Steamed over the given position, zigzagged north and south of it, and up and down the coast without getting any indication of shoal water.

## RESOLUTION MAKING A SPECIAL RATE TO COVER INCREASED PAYMENTS IN RESPECT OF PART OF LOAN.

**WHEREAS** the One-tree Hill Road Board has been authorized by the ratepayers to borrow £19,470 for the purpose of drainage, and the New Zealand State-guaranteed Advances Board has finally granted the application for such loan at the rate of £4 17s. 6d. per centum per annum: And whereas the New Zealand State-guaranteed Advances Office Superintendent is unable to advance part of such loan (namely, £4,470) at the said rate of interest, but can advance the same at the rate of £5 2s. 10d. per centum per annum:

And that such special rate shall be an annual-recurring rate during the currency of such part of such loan, and be payable half-yearly on the 1st day of April and the 1st day of October in each and every year during the currency of such part of such loan, being a period of thirty-six years and a half, or until such part of such loan is fully paid off.

I hereby certify that the foregoing is a true copy of a resolution duly passed by the One-tree Hill Road Board at a special meeting of the said Board held on the 1st day of August, 1913.

**SCHOOL FOR THE DEAF, NEAR SUMNER,  
CHRISTCHURCH.**

UNDER THE CONTROL AND SUPERVISION OF THE EDUCATION  
DEPARTMENT.

Director: MR. J. E. STEVENS.

FOR Deaf Children of sound intellect. The pupils are taught to understand and use ordinary speech. The full charge for board and education is £40 a year, but less is accepted from parents who cannot afford to pay this amount. In case of necessity admission is free.

By the Education Act it is compulsory for deaf children to come under instruction at the age of six, and to continue until the age of twenty-one unless the Education Department previously grants exemption. Though a child is, as a rule, best fitted to begin the school course at the age of six, advice should be obtained as soon as any sign of deafness is observed.

The following classes of deaf children are admitted [to the School for the Deaf (sound intellect being always a necessity)]:—

1. Children born deaf, or who have lost their hearing before learning to speak.
2. Children who can hear a little, but are too deaf to be taught in a public school.
3. Children who have lost their hearing after having learned to speak.

The Act imposes upon every parent, teacher of a school (either public or private), constable, or officer of a charitable or kindred institution who is aware of the place of residence (either temporary or permanent) of a deaf child, and the householder in whose house any such child resides, an obligation to send notification of the fact to the Minister of Education, giving the name, age, and address of the child; and any neglect or failure to comply with this provision involves liability to a fine.

Information and advice may be obtained from the Director, or from

THE SECRETARY FOR EDUCATION,  
Wellington.

**JOURNAL OF THE DEPARTMENT OF LABOUR.**

SUBSCRIPTION, 2s. 6d. PER ANNUM, INCLUDING POSTAGE.

Postage or duty stamps cannot be received in payment from any place at which postal notes or post-office orders are issued.

Prepayment may be demanded in any case. In order to prevent delay in publication, a sufficient remittance should accompany every advertisement. Any surplus will be returned with receipted account.
