(b.) That she has obtained at least a partial pass in the examination for the Class D teacher's certificate; or

(c.) That she has received a higher leaving certificate issued pursuant to the regulations respecting certificates of secondary instruction, or, in the case of an applicant who has completed her course as a pupil-teacher or probationer, that she has received a lower leaving certificate under the last-mentioned regulations.

4. (i.) Every qualified person desirous of obtaining a bursary under these regulations shall make application therefor on a form provided by the Education Department, and shall, on or before the 1st day of May in any year, lodge her application, together with the necessary certificates, with the Registrar of the Otago University; and the Registrar shall thereupon transmit the same, together with the recommendation of the Council, to the Minister of Education.

(ii.) If the holder of a bursary is obliged to live away from her home she shall, in addition to the amount of the bursary and the fees as aforesaid, receive a further allowance at the rate of £30 a year, and the holder of a bursary who lives at home but is obliged to travel more than four miles each way in order to attend the classes shall be entitled to a refund of the actual cost of travelling, not exceeding £10 in any year.

7. If the Chairman of the Professorial Board reports that the holder of a bursary under these regulations has failed regularly to attend the classes in the said Home Science and Domestic Arts course, or has failed to make satisfactory progress in the work of those classes, the Minister may forthwith determine the bursary, unless he is satisfied that such failure was due to illness or other satisfactory cause; and on such determination no further payment or allowance under these regulations shall be made to the holder of such bursary.

Education Department,
Wellington, 14th October, 1912.

NOTICE is hereby given that the sum of £4,000 has been voted by Parliament for distribution to public libraries.

The distribution will take place on the 3rd February, 1913, and no claim will be entitled to consideration that shall not have been sent in in due form and received by the Secretary for Education, Wellington, on or before the 25th January, 1913.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under

the control of an association, society, or club whose membership is composed of a section of the community only, and if within a borough it must be open to the public free of charge. The receipts for the year from subscriptions and donations must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The net proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. A subsidy will not be given to more than one library in the same town.

2. In the division of the vote a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £75—that is, in no case will the augmented amount on which distribution is based exceed £100.

3. The whole of the subsidy must be expended without delay in the purchase of books for the library.

4. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and expenditure of the institution for the year ending on the 31st day of December, 1912; and such declaration must be on the form provided for the purpose, which form shall be as follows:—

DECLARATION.

I, [Name], of [Place of abode], [Occupation], do solemnly and sincerely declare that I am Chairman [or Secretary, or Treasurer] of the [Name of institution]; that during the year ending on the 31st day of December, 1912, the receipts of the aforesaid institution for the maintenance of the library only were as follows: From rates levied by a local governing body under Part I of the Libraries and Mechanics' Institutes Act, 1908, or the Municipal Corporations Act, 1908, pounds shillings and pence; from the subscriptions of members, pounds shillings and pence; and from voluntary contributions other than members' subscriptions, pounds shillings and pence; that the library is public in the sense of belonging to the public, and is not under the control of an association, society, or club whose membership is composed of a section of the community only; that the information hereinafter furnished by me in the appendix hereto is correct in every particular; that the abstract of accounts is a true statement of the receipts and expenditure of the institution for the year herein specified; that the whole of the subsidy received during the year was expended in the purchase of books for the library; [and that by the rules of the library it is open to the public free of charge].

And I make this solemn declaration conscientiously believing the same to be true, and by virtue of the Justices of the Peace Act, 1908.

* These remaining suburbs do not lie within borough boundaries, and particulars respecting them have not been obtained for the Vital Statistics. Closely correct annual statements of population outside boroughs are not obtainable.

In the above table are given the deaths and death-rates for each of the four cities, for the suburban boroughs severally, and for each city with its suburban towns.

Deaths occurring at hospitals, of persons not residents of the borough wherein the hospital is situated, have been allotted in each case to the borough where the disease was contracted, and not to that in which the death actually took place.

The inclusion of the suburban boroughs tends to lower the rate at Auckland and Christchurch, but raises it at Wellington and Dunedin.

		Death-rates per 1,000 of Population.	
Auckland City	1.05		
and eight suburban boroughs	0.86		
Wellington City	0.74		
and four suburban boroughs	0.75		
Christchurch City	0.90		
and four suburban boroughs	0.82		
Dunedin City	1.11		
and six suburban boroughs	1.12		

Including the suburbs, the rate at Dunedin is the highest, and at Wellington the lowest.

Compared with October, 1911, the results are,—

		1911.	1912.
Auckland and suburbs	1.23	0.86	
Wellington and suburbs	0.74	0.75	
Christchurch and suburbs	0.92	0.92	
Dunedin and suburbs	0.74	1.12	

The total births in the four chief cities and their suburban boroughs amounted to 758, against 646 in August—an increase of 112. The deaths in September were 249—an increase of 4 as compared with last month. Of the total deaths, males contributed 186, females 113. Fifty-three of the deaths were of children under five years of age, being 21.29 per cent. of the whole number; 42 of these were under one year of age.

There were 81 deaths of persons of 65 years and upwards in the four chief cities and their suburban boroughs, against 98 in August. The following table shows the classification:—
