Subsidies to Public Libraries.

Education Department,
Wellington, 14th October, 1912.

NOTICE is hereby given that the sum of £4,000 has been voted by Parliament for distribution to public libraries.

The distribution will take place on the 3rd February, 1913, and no claim will be entitled to consideration that shall not have been sent in in due form and received by the Secretary for Education, Wellington, on or before the 25th January, 1913.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under the control of an association, society, or club whose membership is composed of a section of the community only, and if within a borough it must be open to the public free of charge. The receipts for the year from subscriptions and donations must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The net proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. A subsidy will not be given to more than one library in the same town.

2. In the division of the vote a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £75—that is, in no case will the augmented amount on which distribution is based exceed £100.

3. The whole of the subsidy must be expended without delay in the purchase of books for the library.

4. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and expenditure of the institution for the year ending on the 31st day of December, 1912; and such declaration must be on the form provided for the purpose, which form shall be as follows:—

DECLARATION.

I, [Name], of [Place of abode], [Occupation], do solemnly and sincerely declare that I am Chairman [or Secretary,

or Treasurer] of the [Name of institution]; that during the year ending on the 31st day of December, 1912, the receipts of the aforesaid institution for the maintenance of the library only were as follows: From rates levied by a local governing body under Part I of the Libraries and Mechanics' Institutes Act, 1908, or the Municipal Corporations Act, 1908, pounds shillings and pence; from the subscriptions of members, pounds shillings and pence; and from voluntary contributions other than members' subscriptions, pounds shillings and pence; that the library is public in the sense of belonging to the public, and is not under the control of an association, society, or club whose membership is composed of a section of the community only; that the information hereinafter furnished by me in the appendix hereto is correct in every particular; that the abstract of accounts is a true statement of the receipts and expenditure of the institution for the year herein specified; that the whole of the subsidy received during the year was expended in the purchase of books for the library; [and that by the rules of the library it is open to the public free of charge].

And I make this solemn declaration conscientiously believing the same to be true, and by virtue of the Justices of the Peace Act, 1908.

[Signature.]

Declared at this day of 191, before me— Justice of the Peace [or Solicitor, or Notary Public].

[Here affix and cancel a stamp at 2s. 6d.]

[NOTE.—The words relating to last year's subsidy and to free admission may be struck out if they are not applicable. The words in brackets are not part of the form, but indicate matter to be inserted or substituted.]

Notice to Mariners No. 132 of 1912.

Marine Department,
Wellington, N.Z., 12th November, 1912.

THE following Notices to Mariners, received from the Marine Boards at Melbourne and Port Adelaide, and from the Minister for Communications, Tokyo, Japan, are published for general information.

F. M. B. FISHER.

VICTORIA.

Directions to Vessels sheltering in Vicinity of Wilson's Promontory and requiring to be reported.

MASTERS of vessels sheltering in the bays or coves eastward of Wilson's Promontory during heavy south-westerly and westerly weather, and desirous of being reported, should either take their vessel or send a boat within signalling distance of the Wilson's Promontory Lighthouse-station during daylight to signal the necessary message. The rough and inaccessible nature of the coast in the vicinity does not allow of messengers being sent from the lighthouse-station to such places or vice versa.

"Edward" Wreck.—Entrance to Port Phillip.

Mariners and others are hereby notified that the brig "Edward," stranded on the inner side of the reef near Point Nepean, entrance to Port Phillip, will probably break up on the first rough weather and heavy sea. Mariners, boatmen, and others should therefore be on the look-out for floating wreckage should the vessel break up and disappear.

In connection with the above notice it has been reported that wreckage from the stranded brig "Edward" is floating inwards and outwards in the vicinity of the wreck, and mariners, boatmen, and others are warned to keep a look-out for such danger to navigation.

C. W. MACLEAN,
Port Officer.

Melbourne, 8th October, 1912.

SOUTH AUSTRALIA.

South-east Coast.—Cape Northumberland Light.

MASTERS, officers of vessels, and others are hereby informed that on and after the night of 15th October next the revolving light at Cape Northumberland will show a flash every forty (40) seconds, instead of every sixty (60) seconds as at present.

Approximate position: Lat. 38° 3' S., long. 140° 38' E.
This affects Admiralty Chart No. 1062.

Life-saving Service.

(Telephone No. 323, Port Adelaide.)

The attention of the public is directed to a regulation of the above service, under which regulation all persons in the employ of the Government are required, immediately on learning that any wreck or marine casualty has occurred, to communicate the intelligence of the same to the Superintendent of Life-saving Service at Congate Street Wharf, Port

Adelaide. All such persons are also directed, by order of the Government, to render aid and assistance in case of a marine disaster, if called upon to do so by any responsible officer in charge of a life-saving crew, a Marine Board officer, or officer of police.

Spencer Gulf.—Lowly Point.

Masters of vessels, pilots, and others are hereby notified that on and after the night of 1st August, 1912, the revolving light on Lowly Point will show red along the channel between Ward Spit and Eastern Shoal.

The light will show a full red over a sector of about 8°, between the bearings of N. 29° W. and N. 37° W. (magnetic), and a mixed red and white light will probably be observed for about 4° on either side of these bearings.

Approximate position: Lat. 30° S., long. 137° 47' E.
This affects Admiralty Charts Nos. 403, 401, 2389B, and 2759B.

Cape Bolingbroke.

Referring to Notice to Mariners No. 11 of 1912, masters of vessels and others are hereby informed that the danger known as the "Berlin Rock" has been marked by a cheese-shaped buoy surmounted by a staff and ball, and painted in red and black chequer, placed in 3 fathoms at L.W.S. on the shallowest part of the rock.

There is 5 fathoms at L.W.S. at a distance of half a cable all round the buoy.

Approximate position: Lat. 34° 35' S., long. 136° 3' E.
This affects Admiralty Charts Nos. 2389B and 2759B.

Uncharted Rock.—Cape Bolingbroke.

Masters of vessels and others are hereby notified that a shoal touched by the German-Australian s.s. "Berlin," on 17th June, 1911, has been located in a position 3½ miles S. by W. ½° W. from Cape Bolingbroke, and shown on Admiralty Chart as having about 10 fathoms.

The least water on the shoal is 3 fathoms at L.W.S. over an extent of about half a cable across, and there is 5 fathoms over an extent of about one (1) cable.

Approximate position: Lat. 34° 35' S., long. 136° 3' E.

Uncharted Rock.—Cape Burr.

Referring to Notice to Mariners No. 30 of 1911, masters of vessels and others are now advised that the uncharted rock on which the barque "Lady Kinnaid" struck, in the year 1880, has been located, and is now marked by a black cheese-shaped buoy in 4 fathoms on its eastern edge.
