Published by Authority.

WELLINGTON, MONDAY, OCTOBER 19, 1908.

Change of Name of Borough of Hawksbury to Borough of Waikouaiti.

(L.S.) **PLUNKET, Governor.**
A PROCLAMATION.

WHEREAS the Council of the Borough of Hawksbury has, by resolution adopted at an ordinary meeting thereof, requested that the name of that borough be altered from "Hawksbury" to "Waikouaiti":

Now, therefore, in pursuance and exercise of the powers and authorities conferred on me by "The Designation of Districts Act, 1894," and of all other powers and authorities enabling me in this behalf, I, William Lee, Baron Plunket, the Governor of the Dominion of New Zealand, do hereby proclaim and declare that the name of the borough now known as "Hawksbury" shall be and the same is hereby altered to "Waikouaiti," and do assign the last-mentioned name to such borough accordingly; and also do hereby proclaim and declare that this Proclamation shall take effect on and after the first day of January, one thousand nine hundred and nine, not being earlier than six months after the first publication thereof in the *Gazette*.

Given under the hand of His Excellency the Right Honourable William Lee, Baron Plunket, Knight Commander of the Most Distinguished Order of Saint Michael and Saint George, Knight Commander of the Royal Victorian Order, Governor and Commander-in-Chief in and over His Majesty's Dominion of New Zealand and its Dependencies; and issued under the Seal of the said Dominion, at the Government House, at Wellington, this twentieth day of June, in the year of our Lord one thousand nine hundred and eight.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both primary and secondary data collection techniques. The primary data was gathered through direct observation and interviews with key stakeholders. Secondary data was obtained from existing reports and databases.

The analysis phase involved using statistical software to identify trends and correlations within the data. The results show a clear upward trend in certain areas, while others remain relatively stable. These findings are crucial for understanding the overall performance and identifying areas for improvement.

Finally, the document concludes with a series of recommendations based on the findings. It suggests implementing new procedures to streamline operations and improve efficiency. Additionally, it recommends regular communication and reporting to keep all parties informed of the progress and any challenges encountered.
