NEW ZEALAND GAZETTE

OF

THURSDAY, JANUARY 27, 1910.

Published by Authority.

WELLINGTON, MONDAY, JANUARY 31, 1910.

Regulations under the Old-age Pensions Acts, 1908 and 1909.

PLUNKET, Governor.

PURSUANT to and in exercise of the powers in this behalf conferred upon him by "The Old-age Pensions Act, 1908," and its amendments, His Excellency the Governor of the Dominion of New Zealand doth hereby revoke the several regulations set forth in the Second Schedule hereto, and in lieu thereof doth hereby make the following regulations, that is to say,—

INTERPRETATION.

1. In these regulations "the principal Act" means "The Old-age Pensions Act, 1908"; "the Amendment Act, 1908," means "The Old-age Pensions Amendment Act, 1908"; "the Amendment Act, 1909," means "The Old-age Pensions Amendment Act, 1909"; "Minister" means the Minister of Finance; "Magistrate" means a Stipendiary Magistrate.

PENSION-CLAIMS, AND MATTERS RELATING THERETO.

2. The pension-claim shall be in the form numbered 1 in the First Schedule hereto, and shall be issued only to or on behalf of *bona fide* applicants for the pension. The claim shall be made in person to the Registrar, who shall read over to the claimant the contents of his claim.

3. If, on account of age, infirmity, or any other cause, it is not practicable for the claimant to personally interview the Registrar, or *vice versa*, the contents of the claim may be read over to the claimant by a Clerk of Court, constable, or Postmaster, who shall forward the claim to the Registrar to be dealt with as provided hereinafter.

4. The Pension-claim Register shall contain particulars of each pension-claim received, and shall be in the form numbered 2 in the First Schedule hereto.

5. The Registrar shall not record in the Pension-claim Register any claim made by a claimant who resides in another old-age pension district; but he may accept such claim, and forward it to the Registrar of the district in which the claimant resides, notifying the claimant that he has done so.

6. The Registrar, after recording a claim in the Pension-claim Register, shall note thereon the name of the old-age

pension district, and its registered claim-number, and shall forthwith proceed to verify the statements of the claimant by inquiry forms lettered A, B, C, D, E, F, G, H, and I in the First Schedule hereto. Having done so, he shall then forward the claim, together with all replies to inquiries made, to the Magistrate presiding at the Court held nearest to the residence of the claimant.

7. Under instructions from the Magistrate, the Clerk of Court shall send to the claimant a notice, in the form numbered 3 in the First Schedule hereto, of the time and place at which he may attend to support his claim. He shall likewise, where he is not himself the Registrar, notify the Registrar of the place and date fixed for the hearing of the application.

8. The pension-claim, with a minute of the Magistrate's decision indorsed thereon, together with the inquiry forms, shall be filed by the Registrar, and each decision shall be notified by the Magistrate to the Registrar, who in turn shall notify the claimant in the form numbered 4 in the First Schedule hereto, and shall note the purport thereof in the Pension-claim Register.

9. If the Magistrate's decision is that the claim is rejected, he shall notify the Registrar in the form numbered 5 in the First Schedule hereto, and shall specify all the material points which he finds to be respectively proved, disproved, and not proved. Such notification, after being noted in the Pension-claim Register, shall be forwarded to the Commissioner, who shall record and file the same.

Provided always that, where a fresh claim is lodged at any time subsequent to the rejection of a former claim, such new claim shall be recorded in the Pension-claim Register under a new number. This shall not apply where the former claim has been merely adjourned for any reason by the Magistrate. For the purposes of this proviso, the adjournment of a claim *sine die* shall be deemed to be equivalent to the rejection of such claim.

10. If the Magistrate's decision is that the claim is established, he shall fix the rate of the first year's pension, and forward to the Registrar a certificate of establishment in the form numbered 6 in the First Schedule hereto.

11. Forthwith upon receipt of the Magistrate's certificate of establishment, the Registrar, after noting the Pension-claim Register, shall note the purport thereof in the Old-age Pension Register hereinafter referred to, and, after indorsing

thereon the next available number in the said Register, which shall be the number of the pension-certificate, shall then forward it by first mail to the Commissioner, who shall record and file the same.

12. The Commissioner shall, in respect of each Magistrate's certificate of establishment received by him, and having regard to the provisions of the principal Act and any amendment thereof, issue a pension-certificate in accordance therewith to the pensioner.

PENSION-CLAIMS BY MAORIS.

13. In every case where a pension-claim is signed by a Maori as claimant, or where the wife or husband of a claimant is a Maori, there shall be annexed a statement setting forth in respect of any customary rights or interest now or previously held or enjoyed by the claimant or by the claimant's husband or wife, as the case may be, in any block of land, whether under defined legal title or Native custom, the following particulars:—

- (a.) All the names by which he or she is known.
- (b.) The names and locality of the blocks.
- (c.) The nature or extent of the rights or interest held or claimed therein.
- (d.) The name under which he or she appears in the list of owners.
- (e.) If any interest in any land has been disposed of since the first day of November, one thousand eight hundred and ninety-eight, the date, terms, and conditions of such disposal, the consideration obtained, and the name of the person to whom transferred.

Such statement, which shall be in the form numbered 1A in the First Schedule hereto, shall be deemed to be part of the pension-claim to which it is expressed to refer, and there shall be indorsed thereon a certificate by a Government officer that the contents thereof were fully explained to, and appeared to be fully understood by, the claimant before he signed it.

The claim shall be forwarded by the Registrar to the Commissioner, who shall send the same to the Registrar of the Native Land Court for a report as to the interests held or claimed to be held.

On receipt of such report the Commissioner, after adding thereto the value of the interests held, as shown by the books of the Valuation Office, shall return the claim, together with the report, to the Registrar to be dealt with as in the case of an ordinary claim.

14. It shall be the duty of every Government officer having the requisite knowledge of the Maori language to assist Maoris in preparing their pension-claims, and to give the aforesaid certificate without fee.

PENSION-CLAIMS UNDER SECTION 11 OF THE PRINCIPAL ACT.

15. Any claimant wishing to avail himself of the provisions of section eleven of the principal Act shall, in addition to making a claim on Form 1, likewise make application on the form numbered 1B in the First Schedule hereto. After satisfying himself so far as he is able by means of the inquiry forms that the claimant is otherwise qualified to receive a pension, the Registrar shall forward Form 1B to the Commissioner, who shall procure from the books of the Valuation Office the value of the dwelling and freehold land upon which such dwelling is situated, and forward the same to the Public Trustee.

When the Public Trustee has agreed to accept the transfer or conveyance of the property, the application shall be returned to the Registrar, who will at once proceed with the investigation of the claim in the ordinary way.

If the Magistrate's decision is that the claim is established, he shall, in lieu of the certificate on form numbered 6, sign the certificate on the said application.

Forthwith upon receipt of the said certificate the Registrar shall note the purport thereof in his Old-age Pension Register, and, after giving it the next available number therein, forward it by first mail to the Commissioner, who shall issue a pension-certificate as provided by Regulation 12.

In the event of the applicant for a pension under this section being already an old-age pensioner, the application shall be made in conjunction with the next succeeding Income and Property Statement forwarded by the pensioner, and shall be dealt with as in the case of an original claim, and for that purpose the provisions of this regulation and the form required thereunder shall apply with all necessary modifications.

On the death of any pensioner, or survivor of a pensioner, under this section, the Commissioner, on receipt of the notice of death, shall notify the same to the Public Trustee,

who shall proceed to act as provided by subsection (5) of the aforesaid section, or by subsection (3) of section 4 of the Amendment Act, 1909. All moneys payable by way of refund shall be paid into the Public Account and the bank receipt forwarded to the Commissioner.

Where the Commissioner has reason to believe that the premises are not being maintained in good order and substantial repair, or the rates and the assessments payable thereon are not being paid, he may withhold payment of the instalments, and may, if necessary, apply such instalments to meet the cost of repairs that may be deemed to be necessary, or to pay the aforesaid rates and assessments.

INVESTIGATION OF PENSION-CLAIMS.

16. In order to facilitate the investigation of pension-claims, the following provisions shall apply:—

(a.) If in the course of the investigation further evidence on any specific matter is necessary, the Registrar or any person authorised by the Magistrate may inquire into the same, and the result of such inquiry may be accepted as evidence.

(b.) For the purpose of such inquiry free access shall be given to—

(1.) The registers and records of the Registrar-General's Department, for the procuring of information relating to ages at birth, death, or marriage; and also to

(2.) The records of the Immigration Department; and also to

(3.) The district valuation rolls under "The Government Valuation of Land Act, 1908," and the records of the Commissioner of Taxes, for the purpose of ascertaining the particulars and valuation of real property; and also to

(4.) The registers of the Land Transfer and Deeds Registration Offices, for the purpose of searching title to land; and also to

(5.) The records of the Supreme Court, for the purpose of searching instruments registered under "The Chattels Transfer Act, 1908"; and also to

(6.) The records of the Advances to Settlers Office, the Public Trust Office, and the Government Insurance Department, relating to mortgages on property; and also to

(7.) The records of the Native Land Courts and the Native Land Purchase Officers; and also to

(8.) The records of the Stamp Department relating to deceased persons' estates; and also to

(9.) All real and personal property of the claimant, and all books, vouchers, and documents relating to such property, and any mortgage thereon, or to his income, for the purpose of assessing the same.

(c.) It shall be the duty of all officers of the aforesaid Departments and offices, and of any bank, insurance company, or other corporation carrying on business in New Zealand, and of all officers the Post-Office Savings-Bank, and of any other Government Department which receives investments of money from the public, and of any private individual, to make true answers to all questions, and to afford, without fee, all such information as may be reasonably required for the purpose of prosecuting such inquiry as aforesaid.

(d.) The powers of inquiry and search hereby given shall be limited to specified pensioners or applicants for pension, and shall not be construed as authorising any general search or inquiry.

(e.) The Magistrate may, in his discretion, accept as testimony for or against the claim—

(1.) A statutory declaration made by any reputable person, who therein declares to what he knows of his own knowledge to be true; or

(2.) Any other documentary evidence, whether strictly legal evidence or not; or

(3.) The sworn spoken evidence of any reputable person who deposes to what he knows to be true; or

(4.) The knowledge or observation of the Magistrate himself.

17. The valuations for the time being appearing in the general valuation roll under "The Government Valuation of Land Act, 1908," shall, so far as the same are applicable, be used for the purpose of assessing the net capital value of the accumulated property of claimants for pensions.

Where the beneficial interest in any property chargeable against a pension consists of the life interest in such property

the present value of the said life interest shall be deemed to be accumulated property for the purposes of the Act, except as provided by sections 3 and 5 of the Amendment Act, 1909. To arrive at the value of the life interest, the net annual value of the property shall be multiplied by the value of £1 per annum at the required age, reckoning interest at 5 per cent., according to what is called the Carlisle Table of Mortality. For the purposes of any computation under this regulation the net annual value of a property shall be deemed to be the net annual income derivable therefrom, or, in the absence of any such income, an amount not exceeding 5 per cent. of the capital value of the property after the deduction of all charges or encumbrances lawfully existing thereon.

18. It shall be the duty of all Government officers and members of the Police Force to assist claimants in the preparation and investigation of their pension-claims.

OLD-AGE PENSION REGISTER.

19. The Old-age Pension Register shall contain particulars of each Magistrate's certificate received, whether it be a certificate of establishment or of renewal; and likewise particulars of each transfer warrant received by the Registrar, and shall be in the form numbered 7 in the First Schedule hereto.

20. In addition to the particulars prescribed in section 32 of the principal Act, the Old-age Pension Register shall contain a "Remarks" column, in which shall be recorded particulars relating to the transfer of a pension-certificate, the change of office of payment, the issue of a duplicate pension-certificate, the issue of a warrant, the cancellation of a warrant or pension-certificate, the forfeiture of any instalment, the death of a pensioner, the alteration in the amount of a pension, any order of a Court, and any other circumstances affecting the payment of a pension. And the Registrar shall, in respect of every such record the notification of which is not otherwise provided for in these regulations, forthwith advise the Commissioner thereof by telegraph or by notice in the form numbered 8 in the First Schedule hereto; provided that any record relating to the payment of any instalment the due date of which has passed shall be advised by telegraph.

PENSION-CERTIFICATES.

21. The pension-certificate, which shall be in the form numbered 9 in the First Schedule hereto, shall set out on the face thereof the date on which the first instalment is payable, which in the case of the first year's pension shall be the first day of the calendar month next after the date of the Magistrate's certificate, and in the case of renewal the same date in each year thereafter.

22. If a pension-certificate is lost, destroyed, or mutilated, the pensioner or his duly authorised agent appointed under these regulations may make application by statutory declaration in the form numbered 9A in the First Schedule hereto to the Registrar or Postmaster, who shall forward the application to the Commissioner with his recommendation.

23. After satisfying himself that the original certificate has been lost, destroyed, or mutilated, as the case may be, the Commissioner shall issue, a duplicate certificate, which shall bear across its face the word "duplicate," and he shall instruct the paying-office to pay on duplicate certificate only:

Provided that the issue of such duplicate may be delayed by the Commissioner at his discretion for a period not exceeding one month from the date of the application, to give an opportunity for the finding of the original:

Provided further that authority may not be given for the payment on said duplicate of any instalment which at the date of application has become forfeited.

TRANSFERS.

24. The application for transfer of a pension-certificate from the register in one district to the register in another shall be in the form numbered 10 in the First Schedule hereto, and with respect thereto the following provisions shall apply:—

- (a.) It shall not be granted unless the Registrar to whom the application is made is satisfied that the pensioner is about to change or has permanently changed his residence to the new district, nor unless the pension-certificate is lodged with the application, for which latter a receipt shall be issued as a subsequent means of identification.
- (b.) For the purpose of effecting the transfer the Registrar of the district in which the pension is registered shall issue a transfer warrant in the form numbered 11 in the First Schedule hereto, and shall

transmit the same, together with the pension-certificate and all papers relating to the original granting of the pension and any renewal thereof, to the Registrar of the new district.

- (c.) The Registrar issuing the transfer warrant shall note the transfer in his Old-age Pension Register, and shall forthwith forward the application, duly noted by him, to the Commissioner, who shall issue the necessary instructions to the paying office.
- (d.) The Registrar receiving the aforesaid warrant and pension-certificate shall note the contents of the warrant in his Old-age Pension Register, and, after supplying the new number by which it is recorded, forward it by first mail to the Commissioner, and in exchange for the receipt previously issued for the pension-certificate shall deliver the said certificate to the pensioner or to the duly authorised agent appointed under these regulations, having first noted thereon the new number and the names of the new district and paying office.
- (e.) The receipt for the pension-certificate shall be attached to the pensioner's former papers, which shall be filed by the Registrar.
- (f.) No transfer warrant shall be made to date back to cover an instalment already forfeited.

25. If the pensioner or other person duly authorised to receive payment of the instalments of a pension desires that the office of payment only shall be changed, either to another post-office in the district in which the pension is registered or to a post office in any other district, or that payment shall be made through the medium of a non-money-order office by registered letter, he shall make application in the form numbered 12 in the First Schedule hereto to the Postmaster or to the Registrar of the district in which he may be residing, and in support thereof shall produce the pension-certificate. The officer receiving the application, after noting the change of office for payment on the pension-certificate, which he shall return to the applicant, shall forward the application to the Commissioner, who shall issue the necessary instructions to the paying office.

PAYMENT OF PENSIONS, AND MATTERS RELATING THERETO.

26. The Commissioner shall, in respect of every pension granted, provided payment has not been stopped for any reason, transmit to the paying office in every month a form of advice of payment of the instalment falling due on the first day of the following month, and such advice, which shall be in the form numbered 13 in the First Schedule hereto, shall constitute the form of receipt for the said instalment.

27. When receiving payment of any instalment of a pension, the payee shall give a receipt for the same on the form referred to in the last preceding regulation, and when making the payment the paying officer shall note on the back of the produced pension-certificate the date and fact of such payment by affixing thereto his signature and office stamp:

Provided that the paying officer shall be required, when making payments to Maori pensioners, to satisfy himself as to the identity of the payee, and he shall, if necessary, withhold payment where the proof of identification is not satisfactory, in which case the Commissioner shall be at once advised.

28. If the payee is other than the pensioner, the payee shall in such receipt certify that to his certain knowledge the pensioner is alive and residing in New Zealand, giving address, and that the instalment applied for is properly payable.

29. No payment shall be made in respect of any instalment of a pension which became due while the pensioner was in gaol or out of New Zealand, and no payment shall be made on account of a pension after the death of the pensioner without the special authority of the Commissioner first obtained.

30. The paying officer shall, in every case where the last instalment covered by a pension-certificate has been paid, retain the said certificate, and forward it with his accounts.

31. Whenever any instalment is payable under a warrant issued under these regulations, the pension-certificate shall be produced by the payee at the time of payment, together with the warrant; and, where the aforesaid warrant relates to a single instalment, or the last of a series of instalments, it shall be delivered up to and retained by the paying officer on payment of such instalment, and forwarded with his accounts.

32. In the event of any instalment being paid on production of a lost pension-certificate after the issue of a duplicate of such certificate, or on a pension-certificate during

the currency of a warrant directing payment to other than the pensioner, the holder of such duplicate or warrant shall have no claim against His Majesty in respect of the instalment so paid.

FORFEITED INSTALMENTS.

33. In the event of any instalment being forfeited under section 38 of the principal Act, the pensioner or other person duly authorised to receive payment may make application, in the form numbered 14 in the First Schedule hereto, to the Registrar of the district in which the pensioner is registered, or to the paying Postmaster, who shall, after examining the pension-certificate and indorsing on the application his recommendation as to whether payment should be made or not, giving his reasons for such recommendation, return the pension-certificate to the applicant, and forward the application to the Commissioner: Provided always that if the application is made on behalf of the governing body of a charitable institution, it shall be accompanied by a warrant under section 41 of the principal Act setting out the cost and period of maintenance.

34. In the event of an application being made for an instalment forfeited by reason of delay in the granting of a renewal certificate, the application shall be lodged with the Registrar, who shall state in his recommendation the cause of such delay; and, should the applicant be a Maori pensioner, the application shall state whether the applicant was absent at a tangi or Native Land Court or away from home during the time the instalment was payable.

35. No application for an instalment which shall have been forfeited for a period of three months shall be entertained, except in exceptional circumstances, in regard to which a full explanation shall be forwarded with the application by the Registrar to the Commissioner.

ACCRUED AMOUNT.

36. In the case of an application for the portion of an instalment accruing due to the date of death of a pensioner or for any instalment unpaid at date of death, the application shall be in the form numbered 15 in the First Schedule hereto, and shall be made only by the person who defrayed the funeral expenses of the pensioner, or on behalf of the governing body of the charitable institution wherein the pensioner was being maintained at date of death. If the application is made by the person who defrayed the funeral expenses, it shall be accompanied by a receipted account for the said expenses, or for such part of the said expenses as is not less than the amount of pension payable; and if the application is made on behalf of the governing body of any charitable institution for the cost of burial or maintenance of the pensioner to the date of his death, it shall be accompanied by a warrant, under section 41 of the principal Act, setting out the cost of burial or the cost and period of maintenance, as the case may be.

The application, which must be accompanied by the pension-certificate in every case, and, in the case of a Maori pensioner, by a certificate of death by a European of repute other than the applicant or the Registrar, shall be made to the Registrar, who, after satisfying himself that the application is in order, shall forward it to the Commissioner with his recommendation as to payment, except that, in lieu of forwarding a receipt for funeral expenses paid by a charitable institution, he may certify on the application that the receipt has been seen by him. No application shall be entertained where the pensioner has left an estate out of which the funeral expenses, or the cost of maintenance, as the case may be, could be met, or where the pensioner has been dead more than three months, except under special circumstances, which must be explained to the Commissioner.

AGENTS' WARRANTS.

37. With respect to a warrant under section 41 of the principal Act, authorising payment of instalments of pension or pensions to the governing body of a charitable institution, the following provisions shall apply:—

- (a.) The application for the warrant, which shall be made to the Registrar, shall be in the form numbered 16 in the First Schedule hereto, and shall specify—
 - (1.) The name of each pensioner to which it relates;
 - (2.) The number of his pension-certificate;
 - (3.) The amount of the instalment applied for;
 - (4.) The cost and period of his maintenance or relief, such period in no case commencing earlier than one calendar month before the day on which the instalment applied for falls due;

- (5.) The total amount of instalments applied for.
- (b.) The pension-certificate shall be produced in every case.
- (c.) The warrant, which shall be signed by the Registrar, shall be indorsed on the application, and shall state the total amount for which it is granted.
- (d.) The warrant, which may relate to more pensioners than one, shall be delivered up to the paying officer by the payee when receiving payment of the instalments to which it relates, and shall be forwarded by the paying officer with his accounts.
- (e.) No warrant under section 41 shall be issued unless any previous warrant issued to any person in respect of the same pension has been first surrendered to the Registrar, and no payment shall be made to a charitable institution except on production of a warrant issued in terms of these provisions.
- (f.) If any dispute arises between the pensioner and the institution as to the proper disposal of the instalment, the question shall be decided in a summary way by a Magistrate.

38. With respect to a warrant under section 42 of the principal Act authorising payment of instalments of a pension to any clergyman, Justice, or other reputable person for the benefit of the pensioner, the following provisions shall apply:—

- (a.) The application for the warrant shall be in the form numbered 17 in the First Schedule hereto, and the applicant may be the pensioner or the proposed payee.
- (b.) If the applicant is the proposed payee, who must have reached the age of twenty-one years, the application shall not be dealt with unless it bears the pensioner's consent in writing, or unless the Commissioner is satisfied that the pensioner knows of the intended application and has had reasonable opportunity of objecting thereto.
- (c.) The application shall be made to the Registrar of the district in which the pensioner resides, and shall be forwarded to the Commissioner, accompanied by the pension-certificate for which the warrant is desired.
- (d.) The Registrar shall not recommend that a warrant be issued unless he is satisfied that it is expedient so to do, having due regard to the age, infirmity, or improvidence of the pensioner, as provided by the Act.
- (e.) The warrant, which shall be signed by the Commissioner, shall be in the form numbered 18 in the First Schedule hereto, and shall continue in force only during the currency of the pension-certificate in regard to which it is expressed to relate:

Provided that it may be renewed upon the issue of the pension-certificate for each subsequent renewal of the pension; and

Provided that it may be cancelled by the Commissioner at any time for good cause shown.
- (f.) No such warrant shall be issued in respect of a pension where the pensioner is absent or about to be absent from the district in which the pension is registered, unless under special circumstances, which shall be set forth in the application.
- (g.) No such warrant shall be issued in respect of a pension granted to a Maori, except to a European of good repute.
- (h.) The Commissioner shall issue the warrant, and forward it, together with the pension-certificate, to the person entitled thereto.
- (i.) All warrants surrendered to a Registrar or paying officer shall be forwarded to the Commissioner without delay.

RENEWALS OF PENSION.

39. The income and property statement, which by section 35 of the principal Act each pensioner is required to furnish yearly to the Registrar, shall be in the form numbered 19 in the First Schedule hereto, and shall be furnished by the pensioner immediately after the close of the income-year, which in each case shall be the date one month prior to the anniversary of the original granting of the pension:

Provided that, in every case where an income and property statement is not furnished within three months after the expiry of the income-year, the Registrar shall strike the pensioner's name off his books, and advise the Commissioner that he has done so; and any subsequent application

for the renewal of the pension shall be treated as a new claim and given a new number.

40. In order to facilitate the prompt furnishing of the statement, the Commissioner shall forward to the Registrar each month a blank form of statement for each pensioner whose income-year expires during the following month, together with a list of the same in the form numbered 20 in the First Schedule hereto; and the Registrar shall, immediately prior to the close of the income-year in each case, despatch the said form of statement, together with a circular in the form numbered 21 in the First Schedule hereto, to the last known address of the pensioner. In the event of the pension having been transferred to another district, the statement shall be forwarded for attention to the Registrar of the district to which the pension has been transferred.

The aforesaid lists on Form 20 shall be duly returned to the Commissioner when all statements referred to therein have been issued.

41. Where the income and property statement is furnished by a Maori pensioner, there shall be indorsed thereon a certificate by a Government officer, as prescribed in the case of a pension-claim.

42. In order to facilitate the investigation of income and property statements furnished by Maori pensioners, it shall be the duty of the Registrars of Native Land Courts, the Public Trustee, the Native Land Purchase Officers, and any other officer having any knowledge thereof, to supply to the Commissioner, in so far as the information relates to those Maoris who are believed to be pensioners, particulars of the acquisition or disposal of any lands or moneys belonging to such pensioners.

43. The Registrar, before submitting the statement to the Magistrate, shall issue the form lettered J in the Schedule hereto, and shall satisfy himself, where necessary, with the forms at his disposal, that the contents thereof are correct; and, where a pensioner has received income during the income-year to which the statement relates, he shall obtain a certificate on Form G of the amount of income earned, without which the statement shall be deemed to be incomplete.

44. In every case where it has been reported by the police that a pensioner mispends his pension in drink, the Registrar shall, at the time of the investigation of the income and property statement, draw the attention of the Magistrate to subsection (c) of section 35 of the principal Act, and oppose the renewal of the pension.

45. The statement shall be dealt with, investigated, and disposed of in the same manner, *mutatis mutandis*, as in the case of the pension-claim, and for that purpose the provisions of these regulations, and the forms thereunder relating to the investigation of pension-claims, shall apply, with all necessary modifications:

Provided that the Magistrate shall, in respect of each investigation, even though the application has been rejected, forward to the Registrar a certificate in the form numbered 22 in the First Schedule hereto, and the Registrar, after noting the purport thereof in the Old-age Pension Register, shall immediately forward it to the Commissioner, who shall file the same.

46. The Commissioner shall, in respect of each such certificate received by him, provided the certificate shows the pensioner to be entitled thereto, and having regard to the provisions of the principal Act and any amendment thereof, issue a pension-certificate in accordance therewith to the Postmaster of the post-office where the pension is payable, who shall issue it in exchange for the expired certificate.

47. Where at the granting of the renewal of a pension any alteration takes place in the amount of the property previously owned, the Registrar shall supply the Commissioner with particulars and the reason for such alteration on the form numbered 22A in the First Schedule hereto.

48. Where, at the investigation of any application for the renewal of a pension, it is found that by reason of excess of property or income the pensioner is no longer qualified to receive the pension, or has drawn any pension in excess of the amount allowed by law, the Registrar shall make application to the Magistrate, in terms of section 48 of the principal Act, to have the pension-certificate then current cancelled forthwith; and the Registrar shall, in the event of any instalment having been collected subsequent to the receipt of such excess of property or income, call upon the pensioner to make refund of such instalments so collected.

49. The income and property statement required to secure the continuance of the pension granted to an inmate of a mental hospital shall be in the form numbered 19A in the First Schedule hereto, and shall be signed by the Superintendent of the institution, and shall in every case be accompanied by a certificate from the Public Trustee as to the

property owned and any income derived from the estate of the pensioner. The statement shall be dealt with as in the case of any other income and property statement.

50. Where, on the application for the renewal of pension by a Maori pensioner, the Magistrate recommends that an allowance be made to the pensioner out of the moneys appropriated for Native purposes under "The Civil List Act, 1908," he shall issue a certificate of refusal of renewal in the form numbered 22 in the First Schedule hereto.

INQUIRIES UNDER SECTIONS 45, 46, AND 48 OF THE PRINCIPAL ACT.

51. When a Registrar has reason to believe that any pensioner is not lawfully entitled to the pension he is drawing, or is drawing a larger or smaller amount of pension than that to which he is by law entitled, he shall at once inform the Commissioner by wire, and shall report fully in writing by first mail his reasons for so believing; and the Commissioner shall forthwith, if necessary, stop payment of the pension, and at his discretion decide what action shall be taken. If the case is deemed by the Commissioner to be one for reinvestigation by the Magistrate, he shall instruct the Registrar to arrange for an inquiry at the next sitting of the Old-age Pensions Court, and to give the pensioner due notice to attend such inquiry.

52. Every such inquiry shall be disposed of in the same manner, *mutatis mutandis*, as in the case of a pension-claim, and for that purpose the provisions of the principal Act and of these regulations and the forms thereunder relating to the investigation of pension-claims shall apply, with all necessary modifications. The decision of the Magistrate shall be notified to the Registrar in the form numbered 23 in the First Schedule hereto, the contents of which shall be duly noted in the Old-age Pension Register, and the form forwarded to the Commissioner by the first mail.

53. 60. On the death of any person in New Zealand of the age of sixty-five years and upwards, it shall be the duty of the Registrar of Deaths to whom the death is reported to inquire, and it shall be the duty of the person reporting the death to inform the said Registrar, whether the deceased person was an old-age pensioner; and the said Registrar shall send to the Commissioner of Old-age Pensions notice, in the form numbered 25 in the First Schedule hereto, of the death of all such persons, even though they do not appear to be old-age pensioners.

61. Immediately it comes to the knowledge of any Postmaster that an old-age pensioner has died, it shall be his duty to at once notify the Commissioner of the date of such death; provided that where the death reported relates to a Maori pensioner the notification shall be by wire.

62. It shall be the duty of the Public Trustee to supply to the Commissioner each month the names and addresses of deceased persons of the age of sixty-five years and upwards whose estates have been placed in his hands during the month for administration, and, in the event of any such person proving to have been an old-age pensioner, to supply particulars of the estate.

63. It shall be the duty of members of the Police Force, in addition to assisting claimants in the preparation and investigation of their pension-claims and income and property statements, to render such service as the Department may require. Authority to incur expenditure on any occasion must be obtained beforehand from the Commissioner through the local Registrar. A police officer, where he is not the Registrar himself, or any Postmaster, if he has reason to believe that any pensioner is drawing a pension to which by law he is not entitled, or mispends his pension in drink, shall at once communicate with the Registrar of the district in which the said pensioner is registered; and, likewise, where it is within the knowledge of any such officer that a pensioner is employed at any work, he shall so inform the Registrar, and supply the name and address of the employer. The Registrar shall in such cases as are necessary take action as provided in these regulations.

64. Except where otherwise specially provided, all powers and functions conferred upon or exercisable by a Registrar under the provisions of the principal Act or any amendment thereof, or under any regulations made in pursuance thereof respectively, shall be exercisable also by the Commissioner.

65. Every statutory declaration made, and every receipt or other document made or given, for the purposes of the principal Act or any amendment thereof is exempt from stamp duty.

66. Any application for information in terms of section 18 of the principal Act shall be forwarded to the Commissioner, and the search fees prescribed by the said section shall be prepaid in stamps affixed to the application.

68. In every case where a pensioner is reported to have been committed to a mental hospital, the pension-certificate current at the date of committal, together with any warrant issued in respect thereto, shall be obtained and forwarded to the Commissioner to enable payment to be made to the mental hospital authorities.

69. If at any time a Registrar or Postmaster has reason to believe that the provisions of section 58 of the principal Act are being violated by the impounding of a pension-certificate by any person as security for the advance of any consideration whatsoever, he shall at once furnish the Commissioner with a report on the matter, and the Commissioner shall take such action as will insure the carrying-out of the provisions of the Act.
