WHEREAS by section one hundred and nine of the Public Works Act, 1908 (hereinafter termed "the said Act"), it is provided that in any case where a road in one district is largely used by or for the purpose of traffic to or from any other district or districts, and affords access to or from such districts, and the Governor is of opinion that it is equitable that the latter district or districts should contribute towards the cost of constructing or maintaining the whole or any portion of such road in the former district, the Governor may from time to time

apportion the cost of constructing or maintaining the whole or any portion of such road among the local authorities of the respective districts as he thinks fit; and for that purpose and to enable effect to be given hereto, the provision of section one hundred and nineteen hereof shall, *mutatis mutandis*, apply in the case of the construction or reconstruction of the road, and the provisions of section one hundred and twenty in the case of the maintenance of the road: And whereas it is provided in the said section one hundred and nine that the word "road" in that section includes, in the case of a borough, a street or other thoroughfare:

And whereas a dispute has arisen between the local authorities hereinafter mentioned on the question of the maintenance of the street hereinafter mentioned: And whereas by the said section one hundred and twenty it is, *inter alia*, provided that the Governor may, with a view of determining what proportion (if any) of the cost of maintaining any work should be borne by any local authority, direct any Magistrate or other person to be a Commissioner to inquire into and report to him upon any matter which he shall deem necessary to enable him to determine any such question as aforesaid:

And whereas a Commissioner was appointed for the purpose aforesaid, and an inquiry was duly held:

And whereas such Commissioner did report to the Governor, after due inquiry, his opinion thereon:

And whereas the Governor is of opinion that it is equitable that the cost of maintaining the street mentioned in the Schedule hereto should be provided and paid in the manner and in the proportion hereinafter set forth:

Now, therefore, I, John Poynder Dickson-Poynder, Baron Islington, the Governor of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in me by the said Act, do hereby direct that, from and after the date of this Warrant, the cost of maintaining the street described in the Schedule hereto between the Palmerston Borough Council and the Waikouaiti County Council in the following proportions—viz., the Waikouaiti County Council shall pay five pounds sterling per annum towards such cost, and the Palmerston Borough Council shall pay the remainder of such cost.

2. The aforementioned quantities, qualities, and kinds as to the said timber shall be taken as sufficiently accurate for the purpose of this sale, and no contract for purchase shall be voidable, nor shall the successful tenderer be entitled to any abatement in price by reason of the said timber being of less quantity, quality, and kind than as stated herein, or in any advertisements having reference to the said timber, nor shall any extra sum be claimed by the Crown if the quantity of timber is found to be in excess of that stated herein.

3. No tender will be considered wherein a less royalty is offered than the upset prices as stated in terms of each lot.

4. All timber on each lot, whether standing, felled, or in logs, shall remain the property of the Crown until all the instalments are paid.

5. Offers from the successful tenderers will be considered for the purchase of the undersized and defective timber mentioned herein.

6. In all lots the quantities stated are standing measurements, and only those trees bearing the special distinguishing brand shown in each lot are included in this sale.

7. Should any dispute arise as to boundaries, the decision of the Commissioner of Crown Lands shall be final.

8. In the event of any of the above lots not being disposed of, applications may be received and dealt with at any time within six months from the above date of closing of tenders (unless previously formally withdrawn), providing, however, that the amount offered is not less than the upset prices stated herein.

9. No extension of time for removal of timber will be allowed successful tenderers who bleed, or permit bleeding of, kauri-trees included in this sale, unless full payment of purchase-money is first made.

10. All tenders must be submitted on forms which will be supplied on application to the above office, and envelopes enclosing same to be marked "Tender for Timber," and addressed to the Commissioner of Crown Lands, Auckland.

11. In lots where terms of payment may have been arranged, any breach of the foregoing conditions of sale will render the "on demand" promissory notes liable to be presented for immediate payment.

12. In the event of a successful tenderer acquiring two or more adjoining lots, the Commissioner of Crown Lands may, at his discretion, extend the time for the removal of the timber upon written application being made prior to the issue of timber-cutting license.

13. In Lot 3, where more than one section is held by the same licensee, it will be required that the timber-cutting rights shall, as far as practicable, be confined to one section at a time, and when the timber has been removed from such section it must be immediately handed back to the Crown for settlement purposes.

14. The highest or any tender not necessarily accepted.

#### TERMS.

Separate tenders for the various lots of timber must be accompanied by a deposit of 5 per cent. on the amount of tender, in cash, marked cheque, or post-office order; the balance to be paid, if tender accepted, as specified in the terms of each lot, together with the timber-cutting license fee of £1 ls.

All such instalment payments shall bear interest at the rate of 5 per cent. per annum as from the date of acceptance of tender, and, with the interest added, shall be secured by "on demand" promissory notes made and indorsed to the satisfaction of the Commissioner of Crown Lands.

H. M. SKEET,  
Commissioner of Crown Lands.
