REGULATIONS.

1. The several tramway districts and the boundaries thereof as are respectively described in the Schedule hereto are hereby defined to be tramway districts within the meaning of and for the purposes of the said Act.

3. An Appeal Board for each of the tramway districts described in the Schedule hereto is hereby constituted, each of which Boards shall consist of one representative to be appointed by the employers, and one representative to be appointed by the employees of the tramways within such tramway district as is hereinafter provided, and the senior Magistrate for the time being exercising jurisdiction in such district. The Magistrate shall be Chairman of the Board, and the Clerk of the principal Court at which such Magistrate presides shall be Clerk to the Board.

4. The Appeal Board for each tramway district shall hear and determine all appeals arising in its district by tramway employees therein against dismissals, disratings, fines, or other punishments, or reductions in pay or other emoluments, inflicted by their employers, and also appeals on the ground of promotion being unreasonably withheld ; but nothing in these regulations shall be held to empower the Board to hear and determine appeals in respect to any other matter.

5. The members of the Board shall be appointed in the following manner :—

(a.) The Clerk shall, not later than the 28th day of February, 1911, and thereafter from time to time whenever it may be necessary, as vacancies in the Board occur, publish a notice in some newspaper circulating in the tramway district

The Clerk shall post a copy of such notice to each employer, and to the secretary of the Industrial Union of Tramway Workers in such district on behalf of the tramway employees in such district, and he shall send a copy of such notice to the manager of every tramway in the district with a request that it shall forthwith be exhibited in a prominent position in the principal carshed of such tramway, and the neglect or failure of any manager to comply with such request shall be deemed to be a breach of these regulations punishable as hereafter provided.

(b.) If there is only one employer in the tramway district, the person nominated by him or it, or if there is more than one employer in such district, and all such employers nominate the same person, such person shall in either case be deemed to have been duly appointed by such employer or employers.

(c.) If there is more than one such employer in the district, and if the names of more than one person be nominated, the Clerk shall ascertain the capital value respectively as shown in the last balance-sheet of the tramway or tramways belonging to each employer, and the person nominated by the employer or employers the capital value of whose tramway or tramways separately or together is found to be represented by a greater capital value than the capital value of the tramway or tramways of any other employer or employers in the tramway district shall be deemed to be the person appointed by the employers in such district.

(d.) The Industrial Union of Tramway Workers in the district shall within the period mentioned in the notice referred to in subclause (a) hereof take such steps as it thinks fit to ascertain from the employees in the tramway district what person is appointed by them to represent them on the Board, and the secretary of such union shall in writing within such period notify the Clerk in the name of the person so appointed.

6. The members of the Board appointed by the employers and employees respectively shall hold office for a period of three years from the date of their appointment, and shall be eligible for reappointment.

(c.) Is absent from three consecutive meetings of the Board—

his office shall in any such case become vacant, and the vacancy thereby caused shall be deemed to be a casual vacancy.

8. Every casual vacancy shall be filled by the same appointing authority, and as far as practicable in the same manner and subject to the same provisions as in the case of the vacating member, and the person so appointed shall hold office for the residue of the term of the vacating member. Upon any casual vacancy being reported to the Clerk, he shall take such action as may be necessary in terms of clause 5 hereof to procure the appointment of another member to fill such vacancy.

9. The presence of the Chairman and of at least one of the other members of the Board shall be necessary to constitute a quorum at every meeting of the Board.

10. In all matters coming before the Board, the decision of the Board shall be determined by a majority of the votes of the members present, except in the case of an equality of votes, in which case the Chairman shall have a casting-vote.

11. The Board may, subject to clause 9 hereof, act notwithstanding any vacancy in its body, and in no case shall any act of the Board be questioned on the grounds of any informality in the appointment of a member, or on the ground that the seat of any member is vacant, or that any supposed member is incapable of being a member.

12. In the case of the illness or unavoidable absence of the Chairman of the Board, the Governor shall appoint some other Magistrate to act as Chairman during such illness or absence, and in the case of the illness or unavoidable absence of either of the other members of the Board, or in the event of the employers or employees neglecting or failing to appoint a member of the Board, the Governor may in any such case temporarily appoint some suitable person to act as a member of the Board during

the illness or absence of such member as aforesaid, or until such time as the employers or employees appoint such member; and the person so appointed shall, while acting upon the Board, have all the powers of a member duly appointed by the employers or employees.

13. In the event of any dispute or question arising as to the meaning of these regulations, or of any portion thereof, the same shall be referred to the Minister for determination, and his decision shall be final and conclusive; but all questions as to matters of form or admissibility of evidence, and all other questions arising out of or in connection with any appeal, shall be decided by the Board.

14. The Board shall, in respect of appeals hereunder, have all the powers of a Commission appointed under the Commissions of Inquiry Act, 1908, and may in its discretion accept or reject any evidence (whether legal or otherwise), and may also permit any employer or appellant to be represented by solicitor, counsel, or agent; and all evidence shall be on oath, or in such other manner as is permitted by law.

15. It shall be the duty of the Clerk—

- (a.) To receive, register, and deal with all appeals within the tramway district of which he is Clerk;
- (b.) To convene the Board for the purpose of dealing with such appeals;
- (c.) To keep a register in which shall be entered the particulars of such appeals and the determination of the Board thereon. Such register shall at all times be open to the perusal of any member of the Board, and of the Minister, or of such person as he may appoint, or of the employer, or of the secretary of the Industrial Union of Tramway Workers of the district;
- (d.) To obtain the signature of the Chairman to all entries in such register in proof of their correctness;
- (e.) To give notice of any appeal to any employer concerned therein, and to forward a copy of any determination of the Board thereon to the appellant, to the employer, and to the Minister respectively; and in addition to forward to the Minister particulars of the matter appealed against;
- (f.) To issue all summonses to witnesses, and to issue all notices and perform all other acts in connection with the sittings of the Board as the Chairman directs.

16. Appeals shall be heard at such convenient times and places as the Chairman may from time to time determine.

17. No appeal shall be heard or determined by the Board which purports to take exception to any of the matters mentioned in subsection (2) of section 6 of the Tramways Amendment Act, 1910, constituting a ground of appeal thereunder if the same occurred at a time earlier than the 1st day of January, 1911.

18. With respect of every appeal the following provisions shall apply:—

- (a.) Every appeal shall be commenced by notice of appeal addressed to the Chairman of the Appeal Board of the tramway district within which the matter concerning such appeal has arisen.
- (b.) Such notice may be in the form of an ordinary letter, and shall set forth clearly the grounds of appeal, the date or dates when the subject-matter of such appeal arose, and the name of the employer against whose decision such appeal is made; but such appeal must in every case be a matter personally affecting the appellant himself. Copies of the correspondence or other documents, if any, or statements of fact relating to the dispute, verified by statutory declaration, shall be attached to the notice of appeal.
- (c.) A copy of the notice of appeal, together with a copy of the correspondence or other documents as mentioned in the last subclause, shall be served on the employer by the appellant.
- (d.) The Board may decline to hear any appeal which does not comply with the foregoing conditions, or which it considers to be frivolous or irrelevant.

19. On the hearing of any appeal the Board may, if it thinks fit, adjourn the consideration thereof if of opinion that it is desirable so to do.

20. The Chairman may in his discretion, at the instance of either party, order that such books, papers, or other documents as are in the possession of the other party to the appeal shall be produced by him for the information of the Board.

21. Subject to the provisions of these regulations the Board may regulate its own procedure.

22. If any person, body, or company commits a breach of any of these regulations, such person, body, or company shall be liable to a fine not exceeding £20 for any such breach.

Regulations under the New Zealand State-guaranteed Advances Act, 1909 (Advances to Local Authorities).

ISLINGTON, Governor.

ORDER IN COUNCIL.

At the Government Buildings, at Wellington, this second day of February, 1911.

Present :

THE HONOURABLE J. A. MILLAR PRESIDING IN COUNCIL.

IN pursuance and exercise of the powers and authorities vested in him by the New Zealand State-guaranteed Advances Act, 1909 (hereinafter referred to as the said Act), and of all other powers and authorities enabling him in this behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby revoke the regulations made under the said Act on the fourteenth day of March, 1910, and the fourth day of July, 1910, and in lieu thereof doth hereby make the following regulations, and doth declare that those regulations shall come into force on the date of the publication thereof in the *New Zealand Gazette*.

REGULATIONS RESPECTING LOANS TO LOCAL AUTHORITIES.

1. The term of any loan granted to a local authority under the said Act shall be thirty-six years and a half.
2. The principal and interest of every such loan shall be payable by half-yearly instalments in accordance with such one of the tables contained in the First Schedule hereto (or hereafter prescribed by any regulations made in that behalf) as is appropriate to the case.
3. Any local authority may, before making an application for a loan in manner hereinafter provided, and although it has not yet taken the necessary steps under the Local Bodies' Loans Act, 1908, and its amendments, or otherwise, for obtaining sufficient authority to raise that loan, make a preliminary application to the Board in the Form No. 1 in the Second Schedule hereto, or to the like effect, for the provisional approval of the proposed loan by the Board. Every such preliminary application shall be transmitted by post or otherwise to the Superintendent of the New Zealand State-guaranteed Advances Office at Wellington, and shall be accompanied by a copy of the last balance-sheet of the local authority.
4. The Board shall thereupon take this preliminary application into consideration, and may either refuse to entertain the proposal or may agree to entertain it on such terms and with such modifications (if any) as it thinks fit.
5. If the Board decides to entertain the said proposal, notice of the decision shall be given to the local authority in the Form No. 2 in the Second Schedule hereto, or to the like effect, in order that the local authority may take such steps under the Local Bodies' Loans Act, 1908, and its amendments, or otherwise, as may be necessary for the purpose of obtaining sufficient authority to raise the loan, and for the making of the special rate required as security for the loan.
6. No such provisional approval by the Board shall be deemed to constitute any agreement between the Board or Superintendent and the local authority, or shall affect in any manner the right of the Board to refuse to grant the loan, or its right to impose any conditions on the grant thereof.
7. Every such provisional approval shall lapse unless an application for the loan so approved is made by the local authority in manner hereinafter provided, and received by the Superintendent within twelve months after the date of the decision of the Board approving of the proposed loan.
8. When the Board has provisionally approved of any loan in manner aforesaid the local authority may make application to the Board for the grant of the loan in accordance with the terms and conditions set out in the notice of provisional approval. Every such application shall be in such one of the forms Nos. 3, 4, or 5 in the Second Schedule hereto as is applicable, or to the like effect, and shall be verified by a statutory declaration in the Form No. 6 in the said Schedule. Every such application shall be transmitted by post or otherwise to the Superintendent at Wellington.
9. No such application for a loan shall be made until the local authority has taken all necessary steps under the Local Bodies' Loans Act, 1908, and its amendments, or otherwise, for obtaining sufficient authority to raise the loan, and has duly made the special rate required as security for the loan.
10. The Board may, if it thinks fit, in special cases accept an application for a loan although no preliminary application or approval has been made or obtained in accordance with the foregoing regulations, or although the application does not conform to the terms and conditions provisionally approved by the Board.
11. Every application for a loan shall be taken into consideration by the Board, which shall by resolution either grant or refuse the application; and notice of the acceptance or refusal of the application shall thereupon be given to the local authority.
12. Every such notice of acceptance shall constitute a contract between the Superintendent and the Corporation of the local authority to grant and accept the loan in accordance with the terms of the application.

13. The term of the loan shall commence on the date on which the money leaves the Advances Office, and the loan shall be deemed to be paid to the local authority on that date, notwithstanding any default by the local authority in accepting the amount of the loan or in fulfilling the conditions of the receipt thereof; and the dates of the payment of principal and interest by the local authority shall be computed and determined accordingly.

14. Any loan may, if so agreed upon, be made payable to the local authority by instalments, and in any such case each instalment shall for the purpose of calculating the term of the loan and the payments of principal and interest in respect thereof be deemed to constitute a separate loan made on the day on which that instalment is paid to the local authority. No instalment shall be less than £100, and no loan shall be divided into more than five instalments without the consent of the Board.

15. No loan and no instalment of a loan shall be paid to a local authority at any date later than two years after the date of the application for the loan, except in special cases where the period may be extended by the Board to four years with the consent of the Minister.

16. The debentures issued by the local authority in respect of the loan shall be in the Form No. 7 in the Second Schedule hereto or to the like effect.

17. Every such debenture shall be executed in pursuance of a resolution of the local authority, and shall be signed by the Mayor or Chairman of the local authority, and countersigned by an officer appointed by the local authority for that purpose. The due execution of every such debenture shall be verified by statutory declaration in the Form No. 8 in the Second Schedule hereto, or to the like effect.

18. A commission fee of one-half per centum on the amount of the loan shall be payable to the Superintendent by the local authority to whom the loan is granted. The said fee shall be paid at the time when the amount of the loan is paid to the local authority; but where the loan is paid to the local authority by instalments, the commission fee shall be apportioned between those instalments, and a proportionate part thereof shall be paid by the local authority at the time when each instalment is received by it.

94. Transactions in shares shall be with dividend until the dividend is payable. When transfers are delivered subsequent to the declaration of a dividend, but prior to the closing of the books of the company, and in sufficient time for registration of the shares, the seller shall not be responsible for the dividend, and the buyer's claim shall be only upon the registered holder; but when no reasonable time is afforded to the buyer to register the shares in his own name, then the seller shall be responsible for the dividend.

When a transaction is in shares on a London register, the responsibility of the seller shall cease if he shall have taken every practicable course to secure the new shares, and, further, the seller shall be relieved of all responsibility if the circumstances place him in no better position than the buyer to secure the new shares, in which case the seller may, on receipt of a written request from the buyer to protect his rights, notify the buyer in writing of such circumstances, and the buyer on receipt of such notification shall protect his own interests.

The fines mentioned herein shall not be less than £10 or more than £100, and in case of a continuous offence shall be not less than £2 or more than £10 for each day during which such offence continues.

No action or other proceedings shall under any circumstances be maintainable by the person referred to in such notification against any member or official publishing or circulating the same, and this rule shall operate as leave and authority to any member or official to publish or circulate such notification, and be pleaded accordingly.

NOTICE is hereby given that the undermentioned pastoral runs will be offered for license by public auction at the Assembly Rooms, Timaru, at 11 o'clock a.m. on Tuesday, 28th February, 1911, under the provisions of the Land Act, 1908.

SCHEDULE.

CANTERBURY LAND DISTRICT.

Class A.

RUN 234A, Waimate County: 4,713 acres; term of license, fourteen years; upset rental, £235 per annum.

Run 234B, Waimate County: 4,596 acres; term of license, fourteen years; upset rental, £287 per annum.

LOCALITY AND DESCRIPTION.

These runs are situated on the slopes of the Station Peak Range, which flanks the eastern side of the Hakataramea Valley, South Canterbury. They lie on the northern side of Meyer's Pass, near the source of the South Waihao River, about twenty-three miles from Waimate and fourteen miles from Hakataramea. They comprise high open hill country of purely pastoral character, the spurs being intersected by deep rough gullies. The vegetation consists of native and English grasses, with snow-grass only on the higher altitudes. The runs are fairly well watered by springs and streams, but are liable to burn up in a dry summer, and, as the altitude ranges from about 1,500 ft. up to about 3,500 ft. above sea-level, it is liable to heavy falls of snow in winter.

The approximate valuations of improvements, consisting in each case of a hut, and boundary and subdivision fencing, are £330 on Run 234A and £428 on Run 234B. This information is published for the information of intending purchasers, but must be taken as approximate only, as the final valuation will be made in accordance with section 244 of the Land Act, 1908, at least three months before the expiry of the present licenses, and the purchasers of the new licenses (being other than the present licensees) will be required to pay the amount of such valuations before being admitted to possession of the runs.

Possession will be given on the 1st March, 1912.

SPECIAL CONDITIONS.

The licensee of every run shall, during the second and every succeeding year of the term of his license, plant with suitable trees, to the satisfaction of the Commissioner of Crown Lands, an area of at least one acre upon some part of his run. The number of trees so planted upon every acre shall be at least 1,000. The areas planted shall be securely fenced in with a rabbit- and stock-proof fence; all failures or losses shall from time to time be replanted as may be found necessary; and the plantations shall be protected, trimmed, and maintained during the term of the license to the satisfaction of the Commissioner of Crown Lands.

The licensee shall not, during the months of December, January, February, March, April, May, and June, or such other months not exceeding altogether seven in any one year, as the Commissioner shall from time to time determine, burn the grass on his run.

Commissioner of Crown Lands.
