Notice to Mariners No. 54 of 1912.

DREDGING OPERATIONS IN LYTTELTON HARBOUR.

Marine Department,
Wellington, N.Z., 4th June, 1912.

THE Lyttelton Harbour Board notifies that dredging operations are now proceeding in the outer channel of Lyttelton Harbour, and masters of vessels are cautioned to pass the dredge while she is actually dredging on the side on which two black balls are shown.

The dredge "Canterbury" dredges while under way without moorings, and the showing of the black balls must be taken to indicate that the drag suction head is on the bottom, and that the dredge is actually dredging and not merely steaming to or from the dredging-ground.

Attention is also directed to Rule No. 34 of the General Harbour Regulations, which provides that : "Steamships about to pass any dredging-machine at work in any harbour, river, or channel, on any licensed ferry, or public work in progress must slow their engines at such a distance before approaching any such dredge, ferry, or work as to insure their passing it at a speed not greater than dead slow."

(A.) *Health and Personal Convenience.*

(Section 16, subsection 1.)

1. Human corpses shall be buried, if the death occurs between the 15th day of March and the 15th day of September (both days inclusive) in any year, within four days after death; and, if the death occurs between the 16th day of September and the 14th day of March of the following year (both days inclusive), within three days after death, unless the Council shall otherwise direct, or unless it is otherwise provided for by any Act of the General Assembly.

2. It shall be the duty of the nearest relatives of the deceased, or, in their absence, of the owner or occupier of the house or premises wherein deceased died, to comply with the provisions of the last preceding by-law; and all or any of them shall be deemed to be guilty of a breach thereof as the Council may deem fit, and shall be liable to a fine not exceeding £1.

3. No human corpse shall be buried, except with the permission of the Council, in any place other than a burial-ground recognized by the inhabitants of a Maori kainga, or reserved or set apart by them or some duly constituted authority as a burial-ground.

4. No human corpse shall be permitted to lie in state in any house, but must be taken outside, and may lie in state in a tent to be erected in some suitable place which shall be indicated by the Chairman of the Village Committee or the member of Council for the riding.

The Council may, by notice in writing in Form A in the Schedule hereto, require the owner or occupier of any house within a kainga (other than cooking-houses, *kautas*, and outbuildings) which shall be erected after the coming into operation of these by-laws to construct a raised wooden floor for the same (within a time to be specified in such

notice), to be approved by the Council or any person or body it may authorize in that behalf.

9. The Village Committee may in its discretion ease or modify the application of the foregoing By-laws Nos. 5, 6, and 8, in the case of any old, sick, or feeble person occupying any such buildings as aforesaid, so that such by-law may not press heavily on such person.
