ISLINGTON, Governor.

ORDER IN COUNCIL.

At the Government House, at Wellington, this first day of July, 1912.

Present :

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

WHEREAS by section one hundred and twenty-three of the Patents, Designs, and Trade-marks Act, 1911 (hereinafter referred to as "the said Act"), it is enacted that the Governor in Council may from time to time, subject to the provisions of the said Act, make such regulations as he thinks expedient, *inter alia*, for regulating the keeping of the Register of Patent Agents under the said Act, the registration of patent agents, the terms and conditions of such registration, and the cases and manner in which such registration may be cancelled: And whereas it is expedient to make such regulations accordingly:

Now, therefore, in pursuance and exercise of the power and authority conferred upon him by the said section and of all other powers enabling him in that behalf, His Excellency the Governor of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby make the following regulations for the purposes aforesaid, and doth hereby declare that the said regulations shall come into force on the first day of July, one thousand nine hundred and twelve.

REGULATIONS.

1. A REGISTER of Patent Agents shall be kept by the Registrar subject to the provisions of the said Act and of these regulations.

2. The register shall contain in one list the names of all patent agents who are registered under the said Act and these regulations.

Such list shall be made out according to the surnames of the registered persons, and shall contain the full name

of each registered person, with his address and the date of registration.

3. The Registrar shall publish in the *Patent Office Journal* in the month of March in each year a list of all patent agents whose names are on the register. The list so published shall be admissible as evidence of all matters stated therein in pursuance of these regulations, and the absence of the name of any person from the register shall be evidence, until the contrary is made to appear, that such person is not registered as a patent agent.

4. No person shall be registered as a patent agent under these regulations unless and until he has passed an examination as hereinafter prescribed.

5. Examinations shall be conducted by the Registrar, assisted by two other persons (one of whom may be a patent agent) whom the Minister of Justice may appoint for the purpose for a term not exceeding two years.

6. Every person who wishes to be examined with a view to registration as a patent agent shall notify his desire to the Registrar, and shall forward to him two or more testimonials as to character. If the Registrar is satisfied with such testimonials he shall notify the candidate accordingly, and on payment by him of a fee of £3 3s. shall arrange for his examination, and notify him of the time and place thereof.

7. The examination shall be conducted by means of written papers upon the following subjects, namely:—

- The Patents, Designs, and Trade-marks Act (New Zealand) and the regulations for the time being in force thereunder;
- The preparation of a provisional and a complete specification to be attached to an application for any kind of invention;
- Patents, designs, and trade-marks case law;
- The patent law of England, the Commonwealth of Australia, and other countries;
- Any other subjects that may from time to time be prescribed by Order in Council: Provided that not less than six months' notice shall be given of any subject prescribed in pursuance of this paragraph.

8. As soon as possible after the examination the examiners shall consider the results thereof, and a majority of the examiners shall determine whether the candidate has passed or failed. Upon such determination the Registrar shall notify the candidate thereof. If the candidate has passed, the Registrar shall, on payment of a fee of £1 1s., place his name on the Register of Patent Agents, and issue to him a certificate of registration.

9. Every registered patent agent shall, on the 1st day of January in each year, or as soon thereafter as possible, pay to the Registrar a renewal fee of £1 1s.

10. The Registrar shall from time to time insert in the register any alteration which may come to his knowledge in the name or address of any person registered.

11. The Registrar shall from time to time erase from the register the name of any registered person who is dead.

12. The Registrar may erase from the register the name of any registered person who has ceased to practise as a patent agent, but not (save as hereinafter provided) without the consent of that person. For the purposes of this regulation the Registrar may send by post to a registered person, to his registered address, a notice inquiring whether or not he has ceased to practise or has changed his residence; and if the Registrar does not, within three months after sending the notice, receive an answer thereto from the said person, he may, within fourteen days after the expiration of the three months, send him by post to his registered address another notice referring to the first notice, and stating that no answer has been received by the Registrar; and if the Registrar either before the second notice is sent receives the first notice back from the dead-letter office, or receives the second notice back from that office, or does not within three months after sending the second notice receive any answer thereto from the said person, that person shall, for the purpose of this regulation, be deemed to have ceased to practise, and his name may be erased accordingly.

13. If any registered person fails within one month from the day on which his annual registration fee becomes payable to pay such fee, the Registrar may send to such registered person, to his registered address, a notice requiring him, on or before a day to be named in the notice, to pay his annual registration fee; and if such registered patent agent fails within one month from the day named in such notice to pay the registration fee so due from him, the Registrar may erase his name from the register: Provided that the name of a person erased from the register under this regulation may be restored to the register on payment by such person of the fee or fees due from him, together with such further sum of money, not exceeding in amount the annual registration fee, as the Registrar may in each particular case direct.

14. In the execution of his duties with reference to the registration of patent agents, the Registrar shall, subject to these regulations, in each case act on such evidence as appears to him sufficient.

15. The Registrar shall erase from the register any entry which is proved to his satisfaction to have been incorrectly or fraudulently inserted therein.

16. If any registered person is convicted in New Zealand or elsewhere of an offence which, if committed in New Zealand, would be punishable by imprisonment, with or without hard labour, for any term not exceeding two years, or by a fine not exceeding £50, or if any such person is proved to the satisfaction of the Registrar to have been guilty of disgraceful professional conduct, or having been entitled to practise as a solicitor has ceased to be so entitled, the Registrar shall erase from the register the name of that person: Provided that no person shall be adjudged to have been guilty of disgraceful professional conduct unless he has received notice of, and had an opportunity of defending himself from, any charge brought against him, and unless such charge is made within six months from the occasion of the conduct complained of.

Where a name is erased from the register in pursuance of this regulation, it shall not be again entered therein except by direction of the Governor.

17. The Governor may in any case in which he thinks fit direct the restoration to the register of such name or entry erased therefrom, either without fee, or on payment of such fee not exceeding the registration fee, as he thinks fit, and the Registrar shall thereupon restore the name accordingly.

18. The name of any person erased from the register at the request or with the consent of such person shall, unless it might if not so erased have been erased by the Registrar in pursuance of clause 15 or clause 16 of these regulations, be restored to the register by the Registrar on the application of the person concerned, and on payment of such fee, not exceeding the registration fee, as may from time to time be fixed.

19. (1.) The Registrar may, if he thinks fit, refuse to recognize as agent in respect of any business under the said Act any person whose name has been erased from the Register of Patent Agents, or who is proved to the satisfaction of the Registrar, after having been given an opportunity of being heard, to have been convicted of such an offence, or to have been guilty of such misconduct as would have rendered him liable, if his name had been on the Register of Patent Agents, to have his name erased therefrom; and may, if he thinks fit, refuse to recognize as agent in respect of any such business any company which, if it had been an individual, he could have refused to recognize as such agent.

(2.) The Registrar may also, if he thinks fit, refuse to recognize any company or firm as agent in respect of any such business as aforesaid if any person whom the Registrar could refuse to recognize as agent acts as director or manager of the company, or is a partner in the firm.

20. The regulations relating to patent agents, made under the Patents, Designs, and Trade-marks Act, 1889, by Order in Council dated the 4th day of November, 1889, and published in the *New Zealand Gazette* of the 14th day of November, 1889, are hereby revoked.

REGULATIONS.

SAWMILL LICENSES.

108. ON application in that behalf in the form numbered 65 in the First Schedule hereto, the Warden may grant to any person, being the holder of a miner's right, a sawmill license entitling the licensee during its currency to cut timber (other than kauri-trees or trees reserved by the Warden) growing or standing on the land comprised in the license, and sell or otherwise dispose of the same for any purpose, and with respect to such application and license the following provisions shall apply:—

- (1.) The applicant shall mark out the land in the same manner as in the case of a claim, but tree-blazing may be used instead of pegs.
- (2.) The application shall be made, filed, and disposed of under such of the provisions of section 165 of the Mining Act and clause 33 of these regulations as are applicable:

Provided that if the land has to be surveyed the Warden may accept as a sufficient survey a sketch-plan by a surveyor, showing approximately the due measurements and locality of the land, the cost of the survey not to exceed £5.

- (3.) The area of the land comprised in the application shall not exceed 400 acres.
- (4.) There shall be payable in respect of the license an annual acreage-rent at the rate of 1s. per acre.
- (5.) There shall also be payable a royalty at the rate specified in the Fourth Schedule hereto in respect of all timber cut pursuant to the license.
- (6.) The acreage-rent shall be payable as provided by subsection (7) of section 170 of the Mining Act.
- (7.) The first payment of royalty shall be due and payable on the same day as the first half-yearly instalment of rent, and be in respect of the royalty for the period elapsing between the date of the license and such day; and thereafter the royalty shall be paid monthly on the last day of each month:

Provided that all sums paid in respect of royalty for any period shall, to the extent of the rent payable, be deemed to be in or towards satisfaction of such rent.

- (8.) The license may be in the form numbered 66 in the First Schedule hereto.

109. The conditions subject to which a sawmill license shall be deemed to be granted, and shall be held, shall in every case include the following conditions:—

- (1.) The licensee shall, within six months after the date of his license, provide and fit up, either upon the land comprised therein or on some other site approved by the Warden, a substantial and fully equipped sawmill plant, including all the necessary buildings thereto appertaining; and also shall at all times thereafter during the currency of the license keep such plant in continuous working operation cutting timber from said sawmill license, unless valid and satisfactory reasons can be given to the Warden for any temporary stoppage.
- (2.) If such plant is not already provided and fitted up when the license is granted, the Warden shall require the licensee to give security to his satisfaction that it will be provided and fitted up within six months thereafter.
- (3.) Except for the purpose of constructing the sawmill, and any tramway or other work in connection therewith, the licensee shall not cut, or sell, or otherwise dispose of any timber on the land until the sawmill is in full working operation.
- (4.) If at any time the mill is closed for a longer time than the Warden thinks necessary or reasonable, he may give the licensee notice in writing to resume work within the period (not exceeding one month) named in the notice.

- (5.) If the licensee fails or neglects to resume and continue the *bona fide* working of the mill in terms of such notice, the Warden may forfeit the license.
- (6.) The Warden may require the licensee to use a brand for marking his timber, and to register the same (without fee) in the Warden's Court in a book to be kept for the purpose by the Clerk of the Court.
- (7.) In no case shall any two registered brands be the same or so like one another as to be calculated to deceive.
- (8.) The Minister, or any local authority, may at any time, without compensation, make roads or tracks through the land comprised in the license or in any reserved area, and for such purpose cut and use any timber thereon.
- (9.) The licensee shall be entitled to occupy, for his sawmilling purposes, so much of the surface of the land comprised in the license as is reasonably required for his sawmill and sawmilling works.
- (10.) The licensee shall at all times keep full and accurate accounts of all timber cut by him under his license, and permit the accounts to be inspected at any time by any Inspector, and shall also furnish to the Receiver monthly returns showing particulars of all timber cut during the preceding month, together with such other details as the Receiver or the Inspector requires.
- (11.) Subject to the specific provisions of regulations relating to timber-cutting rights, the provisions of the Mining Act and the regulations thereunder relating to the grant, registration, transfer, protection, inspection, surrender, forfeiture, and abandonment of mining privileges, and the terms, conditions, reservations, and provisions subject to which mining privileges may be granted and shall be deemed to be held, shall apply to sawmill licenses:

Provided that at any time within three months after surrender, forfeiture, or abandonment, the licensee shall be entitled to remove all buildings and plant belonging to him on the land.

- (12.) Whenever the licensee of a sawmill area obtains a license for a reserved area, the first-mentioned license shall be surrendered and cancelled:

Provided that the Warden shall grant him, without fee, the right to use for the purpose of working such reserved area the sites (if any) of any mill, building, or tramway belonging to him on the first-mentioned area.

110. When making his application for the license, or at any time thereafter during the currency of the license, the applicant or licensee may, by application in the form numbered 67 in the First Schedule hereto, apply to have reserved for him one or more additional areas of not more than 400 acres each, adjoining each other, reserved for his exclusive use. The total areas so granted shall not exceed the following:—

Where the necessary outlay to erect mills, sidings, tramways, &c., does not exceed—

£1,000	400 acres.
£2,000	800 "
£3,000	1,200 "
£4,000	1,600 "

And the Warden may, by certificate under his hand, in the form numbered 68 in the First Schedule hereto, reserve the same accordingly upon being satisfied that the sawmill plant referred to in subclause (1) of the next preceding clause of these regulations has or will be duly provided and fitted up as therein required, and that in the case of any existing license all its conditions have been duly complied with to date; and with respect to such application and certificate the following provisions shall apply:—

- (1.) Subclauses (1) and (2) of clause 108 of these regulations shall apply.
- (2.) The certificate shall continue in force for five years, but may be renewed thereafter from year to year so long as the license continues in force, and shall *ipso facto* cease and determine with the license.
- (3.) The certificate, and each renewal thereof, shall be registered.
- (4.) The renewal may be effected in the same manner, *mutatis mutandis*, as in the case of a tunnel prospecting license, and for that purpose clause 11 of these regulations, with all necessary modifications, shall apply.
- (5.) There shall be payable in respect of the certificate, and of each renewal thereof, an acreage-rent at the rate of 1s. per acre per annum, and such rent shall be payable by two equal half-yearly instalments in advance.
- (6.) The certificate shall not be transferable apart from the license.

- (7.) The certificate shall not confer any right to occupy the land or cut timber or otherwise use the same, but at any time during its currency the licensee may exchange his existing license for a new saw-mill license for any continuous area (not exceeding 400 acres) out of the land comprised in the certificate.
- (8.) Such new license shall specify the certificate out of which the land comprised in the new license is taken.
- (9.) The Warden, when granting the new license, shall, by memorandum under his hand on the certificate, cancel the certificate as to the land comprised in the new license, and thereafter the certificate shall be deemed to relate only to the residue of the land, and the acreage-rent under the certificate shall abate accordingly.
- (10.) Such memorandum shall be registered.
- (11.) Upon the grant of the new license all references herein contained to the former license shall apply to the new license in lieu of to the former license.
- (12.) As against his liability for acreage-rent under the new license, the licensee shall be credited with the sums paid by him for acreage-rent under the former license or under the certificate for any period subsequent to the commencement of the term of the new license:

Provided that, in the case of acreage-rent paid as aforesaid under the certificate, the sum to be credited as aforesaid shall be the acreage-rent so paid in respect of the area comprised in the new license, being the area as to which the certificate has been cancelled.

As witness the hand of His Excellency the Governor, this third day of July, one thousand nine hundred and twelve.

THOS. MACKENZIE,
Minister of Mines.
