." (Signature.)

Declared at _____, this _____ day of _____, 190 _____, before me— _____, Justice of the Peace [or Solicitor, or Notary Public].

[Here affix and cancel a stamp at 2s. 6d.]

[NOTE.—The words relating to last year's subsidy and to free admission may be struck out if they are not applicable. The words in brackets are not part of the form, but indicate matter to be inserted or substituted.]

Copies of the form of application may be obtained from the Secretary for Education, Wellington, and from the Secretary of any Education Board.

Te Makarini Scholarships, held at Te Aute College, Hawke's Bay.

THREE scholarships of the yearly value of £35, tenable for two years, are offered for competition. One of these scholarships, to be called the senior scholarship, is open to all Maori boys under sixteen years of age at the end of the month preceding the date of the examination: the other two scholarships are junior scholarships, one of which is open to all Maori boys under fifteen years of age at the end of the month preceding the date of the examination who have attended a Native school or schools other than Te Aute or St. Stephen's, and whose attendance at school during the previous year is considered by the Inspector of Native Schools to have been satisfactory; the other is open to Maori boys whose attendance at any school other than Te Aute and St. Stephen's during the previous year has been similarly satisfactory. The senior scholarship is open to Maori boys on the conditions laid down in the regulations of the Trustees of the Te Makarini Scholarships Fund, as printed in the Native Schools Code, 1897. Locality and Description.

Tekapo Village is situated at the southern end of Lake Tekapo, on the eastern side of the Tekapo River. It is distant twenty-six miles from Fairlie Township and Railway-station, and fronts upon the main road from Fairlie to Mount Cook Hermitage, being connected with both places by motor-car service. The position of the village on the shore of Lake Tekapo, which extends for eighteen miles into the midst of the mountains, the high altitude (2,360 ft. above sea-level), the dry and bracing climate, the magnificent view, and the proximity to mountain and glacier scenery, all combine to render the village admirably adapted for a week-end or holiday resort for town residents and others.
