Amending Regulations relating to the Thames Drainage Board.

LIVERPOOL, Governor.

IN exercise and pursuance of the powers and authorities vested in me by the Mining Act, 1908, the Mining Amendment Act, 1911, and of all other powers and authorities in that behalf me thereunto enabling, I, Arthur William de Brito Savile, Earl of Liverpool, Governor of the Dominion of New Zealand, do hereby alter and amend in manner appearing in the Schedule hereto contained the regulations made under the Order in Council of the nineteenth day of January, one thousand eight hundred and eighty-six, mentioned in section two hundred and fifty-three of the first-mentioned Act, and having reference to the Thames Drainage Board.

SCHEDULE.

1. REGULATION 5 is hereby deleted, and the following regulation substituted:—

The Board shall be elected annually on the last Saturday in January in each year, excepting when such Saturday shall fall on the 29th day of the month, in which case the election shall be held on the day immediately preceding. Members shall hold office until their successors are elected.

2. Regulation 9 is hereby deleted, and the following regulation substituted:—

It shall be the duty of the Board, not later than the last day of February in each year, to make an estimate of the amount required to defray all costs and charges for drainage purposes during the twelve months ending 31st December.

3. Regulation 10, paragraph (2), is altered and amended by adding, after the word "workings," the words—

The term "workings" shall be limited to workings actually in use at the time of making the assessment, or which are then capable of being used, and which in the opinion of the Board are being reserved for the future working of the claim.

4. Regulation 10, paragraph (3), is altered and amended by adding, after the word "works," the words—

This paragraph shall apply also to all ground not being worked or being held under protection from the Warden's Court, such ground not to be exempt from the provisions of this paragraph under the plea of no benefit being derived, provided the absence of benefit arises solely by reason of the non-working of the claim.

5. Regulation 11 is altered and amended by deleting the words "during the said month of January" in the second and third lines, and substituting therefor the words "not later than the last day of February."

6. Regulation 15 is amended by adding the following paragraph:—

An appeal shall not operate as a stay of proceedings, and every appellant, shall, notwithstanding his appeal, pay to the Board the rate assessed against him as from the 1st day of January in each year, at such time or times, at such place, in such instalments, and in such manner as the Board shall have prescribed by notice under Regulation 12: Provided always that if upon the hearing of his or any other appeal the assessment of any appellant shall be disallowed in whole or in part, or reduced in amount, such repayments and adjustments shall be forthwith made by the Board as shall give effect to the decision of the Warden's Court in the premises.

7. Regulation 20 is hereby deleted, and the following regulations substituted:—

At any time and from time to time in any year, whenever it shall appear to the Board that by reason of any miscalculation or underestimate of the amount required to defray the costs and charges for drainage purposes for that year, or by reason of any disallowance in whole or in part, or any reduction in any assessment or assessments made on appeal, or by reason of any other circumstance whatever it is necessary or expedient to raise a further or additional sum for the purposes of defraying the costs and charges for the year, it shall be competent for and the duty of the Board so to do by striking a supplementary drainage rate upon all the lands on which the ordinary rate was assessed; and such supplementary rate shall be levied on the basis of the assessment already made by the Board or fixed by the Court (if there has been an appeal), and all occupiers and owners of the said lands so assessed shall be liable for the amount of the supplementary rate so made and struck; and for the purpose of any and every such supplementary rate the Board may include and may suitably assess any lands within the drainage area taken up for mining purposes since the striking of the ordinary rate; but the owners and occupiers of any such newly assessed land shall have the same right of appeal as provided under Regulations 14 and 15 in the case of the original assessment. The provisions of the regulations as to notices by the Board and as to appeals by persons aggrieved both to the Board and to the Warden's Court in respect of the ordinary rate shall apply, *mutatis mutandis*, to every supplementary rate. If, however, the Board is of opinion that the circumstances have changed to such an extent since the ordinary assessment was made that it would be inequitable to adopt such assessment as a basis for the supplementary rate, then and in such case the Board may make a fresh assessment for the purpose of striking such supplementary rate, and the Board shall take into consideration, in addition to all such matters as it is directed to consider when making the assessment for the purposes of the ordinary rate, any special or additional benefit found to have accrued to all or any of the lands within the drainage area since the striking of the ordinary rate, and also all other circumstances which may seem to the Board to affect the equities as between the several owners or occupiers of lands liable to be assessed. Any such rate shall be payable either in one sum or by instalments, and at such time or times and place as the Board shall determine.

The following additional regulations are hereby made:—

8. Whenever it shall be necessary for the Board in exercise of its powers to strike a supplementary rate, any appellant or appellants whose assessment or assessments has or have been reduced or varied on appeal shall be liable for such supplementary rate in the same manner as a non-appellant, notwithstanding such reduction or variation.

9. Every assessment made by the Board when signed by the Chairman shall, subject to any alteration, reduction, or disallowance made on appeal, be conclusive evidence of the liability of each and every person named therein for the amount thereby purported to be charged against him.

As witness the hand of His Excellency the Governor, this twenty-fourth day of December, one thousand nine hundred and twelve.

Warrant vesting Control of Part of Parkvale Road in the Karori Borough Council, and apportioning the Cost of maintaining Portions of Parkvale Road, Main Karori Road, Makara Road, and South Karori Road in or on the Boundary of the Borough of Karori.

ROBERT STOUT,
Administrator of the Government.

WHEREAS by section one hundred and nine of the Public Works Act, 1908 (hereinafter termed "the said Act"), it is provided that in any case where a road in one district is largely used by or for the purpose of traffic to or from any other district or districts, and affords access to or from such districts, and the Governor is of opinion that it is equitable that the latter district or districts should contribute towards the cost of constructing or maintaining the whole or any portion of such road in the former district, the Governor may from time to time apportion the cost of constructing or maintaining the whole or any portion of such road among the local authorities of the respective districts as he thinks fit; and for that purpose, and to enable effect to be given thereto, the provisions of section one hundred and nineteen hereof shall, *mutatis mutandis*, apply in the case of the construction or reconstruction of the road, and the provisions of section one hundred and twenty in the case of the maintenance of the road: And whereas it is provided in the said section one hundred and nine that the word "road" in that section includes, in the case of a borough, a street or other thoroughfare:

And whereas a dispute has arisen between the local authorities hereinafter mentioned on the question of the maintenance of the streets described in the Schedule hereto hereinafter referred to as "the said streets": And whereas by the said section one hundred and twenty it is, *inter alia*, provided that the Governor may, with a view of determining what proportion (if any) of the cost of maintaining any work should be borne by any local authority, direct any Magistrate or other person to be a Commissioner to inquire into and report to him upon any matter which he shall deem necessary to enable him to determine any such question as aforesaid:

And whereas by section twelve of the Public Works Amendment Act, 1909 (hereinafter termed "the Amendment Act"), it is provided that where a road or street lies along the boundary of two or more districts, whether that road or street is wholly within one or is partly within one and is partly within another of those districts, or is within none of those districts, the Governor may from time to time, by Warrant under his hand and gazetted, direct which of the local authorities of those districts shall have control of the road or street or any part thereof; and may also in like manner determine from time to time whether any of those local authorities shall contribute to the cost of construction or maintenance of that road or street, and, if so, in what proportions:

And whereas portion of Parkvale Road, being one of the said streets, forms part of the boundary between the Borough of Karori and the Makara County:

And whereas a dispute has arisen as to which local authority shall have control of the said portion of Parkvale Road, and what proportion of the cost of maintaining such portion of Parkvale Road should be borne by the local authorities affected:

And whereas a Commissioner was appointed for the purposes aforesaid, and an inquiry was duly held:

And whereas such Commissioner did report to the Governor, after due inquiry, his opinion thereon:

And whereas the Governor is of opinion that the said portion of Parkvale Road should be controlled as hereinafter directed, and that it is equitable that the cost of maintaining the said streets should be provided and paid in the manner and in the proportions hereinafter set forth:

Now, therefore, I, Robert Stout, the Administrator of the Government of the Dominion of New Zealand, in pursuance and exercise of the power and authority vested in me by the said Act and the Amendment Act, and of all other powers in anywise enabling me in this behalf, do hereby direct that, from and after the date of the gazetted of this Warrant, the portion of Parkvale Road hereinbefore referred to shall be under the control of the Karori Borough Council; and, in further pursuance and exercise of the aforesaid powers and authorities, I do hereby fix and determine that the cost of maintaining the said streets shall be borne as follows, viz.: The Makara County Council shall pay to the Karori Borough Council the sum of twenty-five pounds per annum, commencing on the first day of April, one thousand nine hundred and twelve, towards the cost of maintaining the said roads, on condition that the Karori Borough Council shall spend on the average at least fifty pounds per annum on the maintenance of the portions of the South Karori and Makara Roads described in the Schedule hereto, and that such yearly

average shall be ascertained by considering the total expenditure on these roads every five years, commencing from the first day of April, one thousand nine hundred and twelve; but if at the end of any period of five years the average expenditure by the said borough on the said South Karori and Makara Roads is then found to have been less than at the average rate of fifty pounds per annum, then in any such case the amount of twenty-five pounds per annum payable by the Makara County Council shall be proportionately reduced for the said period, and any amount paid during or in respect to that period by the Makara County Council in excess of the proportionate amount so found to be due shall be refunded to the Makara County Council by the Karori Borough Council.

And I do hereby direct that any contributions hereby required to be made as aforesaid by the Makara County Council shall be paid from time to time out of the funds of the said County Council within a period of thirty days after demand in writing made by or on behalf of the Council of the Borough of Karori; and such payments shall be made from time to time to the Clerk of the said Borough Council for and on account of such County Council.

SCHEDULE.

Wellington, 14th October, 1912.

NOTICE is hereby given that the sum of £4,000 has been voted by Parliament for distribution to public libraries.

The distribution will take place on the 3rd February, 1913, and no claim will be entitled to consideration that shall not have been sent in in due form and received by the Secretary for Education, Wellington, on or before the 25th January, 1913.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under the control of an association, society, or club whose membership is composed of a section of the community only, and if within a borough it must be open to the public free of charge. The receipts for the year from subscriptions and donations must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The net proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. A subsidy will not be given to more than one library in the same town.

2. In the division of the vote a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £75—that is, in no case will the augmented amount on which distribution is based exceed £100.

3. The whole of the subsidy must be expended without delay in the purchase of books for the library.

4. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and expenditure of the institution for the

And I make this solemn declaration conscientiously believing the same to be true, and by virtue of the Justices of the Peace Act, 1908.

[Signature.]

GENERAL DESCRIPTION.

The Sherenden Settlement is situated for the most part on both sides of the main Hastings-Patea Road, an excellent metalled road suitable for motor-car traffic. The nearest point of the settlement from the Town of Napier is twenty miles, and the farthest thirty-one miles, and from the Town of Hastings fifteen and twenty-one miles respectively.

Three sections to the north-east of the settlement are served by a road from Napier *via* Puketapu, the nearest point of this part of the Settlement being seventeen miles, and the farthest twenty-one miles, from Napier.

The property consists generally of open rolling country, with a little manuka in gullies, intersected by streams running in more or less deep gorges, some of which are stockproof and used as boundaries. Elevation, 300 ft. to 1,100 ft. above sea-level. Water will probably need conserving by means of dams when sections are subdivided into small paddocks, but each holding has a water-supply. The soil is a good black loam, on clay and papa formation, with limestone outcrops on a few sections. Approximately three-fourths of the property is ploughable. The fencing is generally good post-and-wire and natural stockproof gorges. All the sections, with the exception of two or three, are sufficiently fenced to hold stock immediately possession is given.

There is a bi-weekly coach service between Hastings and Patea, leaving Hastings at 10 o'clock a.m. on Wednesday and Friday, and returning Thursday and Tuesday. The property is practically free from rabbits and noxious weeds.

The nearest public accommodation-houses are Fern Hill, nine miles and a half, and Puketapu ten miles and a half.

A school-site of five acres is reserved for the establishment of a school.

The corners of the sections are indicated by notice-boards, giving the section numbers corresponding with sale poster.

F. W. MANSFIELD,
Registrar-General.

* It may be that in some instances the places given under the heading "Residence" are not the present places of abode of the respective persons. They have been copied, however, as they stand in the General Register; and if they are inaccurate in any case it is because the changes of residence have not been officially notified to the Registrar-General, as it is obviously desirable that all such changes should be.

<i>Subdivision B of Nukumarū No. 2.—Nukumarū Survey District.</i>

LOCALITY AND DESCRIPTION.

These lands are situated at Nukumarū—half a mile from the Main North Road by good metalled road, and about a mile and three-quarters from railway-station. The land is of excellent quality, in grass, all ploughable except gully faces, permanently watered, and eminently suitable for dairying.

SECOND SCHEDULE.

CONDITIONS OF SALE.

1. THE lands are offered at the upset prices shown opposite to each section described in the First Schedule hereto. The terms of the contract for sale of the lands being sold are summarized in clause 13 hereof.
2. The highest bidder shall be the purchaser of each lot. In the event of any lots not being disposed of at first offering, the Board may put any of them up again either separately or in groups. Any lot not disposed of at the auction sale shall remain open for selection at the upset price.
3. In the event of any disputed bid, the lot in dispute may be put up again at the last undisputed bid.
4. Each purchaser, immediately after the sale, shall sign an agreement to complete his contract for purchase according to these conditions, and shall pay to the Board's representative a fee of £3 3s. for the preparation of his contract of purchase, together with the cost of stamping and registering

the same. The contract of sale will be prepared by the Board. One or more sections may, at the option of the purchaser, be included in one contract of sale.

5. The successful bidder will be required, within fourteen days from the date on which the contract of sale shall be tendered to him by the Board for execution, sign the same in triplicate. In the event of his failure to do so, the Board may forfeit the purchase-money paid by him, and again offer the land for sale at the upset price, freed from any obligations to the defaulting purchaser.

6. The bidding shall be advanced by such sum as the auctioneer may agree to accept, and no bidding shall be retracted.

7. The Board reserves the right to withdraw from sale any lot or lots at any time prior to the auction.

8. The purchaser shall be required, before obtaining his contract of sale, to make a declaration as required by Part XII of the Native Land Act, 1909, that he is not the owner or occupier of 3,000 acres of third-class land or its equivalent in other classes of land.

9. The lands are offered under the Native Land Act, 1909, and the regulations made thereunder, and purchasers and lessees shall be deemed to be acquainted with the provisions thereof, and be bound thereby as effectually as if such provisions were embodied herein.

10. Both lots are subject to slight alteration of area on completion of survey. The fact that any area stated may require to be altered shall be no ground for rescission of the contract.

11. If, from any cause whatever the Board shall be unable to give the purchaser possession of the land purchased, the purchaser shall be entitled to a refund of the deposit paid by him, but without interest, and no damages shall be claimed by him for the Board's failure to give possession.

12. Possession shall be given one week after date of sale.

ABSTRACT OF CONDITIONS.

Summary of Conditions of Contract of Purchase.

13. (a.) The purchaser shall, immediately after the sale, pay to the representative of the Board a sum equal to 10 per cent. of the purchase-money as part payment thereof. The balance of the purchase-money to be paid in ten equal half-yearly instalments.

(b.) The purchaser to pay interest on unpaid purchase-money at the rate of 5 per cent. per annum. Interest to be payable on the 1st July and 1st January of each year, and to run from the signing of the contract of sale or date when possession given.

(c.) Purchaser shall, at the end of five years, upon payment of balance of purchase-money, be entitled to a transfer of the fee-simple of the land.

(d.) Residence and improvements to conform with sections 250 to 257 of the Native Land Act, 1909.

(e.) A copy of the contract for sale can be inspected at the post-offices Kai Iwi and Waitotara, at the Board's office, Wanganui, and at the office of the Under-Secretary, Native Department, Wellington.

INSTRUCTIONS TO APPLICANTS.

The lands are described for the general information of intending selectors, who are recommended, nevertheless, to make a personal inspection, as the Board is not responsible for the absolute accuracy of any description.

Full particulars may be obtained at the office of the Under-Secretary for Native Affairs, Wellington, and at the office of the Aotea District Maori Land Board, Wanganui.
