HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS, there being no Harbour Board empowered to grant the license hereinafter mentioned under the Harbours Act, 1908 (hereinafter called "the said Act"), the Rodney County Council (hereinafter called "the Council") has applied to the Governor in Council for a license under the said Act to occupy a part of the foreshore and land below low-water mark at Leigh, in the Rodney County, in order to erect a wharf thereon; and, in accordance with the one-hundred-and-fiftieth section of the said Act, has deposited a plan in the office of the Marine Department at Wellington (marked M.D. 3687) showing the area of foreshore and land below low-water mark intended to be occupied, and the manner in which it is proposed to erect the wharf: And whereas it has been made to appear to the Governor in Council that the proposed work will not be or tend to the injury of navigation, and the said plan has, prior to the making of this Order in Council, been approved by the Governor in Council: And whereas it is expedient that a license should be granted and issued to the Council under the said Act for the purpose aforesaid, on the terms and conditions hereinafter expressed:

Now, therefore, His Excellency the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in him by the said Act, and of all other powers and authorities enabling him in that behalf, and by and with the advice and consent of the Executive Council of the said Dominion, doth hereby approve of the object for which the said license is required by the Council as aforesaid; and, in further pursuance and exercise of the said power and authority, and with the like advice and consent as aforesaid, doth hereby license and permit the Council to use and occupy that part of the foreshore and land below low-water mark adjacent thereto on which the wharf is to be erected, at the site shown on the plan so deposited as aforesaid, for the purpose of erecting and maintaining the said wharf thereon, in accordance with the plan so deposited as aforesaid, such license to be held and enjoyed by the Council upon and subject to the terms and conditions set forth in the Schedule hereto.

SCHEDULE.

1. In these conditions the term "Minister" means the Minister of Marine, as defined by the Shipping and Seamen Act, 1908, and includes any officer, person, or authority acting by or under the direction of such Minister.

5. The Council shall maintain the above-mentioned wharf in good order and repair, and shall at all times exhibit therefrom and maintain at its own cost suitable and necessary lights for the guidance of vessels: Provided that no light shall be exhibited until after it has been approved of by the Minister.

6. Any person authorized by the Minister may at all reasonable times enter upon the said wharf and view the state of repair thereof; and upon such Minister leaving at or posting to the last known address of the Council in New Zealand a notice in writing of any defect or want of repair in such wharf, requiring it within a reasonable time, to be therein prescribed, to repair the same, it shall with all convenient speed cause such defect to be removed or such repairs to be made.

10. The said rights, powers, and privileges may be at any time resumed by the Governor, without payment of any compensation whatever, on giving to the Council three calendar months' previous notice in writing. Any such notice shall be sufficient if given by the Minister, and delivered at or posted to the last known address of the Council in New Zealand.

11. The Council shall be liable for any injury which the said wharf may cause any vessel or boat to sustain through any default or neglect on its part.

12. In case the Council shall—

- (1.) Commit or suffer a breach of the conditions hereinbefore set forth, or any of them;
- (2.) Cease to use or occupy the said wharf for a period of thirty days—

then and in either of the said cases this Order in Council, and every right, power, or privilege conferred hereby, may be revoked and determined by the Governor in Council without any notice to the Council or other proceeding whatsoever; and publication in the *New Zealand Gazette* of an Order in Council containing such revocation shall be sufficient notice to the Council, and to all persons concerned or interested, that this Order in Council, and the license, rights, and privileges thereby granted and conferred, have been revoked and determined.

* These remaining suburbs do not lie within borough boundaries, and particulars respecting them have not been obtained for the Vital Statistics. Closely correct annual statements of population outside boroughs are not obtainable.

In the above table are given the deaths and death-rates for each of the four cities, for the suburban boroughs severally, and for each city with its suburban towns.

Deaths occurring at hospitals, of persons not residents of the borough wherein the hospital is situated, have been allotted in each case to the borough where the disease was contracted, and not to that in which the death actually took place.

The inclusion of the suburban boroughs tends to lower the rate at Auckland, Christchurch, and Dunedin, but raises it at Wellington.

		Death-rates per 1,000 of Population.	
Auckland City	1.08	
and eight suburban boroughs		1.03
Wellington City	0.96	
and four suburban boroughs		0.99
Christchurch City	1.15	
and four suburban boroughs		1.06
Dunedin City	1.30	
and six suburban boroughs		1.07

Including the suburbs, the rate at Dunedin is the highest, and at Wellington the lowest.

Compared with July, 1910, the results are,—

		1910.	1911.
Auckland and suburbs	0.77	1.03
Wellington and suburbs	0.79	0.99
Christchurch and suburbs	0.96	1.06
Dunedin and suburbs	0.94	1.07

The total births in the four chief cities and their suburban boroughs amounted to 660, against 603 in June—an increase of 57. The deaths in July were 287—an increase of 72 as compared with last month. Of the total deaths, males contributed 163, females 124. Sixty-nine of the deaths were of children under five years of age, being 24.04 per cent. of the whole number; 44 of these were under one year of age.

There were 102 deaths of persons of 65 years and upwards in the four chief cities and their suburban boroughs as against 83 in June. The following table shows the classification:—
